ELECTRIC RAILWAY DISGUSSED AGAIN

STREET COMMITTEE AGAIN INSTRUCTED.

TO MEET THE REPRESENTATIVES

Of the Road and Make an Agreement for its Extension Down Main to Cherry—Full Power Granted.

At an adjourned meeting of the special meeting of the Borough Council held last Monday night was held last evening to again consider the electric railway question. All the members were present and a general electric sentiment pervaded, although Messrs. Devers and McGuire first insisted upon a strict compliance of the ordinance, so far as the branch running from Chestnut to Centre street was concerned and they voted against the motion that was finally carried.

J. R. Coyle, Esq., appeared for the Schuylkill Traction Company and said that the company was willing to stand by the understanding it had with the street committee, that is, lay the electric road along the two squares south of Centre street in accordance with the ordinance. In addition to this Mr. Coyle said the company would insist upon the enforcement of that understanding.

Arguments on the matter continued for an hour and a half and finally a motion was put and carried. It provided that the street committee be authorized to make an agreement with either the old or new electric railway companies for the extension of the road to Cherry and Main streets and that the committee be invested with the same power as heretofore to either dissolve or procure injunctions.

Messrs. Scheffly, Devers, McGuire and Gallagher voted against the motion, Mr. Scheffly stating that he was not opposed to the road, but he voted against the motion because the Council minutes already covered the ground.

During the evening many pleasantries were indulged in. Mr. Devers spoke for several minutes, during which he stated that there was a point he did not clearly understand, whereupon Mr. Lamb became disgusted and said one of the things Council was badly in need of was a syringe.

While Solicitor Pomeroy was making an address Mr. Scheffly made a remark that caused the Solicitor to retort that the only ordinance Mr. Scheffly wanted passed was one to keep the terminus of the electric road at Main and Centre streets.

All these pleasantries were received good naturedly and with laughter. Representatives of the Main street property owners who have petitioned for street paving were present, but it was concluded to let the matter stand until the regular meeting on Thursday evening, next.

Have you any form of Rheumatic disease? If so a bottle of the genuine imported Anchor Pain Expeller is the happy relief. Try it and be convinced. 50 cents a bottle, at C. H. Hagenbuch, P. P. D. Kirlin, J. M. Hillan and other druggists.

Steadily increasing.

The Shenandoah correspondent to the Harrisburg Telegram says of the soldiers' monument fund: "The EVENING HERALD's soldiers' monument fund is steadily increasing. As the HERALD is one of the cheapest and newest papers in the coal region it should receive the support of every loyal resident of Shenandoah. Editor Boyer's journal is a beauty and in Hon. William J. Watkins he has an able and energetic assistant."

The True Laxative Principle

Of the plants used in manufacturing the pleasant remedy, Syrup of Figs, has a permanently beneficial effect on the human system, while the cheap vegetable extracts and mineral solutions, usually sold as medicines, are permanently injurious. Being well informed, you will use the true remedy only. Manufactured by the California Fig Syrup Co.

Pay Your Taxes.

The County Commissioners have instructed the Tax Collectors to receive personal taxes. If you want to vote at the coming election, pay your taxes before October 8th.

Electric Railway Change.

Hereafter the electric railway cars will save the corner of Main and Centre streets at 5:30 a. m., daily, and every 25 minutes thereafter until midnight, at which hour the last car will leave.

Fresh Morris River Cove Oysters received daily at Colet's.

Coughing Leads to Consumption Kemp's Balsam will stop the cough at once.

OVER SIX HUNDRED. The Soldiers' Monument Fund Continues to Climb Up.

The pledge to the soldiers' monument fund have now stepped over the six hundred dollar mark and from to-day the fund will reach out for the one thousand dollar mark in a very encouraging manner, unless some of the parties interested are very much mistaken.

Assurances are given that one town organization will pledge at least \$50. Let it come, and more like it.

To-day we put Mr. William Kendrick on the list. He pledges \$10 for a street. This means that after official action is taken, and the plans are perfected, Mr. Kendrick will be responsible for more.

To-night Walker, Waters Post, No. 145, G. A. R., will take official action and arrangements for the organization of a committee will soon follow.

PERSONAL.

Martin Braller visited Girardville to-day. Druggist Phillips spent yesterday at Ashland.

Miss Emma Bolich is visiting friends in Allentown.

John A. Nash, Esq., of Pottsville, was a visitor to town this afternoon.

Mrs. Heinrich, of Helena, Montana, is visiting her sister, Miss Sue Fowler.

Mrs. Hutton and her daughter, Miss Lizzie, of Minersville, are visiting friends in town.

Mrs. William A. Keagoy, of West Coak street, is spending a few days with relatives in Philadelphia.

John Weeks, who has been suffering from erysipelas in one of his feet, is able to be about again.

A TESTIMONIAL.

