FOR THE GRAND

FALL OPENING

—OF—

**Dives,
POMEROY
Stewart**

OCTOBER 1, '92, THE DAY

FALL OPENING OF

Ladies' Coats,

Misses' Coats,

Children's Overgarments,

There is no season of the year in which we can pride ourselves so fully on our efforts as that of Fall, in meeting with the desires and wants of our many customers. Notwithstanding the great success and large sales of these goods in the past, we do not ever have we shown such an assortment of desirable garments at such low prices.

Dress Goods,

Dress Silks,

Trimmings, Velvets,

In these our counters display all that fashion can produce, varying in price and quality to suit those of large and limited means.

Comforts and Blankets.

The enlargement of our store enables us to carry very large assortments of these goods. Needless to say our many patrons know we are headquarters for Blankets and Woolen Goods.

—On the date of opening we shall have all stocks complete, and take great pleasure in extending an invitation to you all to visit our store, whether you want to buy or not, when you can compare our prices and quality.

FREE { You will please notice that to each purchaser of a coat on Opening Day we give an excellent quality Hair-Mat FREE.

Opening Day, Oct. 1.

**ENTHUSIASM OVER
STREET PAVING**

**SOUTH MAIN STREET PEOPLE
FOR IT.**

EIGHTEEN SIGNATURES SECURED

For the Petition That Will be Presented to Council at its Next Meeting for an Ordinance.

ENTHUSIASM comes from the finger tips of the property owners on the square on South Main street, below Oak. They are completely wrapped up in the street paving movement and thus far not one dissenting voice has been heard.

William Krick and ex-Senator Watson circulated the petition which is to be presented to Council and they say that the work of securing signatures was one of the easiest undertakings they ever had. The people of that section are anxious for street paving, Belgian paving too, and if work will secure it they will get it.

The petition is in the following shape: The President and members of the Town Council of the Borough of Shenandoah:

GENTLEMEN: We, the undersigned property holders on South Main street, between Oak and Cherry streets, most respectfully petition your honorable body to pave the said square on Main street with Belgian blocks and we will hold ourselves responsible for our share of said expense as is provided by law:

M. C. Watson, William Krick,
M. J. O'Neill, D. J. Langton,
W. H. Zimmerman, J. J. Flaney,
Matt. Smarowsky, Joseph Reims,
F. J. Brennan, John Medkalis,
Andrew Stank, Michael Monaghan,
Owen Brennan, John Mahler,
V. R. Shoemaker, R. Stocker,
Sylvester Plappert, Shenandoah Co. Co.,
per J. J. Flaney

Of the six hundred feet of property abutting on the street the petition represents five hundred and ten, or one hundred and ten more than is required by law for Council to act upon. But two property holders have failed to sign the paper, Mr. L. Robbins and Mrs. Holden. The committee has assurances that Mr. Robbins will sign the petition should he visit town before the next Council meeting. Mrs. Holden is at present a resident of Perth Amboy, N. J., and therefore it will be impossible for the committee to see her, but this will in no way delay the matter.

Mr. Watson said yesterday, "Our people are hot for street paving and when we went out it took us only two hours to get the signatures. Yes, we will have the paving before the other fellows, if they don't look out."

Experience of an Ex-Champion. Athletes and men who take ordinary outdoor exercise such as walking, running, bicycle riding, jumping, swimming, tennis, etc., are often the subjects of acute troubles. The experience of an ex-champion walker will be of interest to all who are afflicted. Harry Brooks writes:

"No. 224 E 19th St., New York, Apr. 2, '86."
"Numerous statements relative to the merits of different plasters having been brought to my attention, I take this opportunity to state that I have used Alcock's Porous Plaster for over 20 years and prefer them to any other kind. I would furthermore state that I was very sick with catarrh of the kidneys, and attribute my recovery entirely to Alcock's Porous Plaster."

Colliery Accidents.

Anton Sonowicz, a miner working at the Maple Hill colliery, was severely burned about the head, face and hands by an explosion of gas while at his work last night. He was taken to the Mincers' Hospital this morning.

William Schultz, a Pole, had one of his legs badly hurt by a fall of coal in the Wigan mine to-day. He was brought to his home in town.

