It is not the desire of the Executive family to remain in Indianapolis for rest after the fatigue of the journey from Washington.

From the hour when the White House was closed following the death of Mrs. Harrison until the time for opening the mansion.

He was, of course, suffering greatly from the blow that had fallen, no less severe because long delayed and long expected.

The family breakfasted together, and the little ones learned of the great loss they had sustained during their hours of sleep.

They were sadly missed "grandma" in the months that have passed, for above all other joys Mrs. Harrison appreciated the companionship, and care as well, of the children of the household.

Sympathy for Mr. Harrison from All Quarters.

FUNERAL ARRANGEMENTS COMPLETE

A Brief Service to be Held Over the Remains of the White House Mistress To-morrow—Burial at Indianapolis Friday—Only the Members of the President's Official Family to Accompany the Body.

WASHINGTON, Oct. 25.—Although it is the President's wish that there shall be no public or official display in connection with the death of Mrs. Harrison, and the funeral services both here and in Indianapolis will be as simple as the rites of the Presbyterian Church will permit, there are certain ceremonial observances inseparable from the event.

All the Ministers of foreign powers in this city will call personally on the Secretary of State to express condolence, and will subsequently file in writing with him in permanent form the testimonials of their regret.

The Vice-President and Mrs. Morton and the members of the Cabinet and their wives being the official family of the President will, it is understood, go in mourning and will therefore withdraw from all participation in social events for one month.

Following the precedent established in the case of the death of Mrs. Tyler, the Executive Departments in Washington will probably be closed on the day of the funeral ceremonies here.

President Harrison's brother, John Scott Harrison of Kansas City, will reach Washington to-morrow morning and accompany the train to Indianapolis after the services here.

Mr. Carter B. Harrison of Tennessee, another brother, will join the party at Indianapolis. Vice-President Morton will be present at the services in this city.

Over all the government offices and over the hotels and many of the business buildings the flags are at half mast. Two policemen guard the entrance to the grounds to prevent invasion by the curious, but there has been no necessity for their services.

There will be private services in the Blue room of the White House to-morrow morning, conducted by Dr. Hamlin, and services at Indianapolis in the First Presbyterian Church, of which the President and Mrs. Harrison were for many years active members, on Friday.

These will be in charge of Rev. Matthew L. Haines, D. D., who was pastor of the church when the family came to Washington. At the request of Dr. Hamlin, Rev. Dr. Bartlett of the New York Avenue Presbyterian Church, will assist in the services at the White House to-morrow morning.

Dr. Bartlett was pastor of the Second Presbyterian Church, Indianapolis, previous to coming to Washington, and a neighbor of the President's family. At the funeral of the wife and daughter of Secretary Tracy in the White House, Mrs. Harrison was much impressed by the singing of Cardinal Newman's hymn, "Lead, Kindly Light," by the choir of St. John's Church, and often spoke of it. The choir will be present at the services and repeat the hymn.

Arrangements for the funeral train are being perfected by Mr. George W. Boyd, assistant general passenger agent of the Pennsylvania road, acting under the direction of Mr. Frank Thompson, first vice-president. The train will consist of six vestibuled Pullman cars—a composite baggage and saloon car, a dining car, a sleeping car, a compartment car, a private car, and an observation car, in the latter of which the casket will be carried to Indianapolis.

The train will leave Washington at 11:30 a. m. to-morrow, and run on the following schedule: Leave Harrisburg 9:35 p. m., leave Altoona 7 p. m., leave Pittsburgh (first time) 10:30 p. m., leave Columbus 3:45 a. m., arrive at Indianapolis 9:30 a. m.

From the station in the President's home city, which his beloved wife last saw amid scenes of patriotic enthusiasm and friendly welcome when the chief executive and his party were returning from the famous tour through the South and West, the funeral cortege will proceed directly and without delay to the First Presbyterian Church, corner of New York and Pennsylvania streets.

Here Rev. M. L. Haines, the President's pastor, will conduct simple services, attendance on which will probably be restricted to relatives and intimate friends. Leaving the church the funeral procession will wind its way to the beautiful cemetery of Crown Hill, where rests the remains of Governor Oliver P. Morton, Vice-President Thomas A. Hendricks, ex-Senator Joseph E. McDonald, General E. B. S. Canby and Governor Whitcomb.

In this beautiful spot, overlooking the city where President Harrison ranks as a private citizen, the body will be interred with brief and simple ceremony. The exact resting place is being selected by friends of the family in Indianapolis.

It is not the desire of the Executive family to remain in Indianapolis for rest after the fatigue of the journey from Washington. The arrangements for the funeral contemplate an immediate return on their part to the railroad station, the special train to leave for Washington within a short time thereafter.