Extended to M. M. Burke, Esq., at His Residence Last Evening.

Last evening the Annunciation T. A. B. band, headed by Messrs. Thomas P. Reilly, Charles J. Quinn, Michael J. Scanlan, Joseph W. Burke, Michael Graham, James Grant, Dennis Margam and Carl Cougan, members of the A. T. A. B. Society, repaired to the Brownsville residence of M. M. Burke, Esq., also a member of the society, to congratulate that gentleman upon his recent admission to the Schuylkill county bar.

The visitors took possession of Mr. Burke's house, the music of the band awakening the neighborhood and attracting a large crowd. A welcome invitation to enter was extended by Mr. Burke. After all were seated in the parlor Mr. Quinn, the president of the A. T. A. B. society, in behalf of the committee, presented Mr. Burke with a handsome and costly diamond ring.

Mr. Burke and his parents, who were present, were taken completely by surprise. The former "braced up," however, and made a graceful acknowledgment of the gift. After refreshments were served the committee and band returned to town.

Richards-Stevensons.

A very pretty wedding was solemnized in the St. Clair Methodist Episcopal church yesterday by Rev. Edward Devins. The contracting parties were James H. Richards, of town, and Miss Mamie Stevenson, of St. Clair. The groomsmen were William H. Waters, of town, and Miss Sarah Barstow, of St. Clair, was the bridesmaid. Mendelssohn's wedding march was played by John Hough, of town. The bride was attired in a cream laced gown and the groom in a conventional black. The bride was given away by her brother, William Stevenson. The ushers were William Super, Charles Short, Nat. Tucker and Joseph Pearson. After the ceremony an elegant repast was served, after which the guests repaired to Walker's hall, where they "tripped the light fantastic" until the wee small hours of morning. The presents were costly and numerous. Among the guests were several residents of Philadelphia, Pottsville, Mt. Carmel, Port Carbon and Shenandoah.

Fall Opening.

To-morrow, October 1st, will be opening day at the store of Dives, Pomeroy and Stewart, the leading dry goods merchants of Pottsville. We refer our readers to their "ad" on the first page of to-day's paper. The success of this firm is due, in a great measure, to the liberal use of printer's ink, and their example, if emulated by several of our home business men, would result in increased patronage to the latter. Place your announcements in the HERALD. Its readers cannot be reached through any other medium.

The Place to Go.

Shenandoah people visiting the county seat (surnamed Pottsville) all call in the Academy Restaurant. Either J. F. Cooney, the proprietor, greets you with a smile, or his genial brother, M. A. Cooney welcomes you. It is the resort for all gentlemen from north of the mountain. 8-24-92

HEISER AND HAWLEY HAVE GONE TO JAIL

GROSS HAS RECOVERED HIS STOLEN HORSE.

OTHER PROSECUTIONS ENTERED

Morgan Jones, of Morgantown, is Minus a Horse and is Determined to Prosecute His Son-in-Law.

THE third chapter of the much talked of horse case was added yesterday. John Gross returned to town with his horse, accompanied by Morgan Jones, of Morgantown, near Nanticoke. As a result of their return Anson Heiser and Henry Hawley, who took Gross's horse, were taken to Pottsville jail this morning.

Morgan Jones is Heiser's father-in-law and he is determined to prosecute the case unless the young men pay him \$100. Gross wants \$50 for the inconvenience he has been put to.

Gross's horse was given to Jones in exchange for another horse, and Jones' "trotter" was exchanged by Heiser and Hawley at Berwick for a horse owned by a gypsy. Jones has been unable to find his steed and was obliged to surrender the horse Heiser gave him, hence his disposition to prosecute.

POLITICAL POINTS.

General Hastings and ex-Congressman Brumm will receive a rousing reception here on Tuesday next.

J. J. Coyle, the Republican candidate for the Legislature in this district, has made a thorough canvass of the district and is sure of his election. He is very popular and makes friends wherever he goes.

The Independent Judiciary Committee have issued an address.

If you want to learn all about wild cat banking go hear Hon. Charles N. Brumm on Tuesday evening.

James B. Leisig, the Republican candidate for Poor Director, feels very much encouraged with his reception throughout the county. He is level-headed and honest, just the kind of men wanted to manage the almshouse.

General D. H. Hastings, the hero of Johnston, will tell our people some plain truths on Tuesday evening next. Let every Democrat who wants to hear something to their interest go to the meeting.

Bourke Cockran has decided to quit speaking. His voice has given out—for Cleveland.

The "Big Four" have been heard from. They are all in line for Harrison and Reid.

A Military Drama.

Washington Camp, No. 205, P. O. S. of A., of town, last evening decided to produce the military drama, "The Drummer Boy; if Saulah," here during the month of December. Mrs. J. A. Guidic, of Pottsville, is agent for the company in this territory. Its production here will no doubt meet with large audiences, as it is acknowledged to be one of the finest military plays on the American stage.

