HE DEALS BRIEFLY WITH THE PRESS RIGHTS.

AND REFERS TO THE CONSTITUTION

He Says the Joint Committee Doesn't Want Too Much of the Truth to Get Before the Public.

3 HE rights of the press have been so frequently discussed and explained by the Hga ALD the past year it would seem the readers should be suffi ciently posted on the matter, but such is not

the case. Only Wednesday night one of the most prominent men in the borough took the floor at the joint committee meet 2:28 9:56 { Frackville. } 7:29 2:50 Ing and wanted to know if the course make a general collection at 6:00 a m. and 7:00 p. m., and a general delivery at 7:18 a. m. and 3:15 p. m. The suggestion was a silly one, of course, but I cannot dismiss it without asking the gentleman who made it to turn to page 60 of Smull's hand book. By doing so he will find that the constitution of this Commonwealth provides "that the printing press shall be free to every person who may undertake to examine the proceedings of the Legislature, (a far more august and responsible body than the joint committee) or any branch of government, and no law shall ever be made to restrain the right thereof. The free communication of thoughts and opinions is one of the invaluable rights of man, and every citizen nay fully speak, write on any subject, being responsible for the abuse of that liberty,

I suppose the source of trouble is not ignorance of press rights, but that the truth cuts these people too deep.

Petitions to Place Hon. John W. Ryon on an Independent Ticket Have Already Been Circulated.

But some of these dissatisfied parties will not desert their own ticket to support the Republican candidates. They are willing, however, to compromise by putting up an independent ticket with Hon. John W. Ryon as the standard bearer.