From the hour when the White House was closed following the death of Mrs. Harrison until the time for opening the mansion.

After breakfast the President retired to his room as did the ladies. Mrs. McKee and Mrs. Dimmick, upon whom the greater portion of the burden of the illness of Mrs. Harrison has fallen, were feeling the effects of the long strain they had undergone, and therefore sought rest and quiet.

They are in no other wise the worse, and will be able soon to resume the wonted duties of life. The ushers were early required to receive the cards of callers who came with messages of condolence, or on business connected with the sad event.

Among the first to arrive was Rev. Dr. Hamlin, the President's pastor; Attorney-General Miller, Secretary Tracy, Postmaster-General Wanamaker and Assistant Secretary of War, Grant, who remained some time in consultation with Private Secretary Halford and Mr. McKee.

Mr. R. A. Parke, District Passenger Agent of the Pennsylvania railroad, who was consulted with regard to the transportation of the funeral party to Indianapolis, was also among the early visitors. Mr. Mitchell Herbert, Charge d' Affaires at the British legation, was among the first to leave a message of condolence.

Emperor William was represented by Baron Clemens von Ketteler, Charge d' Affaires at the German legation; and the sympathy of President Carnot was extended by M. Jules Douville, chancellor of the French legation, M. Maurice Depes, its secretary, and M. Taubaut, French consul in Washington.

Other diplomats to leave cards were Ye Chia Yun, Charge d' Affaires of Korea; Cayetano Rosero, Charge d' Affaires of Mexico; and Miss Omeroy, Minister Tateso of Japan and his wife; Salvador Mendonca, the Brazilian Minister, and Dona Mendonca and Morditch Effendi Norghyan, secretary of the Turkish legation.

With the great flood of notes and cards came a comforting message from ex-Secretary Blaine and Mrs. Blaine, who returned to Washington, Monday night to the big red house within little more than a stone's throw of the Executive Mansion.

A great number of telegrams conveying messages of sympathy and sorrow have been received at the White House from all parts of the country. They have not yet been brought to the notice of the President, and none will be made public until he has been made acquainted with them. One of the first came from Mr. and Mrs. Cleveland.

The casket selected for Mrs. Harrison's interment is of cedar covered with black cloth and oxidized silver bars along the side and across the ends. On its top will be a silver plate bearing the inscription: "Caroline Scott Harrison, wife of Benjamin Harrison," and the date of Mrs. Harrison's death.

Message from the Pops. CHICAGO, Oct. 25.—The following telegram has just been sent from this city: "To President Harrison, Washington, D. C. 'The Pope, through Cardinal Rampolla, sends you heartfelt condolence in your present affliction. CARDINAL GIBSON.'"

THE DISASTER NEAR SPOKANE

Seven Were Killed, Five Fatally Injured, and Others Hurt.

SPOKANE, Wash., Oct. 25.—An accident on the construction line of the Great Northern road Monday resulted in the death of seven men, fatally injuring five and seriously injuring six others. The dead are: John Leonard, conductor, of St. Paul; John Johnson, James Wright, Daniel Waksaux; Nels Nelson, J. Brady, A. Olsen. The fatally injured are: J. Gilman, J. Robertson, G. Nelson, J. J. Cambell, J. Liville. The seriously injured are: George Nelson, Charles Anderson, Robert Anderson, A. Maxwell, C. James, Henry Payne. All are laborers, except Conductor Leonard.

When the second span was reached the false work under the bridge collapsed, and the truck matching, together with two carloads of ties and three cars loaded with rails, fell into the river, sixty feet below. The men were thrown in every direction and some of them buried under ties and rails, with the above result.

The Steamer Britannia Beached.

HALIFAX, N. S., Oct. 25.—The steamer Britannia, of the North Atlantic line, composed of New England capitalists, from Boston for Halifax, struck yesterday on Race Horse shoals, off Cape Sable. She came off soon afterwards, but was so badly damaged on the bottom that she was beached in Harrington Bay to prevent her from sinking. The passengers and crew were safely landed. The Britannia is considered one of the finest vessels of her size afloat. She is 2,000 tons register and cost over \$300,000.

Narrow Escape of Children.

ASHBURY PARK, N. J., Oct. 25.—The dwelling houses of Mary Brown and Harrison Schanck, on West Ashbury Park, were destroyed by fire last evening. The inmates in the houses asleep at the time were aroused and all got out safely, although there were some narrow escapes. Most of them were children, who had been put to bed while their parents went to town to attend a political meeting. The fire was caused by the bursting of a kerosene lamp.

The Engineer Had No Orders.

