## COMMENTS ON THE EVENTS OF THE DAY

### INTERESTING NOTES CONCERNING WATER WORKS.

### ANOTHER DEMAND FOR MONEY

To be Made by the Joint Committee—The Lawyers Must Have Their Fees—Food for Reflection.

**L**AWYERS, like doctors and editors, must occasionally have a desire to enjoy life as other species of mankind, but, of course that desire cannot be appeased without the help of money. So it is with ex-Judge Ryan and John A. Nash, Esqs., the Pottsville lawyers who have been engaged to represent the borough in the water works litigation.

On Thursday last Messrs. Ryan and Nash came to town and were in consultation for some time with members of the joint committee in the office of J. H. Pomeroy, Esq. The committee was careful not to let the doings of the meeting reach the public ear and nothing was said about it at the Borough Council meeting in the evening.

But the secret has leaked out. Messrs. Ryan and Nash have no objection to representing the borough in court, but they cannot live and enjoy life on the theories regarding the habitation of Mars, or the vast hopes of the joint committee. They want cash, or at least borough orders bearing the names of the president and secretary of Council.

It is understood that Council was to have been asked for an appropriation Thursday night, but, instead, Council was asked to adjourn to Monday night "to take action on the water case." It is now known the "action" will be a request for a joint committee appropriation to meet the demands of the lawyers.

As a Councilman passed a certain place last night a bystander shouted, "What is the matter with the stone crusher?" Another bystander answered, "It's broke." "What is the matter with the Borough Council?" was next asked. "If the joint committee keeps on the way it is going the Council will be broke, too."

The Councilman glared at the speakers, but held his peace and walked on.

A correspondent writes that it is disrespectful to write of an elderly man as "old gentleman." Well, it may be; but we prefer the expression to "old man," and even in speaking of Gladstone would be tempted to change his popular title to "grand old 'gentle' man."

About fifteen young men who attended the picnic at Lakeside yesterday missed the special train and refused to pay the difference in the fare on a regular train. They got off at Mahanoy City and walked over the hill to town.

A Polish woman residing in the row next the Lehigh Valley railroad to-day placed a box of old clothes in front of her house. She then gathered a lot of chickens about her, after which she scattered the clothes about. The chickens pounced upon the rashes and other vermin that crawled away from the pieces of clothing as a tramp would dive into a fat piece of pumpkin pie. After all the vermin had disappeared down the throats of the egg layers the woman gathered up the clothes and took them back into the house.

Pure and Wholesome Quality Commands public approval the California liquid laxative remedy, Syrup of Figs. It is pleasant to the taste and by acting gently on the kidneys, liver and bowels to cleanse the system effectually, it promotes the health and comfort of all who use it, and with millions it is the best and only remedy.

**Police Work.**

### Touring to the North.

As the equipment system has advanced, so has the practical handling of railroad patrons improved. In our day a tour is scarcely considered perfect unless under the personally-conducted system, a medium emanating from and developed to perfection by the Pennsylvania Railroad Company. The Pennsylvania Railroad's first tour to the North had its complement of passengers weeks before it left. Now a second one has been arranged. It embraces Watkins Glen, Niagara Falls, Thousand Islands, Rapids of the St. Lawrence, Montreal, Au Sable Chateau, Lakes Champlain and George, Saratoga, and daylight ride down the Hudson River. August 18th, the tour leaves Philadelphia, and the round trip rate of \$80 covers all expenses, as per the handsome itinerary, which may be obtained upon application to Tourist Agent, Pennsylvania Railroad, 233 South Fourth street, Philadelphia.

EDITOR HERALD—"Son-in-law" would respectfully inform you that he did not pose the lines which you quoted in last evening's HERALD as coming from Shenandoah correspondent to the Mahanoy City-Tri Weekly, concerning the condition of our streets. Neither is he (to set your mind at rest) the correspondent of that paper. When "son-in-law" does occasionally write he always tells the truth—something some every day writers not a hundred miles away don't often do. Neither does he show disrespect to age by speaking of gentlemen older than himself as "old gentleman." Our education was a notch higher than that. "SON-IN-LAW"

Baron Hirsch.  
 It is reported that Baron Hirsch, the great Jewish benefactor, will arrive in New York some time next month. If this report is true, and we have every reason to believe that it is, every one of our Jewish citizens in this county will pay their respects to this great philanthropist. Our friend, Max Reese, the excursion agent, would have no trouble to get up a cheap excursion on some day after the Baron arrives and it would pay him big, too.

Adjourned Meeting.  
 The Borough Council will hold an adjourned meeting next Monday evening for the purpose of taking some action in the water case and transacting other business.

Shooting Match.  
 William Giblin and John Ryan will contest in a pigeon shooting match at Killgowan Grove on the 27th inst., at 4 o'clock.

Mr. Loucks is suffering from a third attack of paralysis and his condition is critical. Mr. Loucks suffered the first stroke on Decoration Day and the second about two weeks ago. Yesterday he seemed quite recovered from the second attack and was able to leave his bedroom, but at three o'clock this morning he was attacked again.

Mr. Loucks had reached the age of 78 years. He has resided in this place a very long time and has always enjoyed the esteem of those with whom he came in contact. This afternoon a member of the family announced that all hope for recovery had been given up.

## THE COMPANY STORES.

Letter From a Merchant Reviving the Agitation of the Matter.

The following letter from a prominent business man of town was received by the HERALD yesterday:

Mr. Editor—From the fact that nothing has been done in the matter, are we to infer that the Philadelphia and Reading Coal and Iron Company approves or endorses the company store system, as carried on under the boss family system? Whether it is a fact that employees of the company have been influenced by a boss or superintendent to leave stores where they have been dealing for years to buy at stores owned by relatives or superintendents; whether a boss or superintendent can so use his influence without placing himself under obligations to such employes; whether a boss or superintendent do his whole duty to the company when he places himself under obligations to those under him; whether inferior workmen have been kept in good jobs and at steady work to the prejudice of the best interests of the company; whether men have not said that they deal at certain stores because they have good jobs and want to keep them, can be ascertained by the officials of the Coal and Iron Company if it will appoint some one to investigate the matter who is not in sympathy with or under obligations to a boss or superintendent.

SHENANDOAH, Aug. 5, 1892.

### Self Praise.

Self praise is no recommendation, but there are times when one must permit a person to tell the truth about himself. When what he says is supported by the testimony of others no reasonable man will doubt his word. Now, to say that Alcock's Porous Plasters are the only genuine and reliable porous plasters made is not self-praise in the slightest degree. They have stood the test for over thirty years, and in proof of their merits it is only necessary to call attention to the cures they have effected and to the voluntary testimonials of those who have used them.

Beware of imitations, and do not be deceived by misrepresentation. Ask for Alcock's, and let no solicitation or explanation induce you to accept a substitute.
