## IN STATE CONVENTION

Meeting of the N. Y. League of Democratic Clubs.

AN ENTHUSIASTIC ASSEMBLAGE.

About Two Hundred Delegates Present—Sketch of the Platform Adopted—Officers for the Next Year—John Boyd Thatcher of Albany Made President.

New York, Oct. 4.—The fifth annual convention of the New York State League of Democratic Clubs was held at Chickering Hall yesterday afternoon. The hall was handsomely decorated with flags and bunting, and on either side of the stage were hung large portraits of the National Democratic candidates.

About 200 delegates were present when President John Boyd Thatcher called the convention to order at 12:40 p. m. In his opening address President Thatcher spoke at length on the main issues of the campaign, and his mention of the name of Grover Cleveland as the standard-bearer of the party was received with enthusiastic applause.

The convention was then organized, with Assemblyman William Suizer as chairman and Edmund C. Stanton as secretary.

A Committee on Credentials and another on resolutions, with Magrann Cox as chairman, was appointed.

While waiting for the Committee on Resolutions to report, Congressman Amos J. Cummings was called to the platform and addressed the convention.

The platform adopted was substantially as follows:

"We firmly believe that tariff revision, as proposed by the Democratic party, is absolutely necessary to the continued prosperity of the country. Our fundamental commercial need is a wider export market, and we believe that only through such a revision is it to be obtained, while at the same time the menacing growth of monopolies will be checked, and the cost of the necessities of life reduced without in any way endangering the security of invested capital or the rights of industrial labor.

"We declare it our opinion that the selfish disregard of all the better principles of government shown by the Foran bill, to which the Republican party is committed, is fraught with the greatest danger to the Republic. The very life of our nation depends upon the continuance of that adjustment between local government and Federal power, which was established by our fathers and guarded by a long and brilliant line of Democratic administrations.

"The Federal administration of Benjamin Harrison is denounced for the burdens it has put upon the taxpayers of the country, and its squandering of the people's money, while contrasted with it is the record presented by the safe and honorable administrations of Grover Cleveland, David B. Hill and Roswell P. Flower.

"We heartily endorse the candidates nominated and the principles announced by the Democratic National Convention at Chicago, and we pledge the earnest support of this League to Grover Cleveland and Adlai E. Stevenson."

The convention then proceeded to the election of officers for the ensuing year. Bartow S. Weeks placed the name of John Boyd Thatcher, of Albany, in nomination as president of the Democratic State League of Clubs of the State of New York, and he was elected by acclamation.

On the nomination of Congressman Charles W. Tracy of Albany county, John H. V. Arnold was elected by acclamation as first vice-president. For second vice-president, Bernard J. Degan of Kings was elected. Herman Ammend, Wm. E. Gross and Hon. Ferdinand Levy were elected third, fourth and fifth vice-presidents of the League respectively.

The other officers elected were: Secretary, Edmund C. Stanton; assistant secretary, Frank E. Johnson of Brooklyn; Treasurer, Hon. Perry Belmont.

## SULLIVAN SICK OF THE RING.

He Denies the Story That He Wants Another Go With Corbett.

New York, Oct. 4.—John L. Sullivan arrived in this city last night. He was asked by a reporter if it was true that he had expressed a desire for another match with Corbett.

He emphatically denied that he had any such intention. He was heartily sick of the ring, he said.

Speaking of the report that he had been drugged during his recent fight, he said that he never was in better condition in his life than when he stepped into the ring with Corbett.

The dispatch which gave rise to these questions was dated from Boston, and in it Sullivan is reported as saying:

"I am saving money now with resolute determination to challenge Corbett to fight again and give me a chance to win back the money that was robbed from me at New Orleans."

"I am not making any direct charges just now but that I was not right I will know."

"After the first round I could see a dozen Corbets, and, as good a man as Corbett is, I don't believe he or any other living can stand up and fight me twenty-one rounds without being hit."

"There was a scheme afoot to break what seemed to the poolroom men a dead sure combination, and I was selected to be thrown down."

**Two Murderers Sentenced.**

## CONNECTICUT ELECTIONS.

Reports from Many Places Where Town Meetings Were Held Yesterday.

BIRMINGHAM, Oct. 4.—The towns of Derby, Ansonia, Seymour and Huntington went Republican yesterday. Derby has been strongly Democratic but the election was carried by the Republicans by 100 majority.

New Milford, Oct. 4.—New Milford threw the largest vote ever polled at a town election, and the Democratic majority was greatly decreased. Washington went Democratic as usual. Roxbury cast a light vote, making a Democratic gain.

New Haven, Oct. 4.—The town elections in this vicinity resulted in little or no change in the political complexion of the town governments. Seymour went Republican and Wallingford is Democratic by a safe majority. In Guilford the Democrats elected first selectman on a local issue, but the balance of the Republican ticket is elected by about 40 majority. The town meeting voted \$15,000 for a town hall. East Haven elected a Republican majority of the Board of Selectmen. The town voted no license by a vote of 92 to 67.