PHILADELPHIA, Oct. 25.—Train Despatcher Rupp, at White Falls Station, says that neither the engineer of the coal train nor himself is responsible for Monday's accident. He says the engineer had no orders, that coal trains always run without orders, and that the crew of this coal train were new to the road, only having been running for a few days past, and probably did not know that the express was running south on the north-bound track.

A Phenomenal Railroad Run.

BUFFALO, Oct. 25.—The Empire State express broke the railroad record for fast running between Buffalo and Rochester yesterday. The train left Rochester 99 minutes late and made 10 miles at the rate of 95 miles an hour. The entire run to Buffalo, 69 miles, was made in 71 minutes. The run is phenomenal, for the grade at Byron is the steepest on the road.

WITH THE POLITICIANS

Notes and Opinions from Party Headquarters.

THE ALBANY FACTIONAL FIGHT.

Reported that the Democrats There Are to be United—Senator Hiscock on the Situation—Tammany's Big Demonstration Last Night—Other Campaign News.

New York, Oct. 25.—Lieut.-Gov. Sheehan has some important and interesting news from Albany. The fight between Judge D. Cady Herrick and the regular Democratic organization over the candidates for Assembly is to be compromised, and there will be only one Democratic candidate in each district of the capital. The fight at one time threatened to give the Republicans the four Assemblymen from Albany.

Sergeant-at-Arms Redmond, of the Assembly, and other Albany men, who were at State headquarters, said that two propositions of compromise had been made and that one or the other would certainly be accepted. The real fight is in the First and Fourth Assembly districts of Albany, where Judge Herrick has named candidates in opposition to those of the regular Democratic organization.

The plan of compromise likely to be accepted is to take down both candidates in each district and substitute new candidates, who shall be acceptable to both factions. The other proposition is to let Herrick have the candidates in two districts and the regular organization name the men in the other two. This would insure only one set of candidates and the election of four Democratic Assemblymen.

The news that the fight is to be settled is very gratifying to Lieut.-Gov. Sheehan, Judge Herrick has caused the State Committee no little trouble in Albany county. When the Resignation bill was before the Legislature, Judge Herrick threatened to defeat it unless Albany county got four Assemblymen, instead of three, as at first proposed.

He got the four Assemblymen, and then he joined the anti-snapper movement, and has since been working in opposition to the State committee. The next Legislature will be too close to take any chances of losing an Assemblyman by a factional fight, so a compromise in Albany county was urged by the members of the State committee.

Among the callers at Democratic State headquarters were Senator Nichols, of Syracuse, State Committee-man Pat Maloney, and James B. Lyons, of Albany. They all brought cheering news of the outlook up the State. Chairman Edward Murphy, of the State Committee, is still in the city and had a conference with Senator Hill, who is at the Hotel Normandie.

When Senator Hill returns from Virginia next week he will begin a tour of this State, making speeches at a number of points in the interior. He will speak next week at Port Jervis, Hancock, Syracuse, and other places to be agreed on later.

TAMMANY'S BIG DEMONSTRATION.

A Dozen Meetings at Once—Senator Hill Speaks in the Wigwag.

New York, Oct. 25.—Tammany gave a gigantic object lesson last night and showed how political demonstrations ought to be conducted when run on the broad and expansive methods peculiar to these braves. One huge mass meeting was held extending from Broadway and 14th street to the east side of Third avenue and 14th street. Yet it was so arranged that though one harmonious whole no less than a dozen meetings were running at the same time. There was an attendance of at least 20,000 people. Dense crowds clustered around the several hustings.

Tammany Hall was packed. Gov. Flower presided at the meeting here and Senator Hill was the orator. He was enthusiastically received. Lieut.-Gov. Sheehan, General Daniel Sickles and Congressman Amos J. Cummings also spoke. A number of overflow meetings were addressed by Commissioner Gilroy, State Senator Kosch and others.

Withdraws from the Ticket.

JAMESTOWN, N. Y., Oct. 25.—Daniel F. Toomey of Dunkirk, the Democratic nominee for Assembly in Chautauque county, has sent to County Clerk Albro, a notice of his withdrawal from the county ticket and directing that his name be left off the official ballot. Mr. Toomey is the recognized Hill leader in Chautauque county.

Candidate Stevenson Hopeful.

New York, Oct. 25.—Democratic Vice-Presidential candidate Adlai Stevenson arrived in this city last night. He will remain here several days and will speak to-night in Brooklyn. He speaks encouragingly of the North and South. Michigan, he says, will give the Democrats six electoral votes, and Alabama is sure to go Democratic.

Mr. Cleveland is Confident.

OMAHA, Neb., Oct. 25.—Major Dennis of this city, an old-time Democrat of New York, has an autograph letter from ex-President Grover Cleveland, who writes: "Those who are well informed on the situation have no apprehension as to the outcome in New York. I know of no Democrats who are not enthusiastic and confident."

