Under the management of Edwin G. Maytum, general manager of the Pottsville Home M. A. Life Insurance Company, in the past two years 7,000 policies have been issued. In that brief period the company has paid over 8,000 in claims. Mr. Maytum's management speaks for itself.

Bolkins—"Is young Getherre coming to see Corn this evening?"
Mrs. Bolkins—"No; I saw her fixing on her belt with a pin."

Brown: How's your baby's health, New-pop? Sound, eh?
New-pop: Yes, I sometimes think he's all sound.

NEW WAGONER BUFFET SLEEPING CARS
Will hereafter be run on the Nickel Plate trains Nos. 1 and 2 between Buffalo and Chicago.

Tommy—"Mama, is baby well bred?"
Mama—"Dear me yes, child!"
Tommy—"As well bred as my terrier, Gyp?"
Mama—"Certainly."
Tommy—"Then hold her up by the ears, Ma, and let's see if she'll howl. Gyp don't."

NO CHANGING OF CARS.

Hereafter it will not be necessary to change cars in going from Buffalo to Chicago, or vice versa, as the Nickel Plate will have through train service in both directions. Every through train will be provided with Wagner Buffet Sleeping Cars. See time card.

Inexperienced Young Wife (whose husband has returned home for the first time under the influence of—) "Darling, you are sick. Let me send for the doctor."
Husband (one of the boys)—"No, don't send for my doctor, but if my symptoms don't improve soon send for a snake charmer."

"You have no idea what fools men are!"
"O yes—indeed I have! You don't suppose I've been to Select Boarding School for nothing, do you?"

A Remarkable Boy.

During the exercises by Miss Stack's class before the superintendent and teachers in the High School building this week the attention of the visitors was called to James Schwab, a boy 11 years of age, who has a wonderful gift for spelling words backwards with lightning rapidity. The boy was given a number of words, long and short, and he did not miss one. He spelled "San Francisco" backwards as promptly and rapidly as the word "cat." Words with which he is acquainted are not required. His gift also applies to words that he hears spelled for the first time. The teachers who taught the boy in the lower grades says that he has always had the gift.

Through Train Service.

It is with pleasure that we announce to the patrons of the Nickel Plate that on and after October 17th, their train No. 1 will leave Buffalo daily, except Sunday, at 12 o'clock noon and run through to Chicago, via Erie, Conneaut, Ashtabula, Geneva, Painesville, Cleveland, Lorain, Bellevue, Fostoria, Fort Wayne and Valparaiso, arriving in Chicago 8 o'clock the following morning. Also that train No. 2 will leave Chicago daily, except Saturday at 10:10 p. m. and run through to Buffalo stopping at points named above, arriving in Buffalo at 6 p. m., the following day. Elegant Wagner buffet sleeping cars will be run on both trains. This is an improvement we are pleased to note and one that will be greatly appreciated by the public.

We Don't Believe It.

That Columbus was a bigger man than Washington,
That we will have snow before rain.
That the whole of Main street will be paved this winter.
That we will have a Board of Health.
That there will be a landslide, politically, in favor of the Democrats.
That Grover Cleveland will ever sit in the Presidential chair again.
That there are better towns, for business, in the coal region than Shenandoah.
That the new Water Company will commence work before court decides the injunction case.
That there are worse men in other towns than Shenandoah.

That there is a better "sucker" town in the state than Shenandoah.
That there is a finer Polish or Lithuanian church in the country than the one in Shenandoah.
That there are more Poles, Lithuanians and Hungarians in any town of its size than Shenandoah.
That there is a better governed town, by the police, considering the mixed population, than Shenandoah.

Lamp-chimneys cost so little that we let them go on breaking. We go on buying and grumbling.

What should we do?
Get Macbeth's "Pearl-top" and "Pearl-glass," they are made of tough glass, tough against heat; they do not break in use; they do from accident. They are fine, well made, exact; they fit the lamps they are made for; stand upright; the shade is right; they make a right draught for light; they are uniform. Both bear a label for your protection. Look for it. Be willing to pay a nickel more and stop this constant expense and annoyance.