FREE OF CHARGE.—Before buying write to Messrs. F. Ad. Richter & Co., 310 Broadway, New York City, for the valuable book, "Guide to Health," and read the endorsements that the "Anchor Palm Expeller" receive at the hands of prominent physicians. 29 prize medals awarded to the manufacturers of this valuable preparation.

The Bloomsburg Fair. The thirty-ninth annual fair of the Columbia County Agricultural Society will open at Bloomsburg on October 11th and continue five days. The exhibition is always one of the leading events in central Pennsylvania.

The Place to Go.

Shenandoah people visiting the county seat (surrounding Pottsville) all call in the Academy Restaurant. Either J. F. Cooney, the proprietor, greets you with a smile, or his genial brother, M. A. Cooney, welcomes you. It is the resort for all gentlemen from north of the mountain. 8-24-92

Fine photos, 60c. per dozen, at Keagys

PERSONAL.

James Conkley spent last evening in Ashland.

Sol. Foster, Esq., of Pottsville was a visitor to town last night.

Jerro Conkley, of Philadelphia, is spending a few days in town with relatives.

Will Grant arrived from Scranton last evening to spend a few days with friends here.

Andrew McKenny, of Kerndon, was in town last evening the guest of T. C. Waters.

H. S. Moore, representing Sparks & Co., of Philadelphia, was the guest of John Costlett yesterday.

Thomas Bellis' daughter, Miss Birdie, is still very ill. Yesterday her condition was quite serious, but was somewhat improved to-day.

A. S. Hollopster has resigned his position at Stein's drug store to resume his studies at the Philadelphia School of Pharmacy. His successor is Mr. Samuel Sutton, of Wilkes-Barre.

DAVID PARRY DEAD.

The Veteran and Ex-High Constable Passed Away This Morning.

David Parry, one of the oldest and best known residents of the town, died at his home on East Line street, at 8 o'clock this morning. Although he had been in a critical condition for many years on account of miners' asthma and was so ill that he could not attend the funeral of his wife on the 10th inst., his death was a surprise to many. Mr. Parry was 67 years of age and was a veteran of the civil war with a good record. He was a member of Watkin Waters Post, G. A. R., of town, and he was distressed when he found that his health would not allow him to accompany the Post to Washington. The deceased became an inmate of the soldiers' home at Erie in the summer of 1890, but last December he returned to town, saying that he had not long to live and wished to die at home. He served in Co. B, 3rd Regt. Pa. Cav. for eight months and about three years ago served a term as High Constable of this borough. The funeral will take place at 1 p. m. on Sunday.

A COOL CULPRIT.

Assaults a Man for Refusing to Give up Money.

Constable Boland took Thomas Bowers to jail this afternoon. Thomas is a young man with a short-iron character, according to the statements of the constable, and has been a frequent lodger at the county jail. Yesterday afternoon he met Jacob Stineburg on West Centre street and demanded money. Stineburg very naturally refused to comply with the demand, whereupon Bowers assaulted him. After pounding Stineburg, Bowers ran out to Coal street and was found in a house at the west end of that street by Constable Boland.

"Are you going to arrest me for a Jew?" asked Bowers.

"No; I arrest you as a would-be thief," answered the constable.

Bowers was unable to secure \$500 bail.

The True Laxative Principle

Of the plants used in manufacturing the pleasant remedy, Syrup of Figs, has a permanently beneficial effect on the human system, while the cheap vegetable extracts and mineral solutions, usually sold as medicines, are permanently injurious. Being well-informed, you will use the true remedy only. Manufactured by the California Fig Syrup Co.

Fresh Norris River Cove Oysters received daily at Costlett's. 9-22-if

Died.

PARRY.—On the 22nd inst., at Shenandoah, Pa., David Parry. Funeral will take place on Sunday, 25th inst., at 1 p. m., from the family residence, 300 East Line street. Interment in the Odd Fellows' cemetery. Relatives and friends respectfully invited to attend. 9-22-92

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

Another Veteran Dead.

Michael McHale, a veteran of the civil war, who was removed from town to the almshouse at Schuylkill Haven on Monday last, died at the institution on Tuesday night and was buried at Minersville to-day.

Rev. C. F. Brooks

Says that his little girl is troubled with malaria very severely, and that since he gave her Sulpbur Bitters, he never thinks of leaving New York for his summer resort without a few bottles, for they always cure his family, and are superior to quinine.

