IT WAS A WEAR RALLY!

CLOSING DEMONSTRATION OF THE DEMOCRATS.

SEEMED TO LACK ENTHUSIASM

The Attendance Was Not What Had Been Expected, Which Was Probably Due to the Late Opening.

JOHN J. COYLE,
Republican Candidate for Legislature in the First District.

HE Democrats closed their campaign in town Saturday night by holding a rally in Ferguson's theatre. The attendance was not near as large as was expected, although quite a number were present.

The lateness of the hour at which the meeting started (8:30) and the cold weather might have had something to do with the attendance. It was not pleasant weather for the people to stand upon the streets and no doubt a large number went to their homes before the meeting started.

C. J. Quinn called the meeting to order and when nominations for Chairman were called almost every tenth man in the audience seemed to have a favorite. J. J. Franey was selected and before introducing the speakers he made what some of the auditors declared was "a rattling address" against Hon. John W. Ryan. Mr. Franey certainly made no bones about the matter and made a strong appeal for Judge Peshing, the regular Democratic candidate.

Congressman Reilly was the principal speaker of the evening. He spoke over an hour and devoted most of his time to a discussion of the tariff question. He made but slight reference to his opponent Hon. C. N. Brumm and said his reason for not accepting that gentleman's challenge for a joint debate were that he had other engagements at the time and he wished to manage his own campaign.

The next and last speaker was Prothonotary S. C. Kirk, who confined his address to a discussion of the county ticket and strongly urged the election of the regular Democratic ticket.

By the time Mr. Kirk concluded his address the hour had grown so late that comparatively few people remained in the hall, and to say the least the meeting was far less enthusiastic than it should have been for a closing rally in a Democratic town.

A BUGABOO.

Beware of the "Patriotic League" Scare Crow.

To-day, just on the eve of the election, this town and the surrounding districts were flooded with circulars purporting to have been issued from "Headquarters Patriotic League" and raising the question of non-sectarian schools in an argument favoring the election of James Patterson to the Legislature.

The circular is only part of a scheme to defeat J. J. Coyle, the regular Republican nominee.

The circular has been compiled, printed and distributed at the expense of the Democratic campaign fund.

It is repudiated by the honest Republican voters of this town, who can see and know that it is one of the last desperate measures of the Democratic party to detract Republican strength from John J. Coyle and thus increase the chances of Reilly, the Democratic candidate.

Beware of tales concerning Coyle. The Democrats are resorting to schemes of all kinds to hurt him and praise Patterson, not that they wish to elect the latter, but to increase Reilly's chances.

A Complaint.

EDITOR HERALD:—I wish to call the attention of the Schuylkill Traction Company that its orders are not being carried out and the public is suffering much inconvenience as a result. The company announces that its last car leaves the corner of Main and Cherry streets. The other night the last car ran down to the corner of Main and Lloyd streets and then started back for Girardville, despite the fact that people were waiting for it at Centre, Oak and Cherry streets. By running after the car, and through the kindness of the police, who caused the motor man to put on brakes, some of these people managed to get on board, but a number were left behind and were obliged to stay in town over night with friends and at hotels. It is not my intention to cause the discharge of any employe. My object in writing is to induce the company to make a reprimand and take steps to see that such a thing does not occur again.

JOHN J. COYLE,
Republican Candidate for Legislature in the First District.

FROM OUR NEIGHBOR.

What the People of Mahanoy City are Doing.

MAHANAY CITY, Nov. 5.—The high tide of politics has subsided. From present indications Messrs. Brumm and Koch will receive large majorities here and John J. Coyle will overwhelmingly defeat his opponent, notwithstanding the fact that a few disgruntled politicians are strenuously, although ineffectually, exerting themselves to prevent his re-election. No candidate ever placed on the Republican ticket is more entitled to the entire support of his party than is the bright, intelligent, energetic and invincible Coyle. Mr. Coyle's work in the First ward is simply marvelous and, although false rumors and accusations are being employed by prejudiced political bosses to detract the appreciation of his many admirers, he will receive from this town a surplus vote that will overcome those who are disposed to harken into the counsel of the ungodly. The workmen will give him hearty support. They have recognized in him a man qualified to represent their interests and a speaker better than nine-tenths of the lawyers in Schuylkill county.

