LABOR DAY AT MAHANOY CITY

UNVEILING OF 'THE SOLDIERS' MONUMENT.

PREPARATIONS FOR THE EVENT

Some of the Distinguished People Who Will be in Attendance. How They Will be Entertained—The Programme.

ARRANGEMENTS of the most elaborate character are being made for the ceremonies which are to attend the unveiling of the soldiers' monument at Mahanoy City on Labor Day, September 5th. The committee has just completed the official programme. It is as follows:

Selection, Citizens' Corps Band. Prayer by Department Chaplain John W. Sayres, Philadelphia.

Opening address, Hon. James B. Reilly. Presentation of monument in behalf of the citizens and ladies of Mahanoy City by Gen. D. H. Hastings.

Unveiling of monument by John Hobbs and John Cameron, one-armed veterans of Mahanoy City. "Hallelujah Chorus" by the Mahanoy City Choral Society. Recs. Rosser, conductor.

Acceptance of the monument in behalf of the citizens and ladies of Mahanoy City by Gen. D. H. Hastings.

Address, Hon. C. N. Brumm. Address by his Excellency, Governor Robert E. Pattison.

Benediction, Rev. H. A. Keiser. "America" by the Mahanoy City Choral Society and the assemblage.

The exercises will commence at 9:45 a. m. Gen. J. S. Gobin will be the Chief Marshal.

The parade will move at 2 p. m. After the parade there will be a dress parade by the 8th Regiment, N. G. Pa., in front of the Mansion House, when the ladies will present the regiment with a handsome stand of colors valued at \$200. Gov. Pattison will make the presentation.

The best band in attendance will be awarded the right of line.

Among the distinguished visitors will be ex-Department Commander, Col. George G. Boyer, the present Department Commander and staff, Col. J. A. M. Passmore, Gen. Louis A. Wagner, Gen. William Lilly, Gen. Snowden and staff, Col. Keck, of Wilkes-Barre, and staff, Col. Case, of the 4th Regiment, and Col. Thomas J. Hudson, of Pittsburg, Chief of Artillery, State of Pennsylvania.

A large number of arches will be spread over the streets. Work on them has already commenced. They will be located as follows: At the Mansion House four arches will be spread over the streets.

Opposite the store of Walbridge and Richardson there will be a Grand Army arch. It will be an immense structure and probably the handsomest. On the next square above the Hook and Ladder company will erect two large pillars, twenty feet high, upon which their truck will rest. In front of the Union National Bank there will be an arch erected by the bank and D. J. Cleary. Smith & Bro. will also erect a handsome arch. "Squire Coyle and party will erect a handsome monument which will correctly represent the monument to be unveiled. It will be 30 feet high.

Further down, opposite the Ball and John Smith places there will be another arch and another will cross the street in front of the Seligman and May properties. The Humane and Citizen fire companies will also erect handsome arches in front of their houses and Co. E, 8th Regt., will erect one in front of its new armory. C. D. Kaier, Mahanoy's patriotic and influential citizen, will entertain Gov. Pattison at his Centre street residence and will erect a beautiful arch in front of the residence in honor of the Governor. There will also be an arch in front of the Derrick House and the Old Fellows will elaborately decorate their hall on Mahanoy avenue.

Gen. Gobin and his staff will be entertained by M. M. MacMillan, Esq., at his handsome residence on Mahanoy avenue.

Gen. Hastings and wife, Col. Thomas J. Stewart and wife and Col. Boyer and wife will arrive at Mahanoy City on Sunday afternoon and will be located at the Mansion House.

Col. Magee and wife will arrive on Saturday. Col. Magee will visit the target range for the purpose of qualifying under the direction of Lieut. Bretz.

Col. Magee and staff will be entertained by Quartermaster W. F. Richardson.

The captain and line officers of the 8th Regiment will be entertained by Capt. Conroy, at his Mahanoy avenue residence.

Frank F. Reed, who is chairman of the monument committee, is a very active worker and has the assistance of an able committee.

