AN EXTRA SESSION-

Talk About Convening the Lower House Immediately After Inauguration.

WARHINGTON, Nov. 11 .- Among the immediate consequences of the vertict at the polls the strong probability of the Fifty-Third Congress being called in extra session immediately after inauguration is already discussed here.

An extra session of the Senate is always called at the beginning of a new administration, to confirm the Cabinet officers and the new diplomatic represen-tatives of the United States abroad. But the present election having turned on questions of domestic policy, it is obvious to experienced political leaders of all parties that an extra session of both bouses of Congress will almost inevitably

Boston, Nov. 11 .- "Is it true that President Harrison talks of taking up his residence in Bostons" asked a reporter of J. R. McKee, the President's son-in-law.

Both Sides Claiming the State-Official Count May Have to Decide.

COLUMBUS, Nov. 10 .- A telegram from Bellaire states that Col. Poorman, the Republican candidate for Congress in the 16th district, concedes the election of A. I. Pearson by a piurality of 200. In the Ninth, or Toledo district, the result is still in doubt, the democrats claiming the election of Byron Ritchie by four votes, and the Republicans maintaining they have elected ex-Gov. Ashley by plurality. The official count will be necessary to decide the contest.

Aside from the Toledo district each party is now sure of ten Congressman from this State.

A gerrymander last winter was supposed to give the Democrats but six mem-

The Democrats who have been elected in what were counted as Republican disin what were counted as Republican districts are: M. D. Harter, in the 14th, who overcame a nominal Republican plurality of 1,800; A. J. Pearson, in the 16th, who was confronted with a supposed Republican plurality of about 1,800; George P. KANSAS FOR WEAVER.

No Doubt But That the Populist Electors Have a Plurality.

TOPERA, Nov. 11 .- The People's party, assisted by the Democrats, have certainly elected the Weaver electors, the entire State ticket, and the Congressmen-at-Large by a majority of at least 4,000. This is practically conceded by the Re-

publicans this morning.

The Republicans have elected Case Broderict in the First district, E. H. Funston in the Second, and Charles Curtis in the Fourth.

The Populists have elected T. J. Hud-son in the Third district, John Davis in the Fifth, W. M. Baker in the Sixth, Jerry Simpson in the Seventh, and A. W.

Harris at large.

In the Legislature the Populists have elected 23 Senators and the Rapublicans 17. In the House the Populists have 55, Republicans 65, and Democrats 2. two Democrats are pledged to vote for the Republican candidate for United States Senator, having been elected with the aid of Republicans. This gives the Republicans a majority of three-you joint ballot, and insures the election of a Re-publican to succeed Senator Bishop W.

The strike of freight handlers has at last affected the business of the mer-chants to a serious extent, but the railroad officials have taken a very firm stand and have given the strikers notice that they must return to work at once or lose their places.