Lane's Family Medicine

Moves the bowels each day. Most people need to use it.

Accidents.

and how to deal with them, and other valuable medical information, will be found in Dr. Kaufman's great Medical Work; elegant colored plates. Send 2-cent stamps to pay postage to A. P. Ordway & Co., Boston, Mass., and receive a copy free.

**THE ELECTRIC
RAILWAY WORK**

**ANOTHER IMPORTANT CON-
SULTATION LAST NIGHT.**

TERMS OF NEW UNDERSTANDING

Agreed Upon by the Street Committee and the Railway Company and Which Will be Submitted to Council.

THE roads and high-ways committee of the Borough Council had a consultation with Messrs. Winters and Yarnell and J. R. Coyle, Esq., representing the electric railway company, on the injunction that hangs fire and the propositions for continuing the construction of the railway down Main street.

The consultation lasted for some time and resulted in an understanding that satisfied both the committee and representatives of the company. The terms upon which the understanding are said to have been reached are these: The street committee is to have the injunction withdrawn, and upon that condition the company will pay the cost and agree to extend its line down Main street to Cherry, paving the track as the work progresses. The company also agrees that as soon as possible after the part of the Main street work is done the Schuylkill Traction Company will tear up the rails now laid on North Main street and replace them with rails laid on stringers so the track can be paved.

This understanding is to be submitted to the Borough Council for its approval and there is some talk of having a special meeting of that body called so that the company may proceed with its work at an early day.

ANNUAL SESSIONS.

The Jr. O. U. A. M. and P. O. S. of A. Gatherings.

Yesterday, at the evening session of the State Council, Junior Order United American Mechanics held at Easton, the following state officers were elected: State Councilor, C. W. Raymond, of Middleton; State Vice Councilor, W. T. Kerr, of Pittsburgh; State Council Secretary, Edward S. Demmer, of Philadelphia; State Council Treasurer, John W. Calver, of Philadelphia; Representative to National Council, P. A. Shaner, of McKeesport; George Hobson, of Philadelphia; John Engl, of Pottsville; and Frank Armstrong, of Menstville.

The National Camp, Patriotic Order Sons of America, convened in the Sons of America hall, Lebanon, at 1:30 yesterday afternoon. National President Clarence F. Huth, of Shamokin, presiding. John Malley, Jr., a Lebanon lawyer, delivered an address of welcome which was responded to by President Huth. The convention was then called to order and the annual address was read. The committee on Credentials reported the names of about 150 delegates entitled to seats, and an adjournment was had.

Sanitary Suggestions.

One of the physicians of town said to a HERALD reporter last night: "I notice that the Chief Burgess and sanitary committee have started upon an inspection of the town's sanitary condition and that they are serving notices on property owners and residents who maintain overflowing cess pools or other disease-breeding pest holes about their premises. But to bring Shenandoah a sanitary condition up to the standard the people must have a Board of Health. Keeping the town in a sanitary condition depends on the successful administration of two distinct bodies, viz. the highway committee and the board of health. The first or highway committee's duty is to keep streets, gutters and alleys in proper condition, to fill up low places, to clean streets and correct defective gutters, and to have sewers constructed on rational, (useful), common sense principles, avoiding scientific nonsense as fallacious in its results, not only in want of proper mechanical construction or its financial demands, but in a want for hygienic success."

Jewish New Year.

The feast of Rosh Hashonah, or the Jewish New Year, was celebrated in the synagogue on West Oak street yesterday afternoon, last evening and this morning, and all the Jewish places of business were closed in consequence of the celebration. Rosh Hashonah, as the Jewish New Year is called, is a time of mutual good will, when all variances are forgotten, for the first day of the new year is the beginning of the ten Penitential days, at the end of which all human beings are supposed to stand in judgment before their creator, and he who seeks pardon for his sins must first forgive those of his fellow beings against him.

The Switchback.

Trains will leave the Switchback depot, March Chunk at follows: 8:40, 10:10, 11:37 a. m. and 1:00, 2:30, 4:35, 5:35 p. m. On Sundays, 1:30 and 2:30 p. m. Leave Summit Hill: 9:40, 11:30 a. m. and 12:35, 1:30, 2:30, 4:35, 6:15 p. m. Sundays, 2:30 and 4:30 p. m.

THE NOTE BOOK.

Some of the Topics That People are Talking About To-day.