The decorations will be very elaborate. Professional decorators from Reading, Harrisburg and New York are upon the ground. Duffy & Co., of St. Clair, also have their men there and Wallie Haldebrand, of Mahanoy City, has secured contracts to decorate sixty business places and residences.

A handsome sword and belt will be presented to the captain of the company who presents the largest number of men on parade.

A handsome sword and belt, given by Heebner & Co., of Port Carbon, will also be presented to the captain of the company presenting the finest appearance in line. These prizes will be awarded at the dress parade, under the direction of Adjutant

General W. W. Greenland, of Harrisburg.

In the evening there will be a grand military and citizens' dress assembly, under the auspices of Co. E, 8th Regiment, in the handsome new armory. The armory is 50 by 125 feet. The music will be furnished by Walbridge's orchestra of fifteen pieces.

TIMELY TOPICS.

What People Are Talking About These Times.

We agree with the *Bloomburg Daily* that it is really surprising when one learns what a large number of our town people patronize peddlers and instalment men. They even buy groceries of these peddlers, thinking they are getting them cheaper than our home merchants sell at, but in this they are mistaken for nine times out of ten the peddlers handle nothing but an inferior quality of goods. Patronize home.

The delegates to the State Camp, Sons of America, from town, are all home again and they are kept busy explaining what has been accomplished this year. No request was made to have the State Camp meet here next year, so it went elsewhere.

There was no complaint of a scarcity of water in Shenandoah this year and this speaks well for the resources of the old company, when all the towns in the county suffered during the late drought.

Some one has said that Shenandoah has not the accommodations for the meeting of a large body, like the Sons of America, for instance. This is a mistake, and that has been demonstrated a number of times.

A special officer of the Pension Department was here on Thursday looking after some crookedness. The party he was looking for had moved to some other town. We understand there is a great deal of this kind of work going on in town and county and it is only a question of time when all will be found out.

The State Camp, Sons of America, is getting to be too tedious a body and the representation could be cut down without injury to the order.

DIVISION OF THE WARDS.

THE VIEWERS MET IN TOWN AGAIN TO-DAY.

MAPS IN ABUNDANCE SUPPLIED

Fatal Accident at the Kehloy Run Colliery at Noon To-day. Louis Ringheiser, a Miner, the Victim.

THE VIEWERS appointed to inquire into the advisability of dividing the wards of town met again in the Kendrick House this morning and had a large number of Republican and Democratic citizens before them, who occupied considerable time in making speeches, presenting figures and explaining maps.

'Squire Monaghan and M. P. Whitaker were spokesmen for the Democrats. If the facts were just as they presented them the viewers would have had very little trouble in deciding upon a report at once, but when some of the Republicans asked questions regarding the correctness of the Democratic maps and figures there was an uproar and the viewers had difficulty in maintaining order. Some of the Democrats wanted to make affidavits, others wanted to bet, and not a few seemed desirous of "scrapping it out." But there was no blood shed. One thing is certain the sense of justice which seems to fit the Democratic side of the house is not, fortunately for the country, what is strictly in accordance with equity. The Democratic idea of justice seems to be this: "Here are our maps and figures. They are correct. The Republican statements are false. Accept ours, or fight."

The viewers listened to the statements of all sides patiently and then took all papers and maps. There will be no more hearings until after the viewers report the matter to the court.

A MINER KILLED.

Louis Ringheiser Meets his Death at the Kehloy Run Colliery.

A fatal accident occurred in the mines of the Kehloy Run colliery at noon to-day. Louis Ringheiser, a miner, was the victim. A piece of coal rushed down a chute and tore open the lower part of the man's abdomen.

Ringheiser died at the colliery about an hour after the accident happened. The remains were taken to the home of the deceased in Ringtown this afternoon.

Ringheiser left a wife and child.

THE FIRST NIGHT.

The Free Reading Rooms Thrown Open to the Public.

