Popular Lakeside.

Just what the Lakeside resort will end in no one can at this time tell. During the short time that the present proprietors have had it they have increased the busi ness so that to secure a date at this time is not an easy matter. Every day this week the ground has had one or two picnics and every day of next week has an appointment. The company should make a rumber of improvements next year that would add to its beauty. An ornsmental or rustic fence, rustic seats, running fountain with cement ponds, and nicely painted buildings would improve it and should be made before next season.-Mahanoy City
