THE DANDY COUNCIL

An Interesting Communication From A Observing Citizen.

EDITOR HERALD; -The 'Dandy Coun-'Dandy'' had poor respect for English lefinitions, or, perhaps, his intentions were ronical, and the latter I suspect is true But of all the "Dandies" there are two pre eminent in complete and absolute set authority. Your own Belshazzar and (O Lord, deliver ust) the mighty Don Quixote the chairman of the street committee. Upon being urged by members of his committee to stop until the steam pipes had been laid, this immaculate more necessary now than it was then. It prodigy of wisdom replied, "Let them shovel the stones to one side and lay planks on the other side to throw their dirt upon.'

An ordinary every day plain citizen is liable to make an error, but is not expected to continue the same fault within a couple I wonder if the water famine cry of the of months. This "Dandy" Councilman, however, "all by his ionesome," deter mines that Jardin street, between Centre and Lloyd, should also be stoned. ## THE WARD DIVISION WORK POSTPONED

TWO OF THE VIEWERS VIS-ITED TOWN TO-DAY.

POLITICS DRAWN INTO IT AGAIN

Certain People Trying to Handi cap the Measure of Absolute Necessity by Introducing Partiean Schemes.

HE viewers appointed by the court to again consider the advisa bility of dividing the wards of this borough were to have met here to-day and act under the order, but only two of the viewers, Col. J. G. Frick and J. H. Mudey, were

able to be present. The third viewer, A. B. Cochran, was sick, and as the law requires that all the viewers must be present nothing cou d be done.

Messrs. Frick and Mudey came to town and, after being sworn in at the Kendrick House, postponed this matter until next Monday morning, at 11 o'clock, and at the same place.

In answer to queries of a HERALD re porter, Col. Frick stated that it will be necessary to go over all the work done last summer. The order of the court, he said; is more stringent than the last one and several things the viewers overlooked last time must be considered.

Notwithstanding the necessity for making a division of the wards stands out so prominently before the people there are certain persons who are turning over every stone to defeat the measure and they will bring every influence in their power to bear on a defeat.

There are a number of prominent Dem ocrats who have again raised the cry that the movement is a Republican one, yet at the same time they are shaping to have the division lines so drawn as to make the new wards, if any are made, safely Democratic. One prominent Democrat is 'moving heaven and earth" to have at least one ward so fixed that the School Board bee bozzing in his hat may be fed.

A FAMILY REUNION.

A Pleasant Family Affair at the Lloyd Residence.

Last evening there was a family reunion at the residence of Joseph and Mary Lloyd, on West Centre street. It was the first time for all the members of the family to get together in fourteen years and consequently it was a very pleasant and gratifying affair to those interested. Those present besides Mr. and Mrs. Lloyd were their sons and daughter, Rev. John Lloyd, of Wilkes-Barre; Rev. Joseph Lloyd, Cataraugus, N. Y.; Thomas W. Lloyd, Brownsville, and Miss Mary and J. W. Lloyd, of town. The reunion was quite a surprise to the old folks, as the arrival of the visiting sons was quite unexpected. The family table was bountifully spread and all who occupied seats about it was delighted to again feel the influence of "Home, Sweet Home."

#### THE EDITORS.

They Get Together at Orwigsburg and

The Schuyikill Press Association held ts quarterly meeting at Orwigsburg yesteray and the members were the guests of

Gus Samuels, of the Orwigsburg News, Two interesting sessions were held; in the parlor of the Arcadian Hotel and much ew and interesting business was transacted.

The members present were Dr. Wilson, Tower City Echo; Messrs, Barron and Hartman, Ashland Record; H. C. Boyer, Shenandoah EVENING HERALD; Albert Gilbert, Pinegrove Herald; Gus Samuels, Orwig-burg News; C. Shumway, Pottaville Chronicle; J. H. Zerbey, Daily Republian; C. D. Elliot, Schuylkill Republican; C. R. Acker, Miners' Journal,

After demonstrating their ability in disposing of a most excellent dinner, gotten up by that prince of landlords, Frank Brown, at which every delicacy was found in the menu, the members were shown around this growing and enterprising

industrial town. Among the most interesting sights to the ditors were the shoe factories, in which every thirg was explained by Messrs Brown and Shoener.

A visit to the museum of Mr. Bodey was also a treat and will not soon be forgotten. Dr. Wilson was "stuck on" an autiquated picture on the wall.

Gus Samuels then piloted the "educators of public opinion" to the school house and engine house. At the latter place we saw the old-fashioned fire engine which the county press has often spoken of. There was also a soda fire extinguisher in the building which Editor Zerby mistook for a sods fountain and wanted a drink with a little "lemon in it."

The next meeting will be held in Pottsville unless otherwise ordered.

At the business meeting of the association the following resolution was preented and unanimously adopted :

WHEREAS, The auditors of Schuylkill county re at this time in the midst of an investigation of the accounts and other matters pertaining to the conduct of the business affairs of said

ounty. Therefore
Resolved, That we the members of the Schuylkili Press Association, individually and collectively, inderse the action of the Auditors and their attorneys, together with all other citizens, engaged in inquiring after the interests of the taxpayers of Schuylkill county, and that we do extend to them our moral support in every honorable effort they may make in the lirection of unearthing fraud or extravagence on the part of public officials in the discharge of the functions of their offices, to the end that every guilty one may be brought to justice