A Republican Parade Abandoned.

New York, Oct. 25.—The parade of the Business Men's Republican Association which was to have taken place next Saturday, has been abandoned on account of the death of Mrs. Harrison. Resolutions were adopted at a meeting of the association expressing sympathy with President Harrison in his deep affliction.

Declines the Nomination.

GLENS FALLS, N. Y., Oct. 25.—Wm. H. Faxon, the Democratic nominee for Member of Assembly in Warren county, is out with a letter declining the nomination, and has filed his declination with the County clerk.

AT REPUBLICAN HEADQUARTERS.

Senator Hiscock and Chief of Emory Smith Speak Hopelessly.

New York, Oct. 25.—At the National Republican Headquarters business is practically suspended owing to the President's bereavement. The building is draped, a flag hangs at half mast and all members of the committee at headquarters have telegraphed expressions of sympathy to the President and his family.

Among the most prominent of the callers at the Republican Headquarters yesterday were ex-Gov. P. C. Cheney of New Hampshire, Senator Hiscock of New York, Hon. J. A. Scranton and Senator Quay.

Senator Quay had a long conference with Lieutenant Carter, General Clarkson, Secretary McComas and Mr. Manly. The subject discussed was the situation in New York. Every phase of the campaign in this State was taken up, and Mr. Quay gave his views fully, making numerous suggestions as to what ought to be done to get out the full Republican vote.

Senator Hiscock, speaking of the situation in New York, said: "I have been in different sections of the State, and the interest seems to be increasing everywhere. In my judgment we are going to poll a full Republican vote. Things look fully as well in the rural districts as they did in 1888, and the large registration is in our favor."

Charles Emory Smith, editor of the Philadelphia "Press," says: "I am more familiar with the situation in New Jersey and Delaware because I have spoken a number of times in each of these States. There is no apathy among the Republicans in these States, and there may be more surprising results in the election than a Republican could have ventured to prophesy. I have found that the Republicans are thoroughly alert and making a fight to win."

A MYSTERY CLEARED UP.

Emily Healy, Missing Since January 1, Was Found to Death.

PENNSYLVANIA, N. Y., Oct. 25.—The mystery surrounding the disappearance of a young girl from this city last January, has just been cleared up by the finding of her body in a hollow stump two miles south of Fredonia. On the first day of last January Emily Healy left the home of her sister, with whom she had quarrelled over a young man whose company Emily had been keeping, and since that time no trace of her had been discovered. On Monday her body was found as stated, the flesh entirely gone from the bones, and the only means of identification being the color of her hair and the filling of a tooth.

The coroner held an inquest and rendered a verdict that the girl came to her death by freezing. It is supposed she was trying to make her way to her mother's home at Arkwright.

Mrs. Bennett's Peculiar Death.

BROOKLYN, N. Y., Oct. 25.—Mrs. Ambrosia Bennett, 70 years old, of Kirkwood, met a peculiar death yesterday. The postmaster was removing her to the county house in this city. The horse became frightened and ran away, and the driver turned them into a farm yard toward a cherry tree. One limb of the tree is bent down and is sharpened to a point. As the wagon entered the yard it careened upon two wheels, elevating the side occupied by Mrs. Bennett so that the pointed limb was forced through her temple. She lived but a few hours.

Dalton Will Sue Coffeyville.

COFFEYVILLE, Kan., Oct. 25.—Will Dalton will bring suit against the city of Coffeyville for damages, basing his claim on the alleged rifling of the pockets of the Dalton gang of bandits after they were killed. According to Will, Emmett will be defended by Senator Voss, of Missouri, who, he alleges, has proffered his services free because of a long-standing friendship for the family. Emmett is improving, and will recover.

Eloped With Three Telephone Girls.

CHICAGO, Oct. 25.—George D. Simmons, for 14 years an employe of the Chicago Telephone company, has eloped with three telephone girls. They are sisters named Leyden. Simmons left a wife and family. The girls lived for some time in a flat on Twenty-fourth street. Mr. Simmons, it is said, visited the sisters quite frequently.

Confessed to the Robbery.

NEWBURGH, N. Y., Oct. 25.—Six weeks ago the bill of the steamer Newburgh was robbed of \$600. A young man was arrested on suspicion, but was finally discharged. George A. Lawrence, the freight clerk, aged 21, was yesterday arrested on the charge. He weakened and confessed all. He is in jail here.

The Boss Will Probably Die.

NEWTON, Mass., Oct. 25.—In the police court John Halloran, 75, was held in \$12,000 bail to appear before the court on Nov. 6. Halloran assaulted John Foster, a boss in the paving department, with a pebbles handle, fracturing his skull. There is little hope of his recovery.