The Young Men's Republican club intended to go to Hazleton Friday night, but the inclement weather prevented them. The club will go to Wilkes-Barre on Monday night, however.

The Water Company has restricted the use of water at the Vulcan colliery to two inches daily. The sentiment in favor of public water works has led the Borough Council to take action and a committee has been appointed to make preparations to submit to the people at a special election the question as to whether or not public water works shall be established. It is thought the works can be constructed for \$120,000.

The other candidates create very little discussion. All agree that J. Harry James will be our next District Attorney.

James Mudenford is visiting relatives in Akron, Ohio.

Abe, Lattimore and Joseph Seligman have returned from the Alleghenies with a pretty fawn.

Mrs. J. Trevelia is lying seriously ill with an inflammatory affliction.

Mrs. George W. Siltzer received a paralytic stroke on Thursday evening and will hardly recover.

MR. PATTERSON, the Prohibition candidate, is said to be claiming that he is an independent Republican. Don't let him deceive you. He is really an assistant Democrat, and if Reilly should be elected you may expect to see him unmask on Wednesday.

After the Election
More attention will be paid to other matters.

People will shake hands and try to forget they ever differed.

The fellows who will lose bets will be sorry they did not bet the other way.

The wife will expect her husband to remain home at nights for the rest of the winter.

Those who have been sawing wood and saying little will do all the crowing.

The "I-told-you-ses" will be numerous and make themselves conspicuous.

Beware! Beware!
A circular has been sent to every Protestant Republican in this district requesting them to vote for Patterson for the Legislature against Coyle, on account of the school question. Don't take any stock in it. It is a Democratic dodge.

In Olden Times
People overlooked the importance of permanent beneficial effects and were satisfied with transient action, but now that it is generally known that Syrup of Figs will permanently cure habitual constipation, well-informed people will not buy other laxatives, which act for a time, but finally injure the system.

A vote for Patterson is half a vote for John J. Reilly.

A single trial of Dr. Henry Baxter's Man-Drake Bitters will convince any one troubled with costiveness, torpid liver or any kindred diseases of their curative properties. They only cost 25 cents per bottle. Im

GIRARDVILLE GLEANINGS.

A Newsy Letter from a Wide Awake Correspondent.

We have many huntsmen here and some of them have met with very good success. J. E. Baruhard, C. W. Wagner, James Davis and Elmer Heckler, watchman at the Girard Estate reservoir, spent yesterday hunting at Girard Manor. They returned in the evening with eight quail, five pheasants, two rabbits, a squirrel and an owl.

The Methodist Episcopal Sunday school is making arrangements to hold a "Thanksgiving" supper on the 24th and 25th inst. in Armory Hall, and expects to give its friends a pleasant time.

Girardville is also suffering for want of water and is on an allowance of four or five hours a day. Yesterday the water was cut off at 11 a. m. and the gas works and Eberle & Bliss overall factory was thrown idle in consequence.

E. F. James, of the firm of James & Wilde, proprietors of the Hazleton steam laundry, paid a visit to his agent, J. B. Abrams, of town.

The Boston Comic Opera Company, with a cast of thirty-five people, will be the attraction at the Palace theatre for three nights beginning November 10th. The engagement will open with the "Mascot" Friday night, "Bobolink Girl" Saturday matinee, "Pinafore" Saturday night, "Nanon." The prices will be 15, 25, 50 and 60 cents. The theatre will no doubt be crowded each performance.

Nov. 5th, 1892.

A vote for Harrison, Brumm and Coyle is a vote for protection and prosperity; a vote for Cleveland and the two Reilly's is a vote for free trade, industrial depression and low wages. Which do you want?