Two Miners Injured

Joe Markiewicz, a Pole, and James Fox, an Englishman, were injured at York Farm colliery, near Pottsville, this morning. The former was injured by a fall of coal and is in a critical condition. Fox sustained internal injuries. They passed through town this afternoon on a Pennsylvania train on their way to the Miners' Hospital.

The Gaughan Case.

The free fight that occurred on Jardin street on August 13th, last, has been recalled by an action taken by the Phoenix Fire Company on Tuesday evening, last. The company expelled Richard Gaughan, the victim of the stabbing by a two-third vote. The trial of Gaughan's assailant, McHale, was to have taken place at the last term of court, but was postponed until the November term.

Finished Their Work.

Messrs. Rudy, Stewart and Klinedinst, the men employed to fresco the interior of the Presbyterian church, finished their work yesterday and left for Watson town last evening, where they have another contract.

Base Ball Social.

The Shenandoah base ball club gave a social in Ferguson's front hall last evening and entertained a large number of their friends. A very pleasant evening was spent.

Accidents.

OUR "WALKER,"

He Tramps All Over Town in Search of News. The public should not lose sight of the fact that Friday nights have been selected for testing the electric fire alarm system. When the bell rings to-night look at the clock and if the hour is seven be assured that the alarm is only a test one.

A novel piece of labor saving machinery is being introduced at the collieries in Lackawanna county and at one of the collieries at which it has been introduced it has displaced five men and two mules. It is called a pneumatic culm conveyor. It consists of a common pipe, through which a blast of air is driven. Into this pipe in front of the blower the culm is let slide and the blast takes it up and conveys it to its destination. By this method culm is taken from the breakers at the rate of a ton a minute and can deposit it a mile away.

At sunset to-day Yom Kippur, the Hebrew Sabbath, or day of atonement begins and will end at sunset to-morrow. During the twenty-four hours every orthodox Jew is expected to abstain from food or water, are also supposed to abstain from wearing shoes. The day, by the Moslem calendar, is the 10th day of the month Tishri and the anniversary of the day the Temple was destroyed, 3,000 years ago, all the synagogues of the country will be filled with worshippers. Impressive services will be held in the synagogue on West O. K. street this evening and all day to-morrow.

I notice quite an improvement in some parts of town, sanitarily speaking, but much remains to be done before the town is put on a good sanitary footing. Housekeepers who throw garbage and slop in the gutters and streets ought to know better, and if they do not, should be taught by arrest and fines. Some people seem to court severe example. Don't throw refuse of any kind on the streets. It breeds disease quicker than anything else. Clean up your premises every day—not once in a year and, occasionally, put some disinfectant where there is any unpleasant odor.

Wednesday evening I noticed quite a number of you folks on the way to the ball which was held in Robbins' hall. They appeared in excellent spirits and looked forward to having a good time, which I am informed, they had. I like young people to enjoy themselves because I was young once myself, but I am opposed to late hours and the habit the young men have in going out of the ball room after each dance for "cloves" (7). When they get a little too much of this spice they are apt to get into trouble, either by insulting their partners, or picking a fight with young men of whom they are jealous. The young ladies should insist on going home at a reasonable hour, and discourage the "cloves" habit.

The police could find plenty to do on the nights when there is a show in town. The crowd of boys that crowd around the theatre and post office buildings should be dispersed early and kept away. Such vulgar and profane language that is heard from boys five years and upwards is enough to make one's blood run cold. Chief of Police Davis should issue orders to have this stopped and I am sure he will do so, now that his attention is called to it.

What has become of the ordinance relating to empty beer kegs strewn upon the highways and byways? A stranger passing through town cannot help having a poor opinion of it. It is some one's duty to have these kegs pounded and sold if not redeemed. The empty beer kegs should go. They are neither ornamental, or useful.

Young men take stock in the free reading room and spend your evenings there.

WALKER.

Speaks for Itself.

Under the management of Edwin G. Maytum, general manager of the Pottsville Home M. A. Life Insurance Company, in the past two years 7,000 policies have been issued. In that brief period the company has paid over 8,000 in claims. Mr. Maytum's management speaks for itself.

"The Boy Hanger."

Young Frank L. Frayne will be seen at Ferguson's theatre this evening in his successful play, "The Boy Hanger," which is replete with startling incidents of life in the far west. As Mr. Frayne is supported by a good company a large audience will doubtless be present.

A New Daily.

The Daily News is a paper just issued at Mt. Carmel. It is bright and new and reflects the ability of R. J. Wilson and T. N. Burke, the respective editor and manager and city editor. Mt. Carmel should feel proud of the paper.

Bang! Bang! Bang!!!

Be on Hand.

Every member of Post 146, G. A. R., should be on hand this evening. The monument question will come up and action taken on it.
