### THE THEATRE.

Bookings That Have Been Made for Ferguson's Theatre.

"Underground," a story of the mines, will be seen at Ferguson's theatre to-morrow night, November 17th. The play depicts life in the coal regions of Pennsylvania in a true and realistic fashion. It is meeting with great success throughout the Wilkes-Barre region. The company is a strong one carrying a car load of special scenery and costumes.

### "LOST IN LONDON."

It is hard for old theatre-goers to conceive that so much could be made out of Walter Phillips' play, "Lost in London," as Newton Beers has done. The old play has lost none of its sweetness or strength by its elaboration in Mr. Beers' hands, and the performance of *Job Avroyd* by the star is one which deserves to rank with best of revived parts. Mr. Beers as a dialect actor is without an equal in America to-day, and *Job* is a role which shows him at his best. His company, although not brilliant, is an even one, and the play is given with a smoothness which is deserving of great praise. "Lost in London" will be produced in Ferguson's theatre on Friday evening, Nov. 15th.

### In Olden Times

People overlooked the importance of permanent beneficial effects and were satisfied with transient action, but now that it is generally known that Syrup of Figs will permanently cure habitual constipation, well-informed people will not buy other laxatives, which act for a time, but finally injure the system.

A single trial of Dr. Henry Baxter's Mandrake Bitters will convince any one troubled with costiveness, torpid liver or any kindred disease of their curative properties. They only cost 25 cents per bottle.

### A Good Chance.

A man having hotel experience can secure a hotel in one of the best places in Schuylkill county that is doing a good business, but can be made a better paying place if properly conducted. The business has suffered through the illness of the tenant, who must retire from business. The hotel is an excellent one for summer and winter boarders. The owner will sell the place cheap and on easy terms, or will rent to the right party. Sale preferred. Address "Hotel," HERALD office, Shenandoah, Pa.

The new building of the Washington Hose Company adds greatly to the appearance of the west end. It will be remembered that the former building, which was of brick, owing to the settling of the earth, was so badly damaged that it had to be torn down for the safety of the neighborhood. This occasioned the present frame structure to be erected. The "boys" are sparing no expense in beautifying their building and after completion it will be a credit to its many members.

The drama, "A Box of Monkeys," which was produced in the Odd Fellows' Hall by a number of young ladies of Mt. Carmel, was a decided success. Prof. Johnkavski's orchestra, of Mt. Carmel, furnished the music.

On Monday a horse owned by Win. H. Bright, of Ashland, was standing in front of L. A. Reilly & Co.'s store, became frightened and ran down Locust avenue to the railroad crossing. The gates at the crossing were down at the time, as the 10:49 train was approaching. The horse ran into the gates, breaking down one of them, and crossed the railroad, barely escaping being killed by the train.

### Long Delays.

The scenery and trunks of the Lillian Kennedy "Couldn't Marry Three" Company were the cause of a lengthy delay of traffic on the Lehigh Valley railroad to-day. The loading of the property at Shamokin held the train back so long that it arrived here at 9:30 instead of 9:05 and did not leave here until 10 o'clock, as considerable time was taken up in making transfer to the Pottsville train. Those who were due at court complained bitterly of the delay and when some remarked that the theatrical company ought to have had a special car one of the company said that the fault was with the railway company.

### Bowers Goes to Jail.

Thomas Bowers was before the Pottsville court yesterday. He was charged with assault and battery and attempted highway robbery. The complainant was Jacob Steinberg.