RAILWAY TID-BITS.

Synopsis of Movements in Electric Railway Matters.

Hereafter the fare from Shenandoah to Girardville will be five cents.

Two new cars arrived on Saturday. They were transferred from the Lehigh Valley flat cars to the electric tracks at the Cherry street siding.

Objections to the trestles at the St. Nicholas crossings have been withdrawn by the P. & R. company.

The Mahanoy City people are anxious for the road to be opened and the amusement managers pin their faith on the prospect. They will not be disappointed.

The newspapers say there is a great scramble for positions on the Mahanoy City branch.

The electric road to be built from Mauch Chunk to Lehigh and Watsport will eventually be extended to Slatington. In time there will be a direct electric railway route between Mauch Chunk and Bethlehem.

Twelve thousand cubic feet of masonry will be required for the new power house for the Carbon county electric railway.

It is rumored that work on the Tamaqua Lansford electric road will commence in the spring.

The Switchback railroad at Mauch Chunk has suspended operations for the winter.

If the Reading Railroad Company re-opens the Schuylkill canal, which will probably be done to relieve the overtaxed road, Schuylkill Haven and Port Clinton will again be lively towns.

DISCARD your political prejudices for a day and vote for your own interests and advancement to-morrow.

Electric Railway Bulletin.
Hereafter the electric railway cars will leave the corner of Cherry and Main streets at 6:30 a. m. daily and every 20 minutes thereafter until midnight, at which hour the last car will leave for Girardville. On Monday, November 7th, 1892, the fare for any length of ride between Shenandoah and Girardville will be reduced to five (5) cents.

To vote the full Republican ticket place a cross mark in the square to the right of the word Republican, thus:

REPUBLICAN X
Wherever the word Republican appears on the official ballot.

THE REPUBLICAN RALLY

A MEETING IN FERGUSON'S THEATRE TO-NIGHT.

THE FIRING OF THE FINAL GUN.

Hon. Charles N. Brumm, the Champion of the Workingmen and Protection, will Speak in Ferguson's Theatre.

CHARLES N. BRUMM,
Champion of the Workingmen and Protection.

TO-NIGHT the last gun of the Republican campaign will be fired. Hon. Chas. N. Brumm, the Republican candidate for Congress, and John J. Coyle, the Republican candidate for Legislature, will be present at the meeting, which will be held in Ferguson's theatre, and try to convince the people why they and the whole Republican ticket should be elected in preference to the Democratic party.

All voters who wish to hear a fair, honest and intelligent discussion of the issues of the day, national and local, should not fail to attend this meeting.

Mr. Brumm is the workman's champion and one of the most able speakers in the country. He comes here to-night upon the earnest solicitation of workmen who were unable to hear all he had to say when last here.

Remember that the meeting will be held in Ferguson's theatre to-night, at 7:30 o'clock.

John J. Coyle, an able, intelligent young man who will make an admirable representative of the people in the Legislature, will also make an address.

FAIR WARNING.

The Police are Threatening to Make a Raid.

For several months there have been unsavory rumors concerning a place on West Oak street and while people have been quite liberal in expressing their views on the matter they have been quite unable to respond to the call of time when the authorities asked for proof upon which to base some action. Now, however, the hour for action seems to have arrived and it is expected that there will be a sensation ere long.

The police say that cases of the kind in which this rank is very difficult to handle as it is hard to get proof and the right kind of proof, but through patient and careful work they have succeeded in gathering sufficient evidence to warrant action of some kind and unless the parties complained of desist there will be a raid.

Chief of Police Davis and two of his assistants said last night: "The crisis has come and we cannot hold off much longer. It is only on account of the respectability of the families of the men who are mixed up in the matter that we have held off until now, but if they do not heed the warning we give and immediately desist we will have to act, let the consequences be what they may to the innocent or guilty."

If you want to vote intelligently to-morrow, go and hear Brumm to-night.