The work of replacing the old plank pavement in front of the White street school building with a tar pavement is nearly finished. It is a vast improvement on the old one and ladies who are obliged to travel pass the building need not fear having their dresses torn and pulled from their bodies by nails projecting an inch or two above the planks. It is hoped the School Board will soon be in a position that will justify it in expending some money for also replacing the pavement in front of the Lloyd street building with some material more suitable than planks.

Last July a Pole was beaten by some of his countrymen at Mt. Carmel and his skull was crushed in by rocks thrown at him. The victim was taken to the Mincers' Hospital and died there about a week ago. Capt. Christian, of the C. & I. police, at once put himself in communication with the Northumberland and Columbia county police, and the result was the arrest of three Hungarians who have been identified as the assailants of the deceased. The men are now confined in the Pottsville jail. On Monday Coroner Guldin, of this county, went to Mt. Carmel and had the body of the Pole disinterred. The head was taken from the body and the Coroner is having the skull prepared for use at the trial of the men accused.

The *Manufacturer*, a paper published in Philadelphia, gives some interesting facts concerning the Schuylkill canal. The canal company was incorporated on March 8, 1815, with a capital of \$500,000 and was opened from Port Carbon to Fairmont, 119 1/2 miles, in 1826. The canal had 30 locks 80 feet long and 17 feet wide, and the trench of the canal had a depth of 3 feet and was 38 feet wide. In 1818 it was predicted that it would be possible in time to send 10,000 tons of coal per annum through the canal, but in 1800, 42 years later, the canal carried 1,365,687 tons. The capacity of the boats first put on the canal was 22 to 30 tons each. In 1845 and '46 the canal was enlarged a second time and the capacity of the boats were increased to 180 tons. The railroad war rates eventually caused the canal to succumb and in 1870 the Philadelphia & Reading Railroad Company leased it for 999 years, on condition of its paying three per cent. interest on its preferred stock and one and a half per cent. on its common stock. But in wrecking the canal the railroad company almost destroyed itself. The terms were reduced and the railroad company continued to retain the canal, but in 1885-6 it wanted to return it to the former owners. This offer was declined and the railroad company has since struggled along with the white elephant on its hands, repeated efforts to unload having failed.

About fifty members of the Columbia H. & S. P. E. Co., accompanied by the Grant Band, and delegations from the Phoenix and Rescue fire companies, left town at 7:45 this morning for Hazleton to participate in the state firemen's parade. The weather was very disagreeable when the start was made, but the boys said they believed the sky would clear before they hour for the parade and everything would pass off nicely. A number of our townsmen regretted that the Columbia boys did not take their steamer "Columbia" with them and show the Hazleton people what she can do. The company said there was too much risk in transporting the engine, which was quite a pile.

While waiting for a train to take him to Hazleton this morning Line Director Moskjer, of the First ward, told of some of his experiences in the local fire department. "One night when we were at a fire," said he, "the foreman told me to get the 'slaness'. I started off at a great run, but when I had gone about ten yards I forgot the name of the thing, and as I did not know what it was I was puzzled as to where to look for it. I didn't know whether to go to the hose carriage, or the hose house. Meantime the foreman was yelling for the 'slaness'. I ran another 50 yards and met one of the company with a brass thing in his hands. 'What is that?' I asked. The 'slaness' said he. 'That's what I am looking for,' said I, and I hurried back to the fire with it. 'Another time,' continued Moskjer, 'they made me line director. At the first fire that occurred I was obliged to run up the ladder and get on the roof of the house. After the fire was out I'll be hanged if I could get down the ladder until they carried me. Oh, yes; I'm a fireman.'

PENCIL POINT.

Electric Railway Change.

Heretofore the electric railway cars will leave the corner of Main and Centre streets at 5:30 a. m. daily, and every 25 minutes thereafter until midnight, at which hour the last car will leave.

Speaks for Itself.

Under the management of Edwin G. Maytum, general manager of the Pottsville Home M. A. Life Insurance Company, in the past two years 7,000 policies have been issued. In that brief period the company has paid over 8,000 in claims. Mr. Maytum's management speaks for itself.

For Almost Nothing.

Max Reese has just received a large stock of tablets, writing paper, envelopes, etc., purchased at an Assignee's sale and is selling them at 60 per cent. less than regular prices.
