### AN ELECTRIC CAR HELD UP.

Help Arrives Before the Highwaymen Get Any Money.

PATERSON, Aug. 1.—A car on the Central Electric Railroad was held up by six members of the Creams gang last evening.

They stopped the car on the road leading from Passaic to this city. They overpowered the conductor and cut off the electric current. There were only two passengers on the car, and they rushed for help. When help arrived the ruffians beat a retreat.

One of the gang, William Walsh, was captured and put in jail. The police are on the track of the rest of the gang. The gang failed to get any money.

### BUNCOED 2,500 CHICAGOANS.

They Thought They Were Investing, But Were Only Getting Swindled.

CHICAGO, Aug. 1.—Twenty-five hundred persons living in Chicago and vicinity allege that they have been swindled out of \$30,000 by James L. Strauss, a former newspaper man. Strauss got tired of assignments about a year ago and organized the "People's Investment Company." Ten warrants were sworn out against him and his partners last night for fraud and embezzlement.

He offered to pay 30 and 40 per cent. for the use of small sums for a short period. The only security was a certificate showing the victim were entitled to a certain sum at a stated period.

### TIMELY TOPICS.

What People Are Talking About These Times.

Those of the newspaper fraternity of this county who have accepted Gus Samuels' invitation to visit Orwigsburg to-morrow, will have a good time. The Republicans stated on Saturday that Samuels was in Pottsville on that day buying peanuts and small beer to treat the boys.

Blackberries have been very scarce this year and housekeepers will have to put up with something else. Diarrhoea mixture will come high next year in consequence.

Gen. Butler condemns the punishment of lums, but he has forgotten how he punished a citizen in Louisiana who grieved over the assassination of Abraham Lincoln. He had him shot.

Some of the Philadelphia militiamen complained that they had nothing but coffee and hard tack the first few days at Mt. Gretna. Too bad. Did they want pie and cake, fruit and milk?

It is proposed to have a state police and the next Legislature will most likely pass a bill authorizing such a force. It would do away with the Pinkerton's and save the expense of calling out the militia.

### The Carl Funeral.

The Reading Evening World, of Saturday, says: The funeral of John W. Carl took place from his late residence, 236 Rose street, where appropriate services were held by Rev. P. J. Hoh. The remains, attired in a black suit, rested in a walnut casket with silver mountings and plate inscribed "Rest in Peace." Six members of Shenandoah Camp, No. 49, S. of V., acted as pall bearers. Member of Meade Camp, No. 18, and Ringgold Artillery Camp, No. 17, attended in a body. The floral tributes were many and beautiful. The following friends and relatives from Shenandoah City were present: The parents, sister, Minnie, and brothers, Fred, Harry and George, also John Kreisher and wife, William Koch, James Daucherty, George Ketz and Frank Brecker, wife and son. Interment was made at Charles Evans cemetery. Hunter Henninger had charge.

The O'Donnell, the Homestead one, did not go to Superintendent Diebmann's school; did not work in the Tamaqua printing office; was not a Mollie Maguire and many other things he is credited with. The correspondent has said so, and he knows.

### She Will be Called "Brooklyn."

WASHINGTON, Aug. 1.—Secretary Tracy will give the name of "Brooklyn" to the new armored cruiser recently authorized by Congress. This vessel will be very similar to the New York. The new ship will have a little higher free-board than the New York, but will not differ much from her otherwise. The Bureau of Construction is already at work upon the Brooklyn and the additional battleship, and it is expected that appropriations will be made next winter for their construction.

### Medals for Distinguished Jurists.

PHILADELPHIA, Aug. 1.—Two handsome gold medals containing \$100 worth of pure gold each, have just been struck at the mint in this city. They were designed by Charles E. Barber, chief engraver at the mint, upon an order from the American Bar Association, and will be presented to two of the most eminent jurists and law reformers of the century—Hon. David Dudley Field, of New York, and the Earl of Selbourne, of the English bar—for distinguished services in advancing the science of jurisprudence.