DANBURY, Oct. 4.—The Democrats carried the town election by 700 majority, the largest in the history of the town. They were victorious in every one of the four wards. Three of the wards never were Democratic before and the town has previously been Republican.

ROCKVILLE, Oct. 4.—In the town election here and in Vernon the Democrats made a gain of 457, reducing the Republican majority to 84. The Democrats elected their ticket in Ellington, by an increased majority. The Republicans made small gains in Tolland.

BARTONPORT, Oct. 4.—The town election resulted favorably to the Republicans by the usual majority. Stratford, Birmingham and Naugatuck went Republican, being usually Democratic, while Stamford and Fairfield gave the usual Democratic majorities.

New Britain, Oct. 4.—Last year the town of Orange, in which is located Rock, a popular summer resort, was won by a majority of 36. This year the town goes solidly Democratic and votes for license by a majority of 146.

Norwich, Oct. 4.—The town of Windham, including the borough of Willimantic, elects a Republican town government. Last year it was Democratic. The town also changes from no license to license by 464 majority.

HARTFORD, Oct. 4.—The town election was an exceedingly quiet one. The Democrats elected all their men by majorities averaging about 900, the Republicans taking only such places as are reserved for minority representatives.

New Britain, Oct. 4.—The Democrats won the town election, but with reduced majorities.

MERIDEN, Oct. 4.—The Democrats carried the town election by an average plurality of 450. LeGrand Bevine, their candidate for first selectman, had 555; Herman Hess for town clerk, 693. Only a light vote was polled, the Republicans making no fight.

Norwich, Oct. 4.—The town elections in Eastern Connecticut show a few changes from last year. Preston and Montville, usually Democratic, are carried by the Republicans. Putnam changes from license to no license, and Windham and Stratford from no license to license. Other towns, so far as reported, remain about as last year.

**FOR NINETEEN YEARS.**  
Bookmaker Webster Gets Within One Year of the Extreme Penalty.

New York, Oct. 4.—Burton C. Webster, convicted in the Court of Oyer and Terminer of manslaughter in the first degree for killing Charles E. Goodwin in August, 1891, because Goodwin insulted Webster's common-law wife, Evelyn Granville Webster, and later attempted to brain him with a cuspidor, was yesterday brought up in the court in which he was tried and convicted to be sentenced.

Mr. Howe stepped forward and said that he asked for a new trial on the grounds that the judge had admitted as evidence the picture of Goodwin taken some time before the killing, on the admission as evidence of the alleged and contradictory dying statements, and on the remarks of the judge himself about murder.

The judge denied the motion for a new trial and Mr. Howe took his seat. Webster remained standing with his hands behind him, nervously fingering the rim of his derby hat. The judge then said: "Webster is a Jew who contented you of manslaughter in the first degree. You were indicted for murder of the first degree. I consider that the jury gave you the benefit of every doubt, and therefore I do not consider it my duty to give you a light sentence. I sentence you to nineteen years in Sing Sing prison."

Those in court were surprised that the judge had given him the benefit of even one year. Webster was greatly relieved at getting the one year. He did not expect it. After sentences had been passed he was taken back to the Tombs. Mr. Howe will get a stay pending an appeal of the case.

**FIVE MORE SECURE BAIL.**  
The Chief's Against Homelessers to be Tried Under the Kings Jury System.

PITTSBURGH, Oct. 4.—George Reynolds, John Durkin, William Gaches, David Lynch and Thomas J. Crawford, members of the Homestead Advisory Board, who were under arrest on the charge of treason, have secured bail in \$10,000 each for their appearance at court.

The treason charges will be tried under the Kings jury system, which virtually allows the prosecution to make their own jury.

Attorney Greck for the prosecution says that the Advisory Committee of the Lawrence (the J. J. Mills) will not be arrested on the charge of treason.

G. A. H. was in inspect the Erie.

WATERBURY, N. Y., Oct. 4.—Gov. Flower has gone to Buffalo, from which place, after addressing the Erie State convention, he will start on a trip over the Erie canal to see for himself what repairs are needed. His recent inspection of the "Chippewa canal" convinced him that \$25,000 will be a sufficient appropriation for that waterway, instead of the \$100,000 asked for, and voted by him.

**Child May Send the Captain Pruit.**  
WASHINGTON, Oct. 4.—A cable from Valparaiso says it is semi-officially reported that should Child be invited to attend the New York naval demonstration next spring the Captain Pruit will be sent.

## MOOREHEAD KEPT FAITH

The Young Actor Shot Himself "As Per Club."

HE POSSESSED PLENTY OF MONEY.

No Reason is Assigned for the Act Except That Moorehead Belonged to a "Suicide Club" and That It Was His Turn to Go to the Living Message.