The reading rooms of the Shenandoah Free Library Association were formally opened to the public last night. The rooms were crowded to overflowing with ladies and gentlemen who were unanimous in their praise of the apartments. Some excellent music was rendered by the choir of the Methodist Episcopal church, under the leadership of J. J. Price, and appreciative remarks were made by Messrs. Ogden, Senior, Estes, Bailey, Reva O'Boyle, Lichtenwainer, Powick and others. A vote of thanks was tendered the Haverford Society of Friends, through whose liberality the rooms have been furnished, and an appeal was made to all present to aid in its support by contributing one dollar each and thereby becoming an active member. The rooms will be open to the public daily, except Sunday, from 7 to 10 p. m. Ladies are invited to avail themselves of its privileges as well as gentlemen.

POLITICAL POINTS.

Local, County, State and National Themes Considered.

Brunon is getting in his work. He has a united party at his back this year and ought to win.

David Martin, of Philadelphia, Senator Quay's friend, is installed at Republican headquarters in New York City as assistant to Chairman Carter, and ex-Senator Platt has been a visitor at the headquarters. This does not look much like the "sulking" in which, it has been so freely predicted, these experienced politicians would continue to indulge. In the Republican ranks just now harmony is spelled with a big H. Candidate Leasig, for Director of the Poor, has been doing some effective campaigning already. He is going to get there with both feet.

A great deal of clerical work is being done at the Republican county headquarters and in a few days all the preliminary arrangements for a hot and effective campaign will be completed.

'Squire Coyle, Republican candidate for the Legislature, is a hard worker and our prediction is that he will have the largest majority of any person ever elected to the Legislature from this district.

J. H. James, Esq., expects to beat his record of a former campaign when he defeated P. M. Dunn for the District Attorneyship. Harry is a hustler and isn't leaving the grass grow under his feet. He makes new friends wherever he goes—and ours he has plenty.

It is predicted that, under the new ballot law the vote in this county will fall short between 1,000 and 2,000.

Senator Kiefer has no fear of defeat this year. His friends of the past will stick as close to him as before.

A PURSE PRESENTED.

Leader Philip T. Evans, of the Combined Choir, Complimented.

Last evening the residents of Wm. Penn, Lost Creek and Girardville, who are interested in the combined choir that competed at Lakeside on the 15th inst. under the leadership of Prof. Philip T. Evans, presented the leader with a testimonial purse. The affair took place on the lawn at the residence of Superintendent William H. Lewis. The choir and Wm. Penn band were in attendance. T. R. Edwards, of Lost Creek, was chairman of the assemblage. Selections were rendered by the band and choir, Miss Annie Cline, of Wm. Penn, gave a solo, and several parties gave recitations. Superintendent Lewis made a few remarks, in which he complimented Prof. Evans on his work with the united choir. He also said that he felt confident that the choir would prove a prize winner next year. Superintendent Lewis then presented Prof. Evans with a testimonial purse of \$100 which had been raised by the choir and its friends. Prof. Evans attempted to acknowledge the compliment, but was overcome, and Rev. Potts made the acknowledgement for him. Refreshments were then served by the ladies of the choir and the Jones family, of Lost Creek, rendered several selections that elicited warm applause. Before leaving for their homes all parties joined in singing "Nearer My God to Thee."

TWO BROTHERS VICTIMS.

Struck and Run Over by an Engine Last Evening.

John and Martin Lynch, brothers, were struck by a P & R engine while walking on the tracks near Mahanoy City last evening. John, who is a married man, had one leg cut off. Martin suffered the loss of two legs. The unfortunate men have relatives in this town. Neither are expected to live.

OPENING OF THE SCHOOLS.

Superintendent Freeman Makes an Official Announcement.

Superintendent Freeman announces that the public schools will reopen on Wednesday, 31st inst.

A meeting of teachers will be held in the High School room on Wednesday morning, at 8 o'clock, sharp.

The superintendent will be in his office Monday and Tuesday, 27th and 28th insts., 9 a. m., to issue tickets of admission to the schools. The office will not be open on Wednesday. 8 25-2t

Special Meeting.

A special meeting of Maj. Jennings' Council No. 367, J. O. U. A. M., will be held in Melley's hall, on Sunday morning, at 11 o'clock, to make arrangements to attend the funeral of our late brother, Harry Whewell, which takes place on above date at Girardville, at 1 o'clock.

Wm. J. James, Councilor, 8 25-2t