### Brickmaking Season to Close.

KINGSTON, N. Y., Aug. 1.—There are indications that the brickmaking season along the Hudson river will come to a sudden close. ### Mr. Gladstone's Illness.

LONDON, Aug. 1.—The report that Mr. Gladstone had been taken suddenly ill threw the Liberals into a state of consternation. ### CANADA AFTER NEWFOUNDLAND.

The Dominion Quietly Working to Annex the Island.

OTTAWA, Aug. 1.—The absorption of Newfoundland by Canada is beginning to be looked upon as an event not far distant, and already an agitation with that end in view has been started here and in Montreal. There is every reason to believe that the Dominion government is quietly lending official countenance to the scheme, though for palpable reasons, publicity is avoided at the present juncture. The time, however, is considered auspicious for such a consummation, inasmuch as Newfoundland and Canada, at present, are on very friendly terms, whereas a month ago, such regard for the other with distrust and unfriendly feelings.

The prompt manner in which Canada responded to the call for aid when the city of St. John was laid in ashes was the stepping stone to the present annexation movement. Over \$1,000,000 have already been subscribed toward the relief of the townspeople of St. John, and the Canadian Government has exerted itself uncommonly in connection with raising and forwarding this fund. Many honeyed messages have passed between the Canadian and Newfoundland Premiers.

For the present hand of the Federal authorities at Ottawa is not apparent, but a still hunt is in progress, and properly instructed agents, having a thorough knowledge of Newfoundland, will go with the relief ships, remain on the island, and establish there a propaganda having for its object immediate closer relations and ultimately annexation between Newfoundland and the Dominion, as well as to seek to turn the thoughts of the Newfoundland people from their present endeavors to establish closer trade relations with the United States.

### The Iron Hall Receivership.

BOSTON, Aug. 1.—Dr. George E. Hill, manager of the Boston office for the Massachusetts branch of the Iron Hall, and a member of the Massachusetts Board of Supreme Deputies, was seen in reference to the reported application in Indianapolis for a receiver for the order. Dr. Hill said it was impossible that such publication as was charged could occur. The funds are not centralized, and therefore not obtainable in such amounts as alleged. There are no accrued debts such as are stated, and the reserve fund Andrew estate is not under the control of the bank in Philadelphia with which Mr. Somerby is connected.

### Eastward Movement of Grain.

BUFFALO, N. Y., Aug. 1.—The eastward movement of flour and grain from the west through Buffalo for the month of July shows an increase of 508,734 bbls. of flour and 6,567,351 bushels of grain, estimating flour as wheat, as compared with the same month last year. The imports of grain since opening of navigation were 72,869,918 bushels as compared with 49,240,697 in the same period last year, and are the largest on record.

### The American Victim of the Avalanche.

HINGHAM, Mass., Aug. 1.—The American who was reported by cable as having been killed by an avalanche while crossing the Grindelwald Glacier at Interlaken, Switzerland, was Mr. John Augustus Robbins, brother of James H. Robbins of this place. He was 51 years old, and a member of the firm of O. W. Bullock & Co., of Springfield, Mass., manufacturers of watchmaking tools. He leaves no family.

He was walking up West street, New York shortly before the boat left for this city. All three men are well acquainted with the suspected man.

### Massachusetts Labor Party.

BOSTON, Aug. 1.—The Socialist-Labor Party has nominated a full State ticket. John Orvis, who was a co-worker with Wendell Phillips and William Lloyd Garrison in the Anti-Slavery movement, is the candidate for Governor. For more than 50 years he has been active as a writer and agitator. The State Committee puts the labor vote in the State at from 30,000 to 30,000.

Four of the inmates are reported to have perished in the building. The loss will be about \$40,000. Insurance partial. The storm was the most terrific that has visited Sussex county this season.