New York, Oct. 4.—The suicide of J. Barlow Moorehead, the young actor who shot himself yesterday, turns out to be a sensational one. He was found dead in his room in the boarding house at 56 West 35th street at 3 o'clock in the afternoon. There was a bullet-hole in his left breast, and on the bed beside him lay a 22-caliber revolver. A picture of his mother lay on the body close to the wound.

A letter addressed to the coroner was opened by that official, who was somewhat staggered at its contents. Here is the letter:

Oct. 3, 1892.  
CORNER OF NEW YORK CITY:  
DEAR SIR—I have committed suicide as per club. Please give verdict to such effect, and oblige. J. B. MOOREHEAD.

The coroner began probing into the matter and learned that Nestor Lenson, an actor, could probably explain the exact cause of the act. Lenson was summoned and told the coroner that there was a suicide club in this city.

Moorehead, he said, was a member, and he also belonged to it. He said that was the reason Moorehead shot himself, and added that the dead man was compelled to do it. In speaking of the workings of the club, Lenson said:

"Each member, on joining, is compelled to fix the date on which they are to take their own life. Moorehead's turn had arrived. By a special rule of the club he was offered a 10-year parole, but he refused to accept it, being determined to keep his agreement."

Mr. Lenson refused to tell more of the Suicide Club, or the circumstances under which Mr. Moorehead had joined.

The coroner will thoroughly investigate the case.

Moorehead was a native of Philadelphia and was possessed of a fortune, estimated at several hundred thousand dollars. He devoted a good deal of time and money in taking theatrical troupes on the road.

**SHOT THE TREASURER.**  
Hold Daylight Attempt at Bank Robbery at Erie, Pa.—Robbers Captured.

ERIE, Pa., Oct. 4.—A bold but unsuccessful attempt at bank robbery occurred at noon at the Keystone National Bank. While treasurer Frank Kepler was fixing up his cash, four young men entered the bank and before he was aware of their presence he and bookkeeper Charles De Liebel were covered by revolvers which appeared in at every window.

The robbers cried: "Hands up, but Kepler undertook to drop behind the counter.

"One of the robbers fired and hit Kepler in the face, inflicting a very dangerous wound.

All four of the robbers beat a hasty retreat, but were run down and are now in custody.

They are young men and give fictitious names. They were heavily armed. They claim to be from New York.

## A CRAZY PRINCE.

The Grandson of Dom Pedro Suddenly Becomes Insane.

VIENNA, Oct. 4.—Princes Peter of Coburg, grandson of Dom Pedro, late Emperor of Brazil, suddenly went crazy yesterday. His room was on the fourth story of the Imperial Hotel. He struck down an attendant and threw up the window preparatory to jumping out.

His shouts attracted a large crowd below. He called out to them that he was the Emperor of Brazil and had been wrongfully deprived of his empire. A policeman summoned a brigade of firemen, who spread nets under the window while three officers went up to the Prince's room.

They entered the Prince's room unobserved while he was shouting to the people below and caught him by the arm before he perceived their presence.

He has been placed under restraint, and probably will be taken to a private asylum.

**Nearly 18,000 Cases in Six Weeks.**  
HAMBURG, Oct. 4.—Official figures published give the total number of cholera cases in the last six weeks as 17,701, of which 7,536 were fatal. The abatement of the plague has been so encouraging in the last three days that less attention is now paid to it than to the starvation and fevers among the poor.

**The Berlin-Vienna Race.**

**PECK MUST BE TRIED.**  
The Motion to Quash the Indictment Denied at Albany.

ALBANY, N. Y., Oct. 4.—The motion to quash the indictment against Charles F. Peck has been denied and he will have to answer the criminal charge.

There was a motley gathering of State politicians, counsel and criminals, in the court of sessions when the Peck case came up for decision as to the quashing of the criminal indictment against Charles F. Peck and Elbert E. Rogers.

Judge Clute presided with Justices Hempstead and Stewart while Edward J. Meegan appeared for Mr. Peck and District Attorney Eaton for the indictment. Mr. Eaton called the case and Judge Clute said:

"The motion to quash the indictment is denied. It is the duty of the grand jury to investigate any alleged offense."

Mr. Meegan then presented a demurrer sworn to by Mr. Peck in which he said that the indictment was illegally found and that there were two counts.

In presenting the demurrer Mr. Meegan said:

"This is presented in entire good faith and I believe it is perfectly legal. Upon that question I desire to look up some points of law and ask a postponement."

The Court—"How much time do you want?"

Mr. Meegan—"I can be ready by Wednesday."

The District Attorney was unable to be there on Wednesday morning and the case was postponed until Thursday morning at 10 o'clock.

**Nations Slow in Responding.**  
WASHINGTON, Oct. 4.—The invitations which the United States Government sent out some time ago to all the maritime nations of the world to participate in the naval display at Hampton Roads next spring, commemorative of the discovery of America, have not been answered with the degree of promptness expected. So far only one nation—Great Britain—has given a positive promise to participate, and only two others have acknowledged the receipt of the invitations.
