WINTER TOURS

To California Florida, and Other Points of Interest.

Some idea of the amount of traveling done by Americans as a people, and the comfort and luxury at their command, is gathered from the Pennsylvania Railroad Company's announcement of its personally-conducted tours for 1893.

First comes a series to the Golden Gate, starting from New York, Philadelphia and Harrisburg, February 8th, March 2d, and March 29th, 1893. Tourists will travel by superbly-appointed special trains of Pullman drawing-room sleeping, dining, smoking, and observation cars, under the supervision of a Tourist Agent and Chaplain.

Next in importance comes a series of five to Florida—January 31st, February 14th to 28th, March 14th and 28th. The first four admit of two whole weeks in the sunny south, while tickets for the fifth tour are good to return by regular trains until May 20th, 1893.

They will be conducted on the same general principles, and maintained that high standard manifested on all Pennsylvania Railroad Company's personally-conducted tours. For information and detailed itineraries now being prepared, apply to Ticket Agents or Tourist Agents, 849 Broadway, New York; 869 Fulton Street, Brooklyn; or 233 South Fourth Street, Philadelphia.

In Olden Times

People overlooked the importance of permanent beneficial effects and were satisfied with transient action, but now that it is generally known that Syrup of Figs will permanently cure habitual constipation, well-informed people will not buy other laxatives, which act for a time, but finally injure the system.

A single trial of Dr. Henry Baxter's Mandrake Bitters will convince any one troubled with costiveness, torpid liver, or any kindred diseases of their curative properties. They only cost 25 cents per bottle.

A Good Chance

A man having hotel experience can secure a hotel in one of the best places in Schuylkill county that is doing a good business, but can be made a better paying place if properly conducted. The business has suffered through the illness of the tenant, who must retire from business. The hotel is an excellent one for summer and winter boarders. The owner will sell the place cheap and on easy terms, or will rent to the right party. Sale preferred. Address "Hotel," HERALD office, Shenandoah, Pa.

ST. CLAIR SHORTS.

A Batch of Spicy News From the Foot of Broad Mountain.

Our town is suffering greatly from diphtheria which has become epidemic. Yesterday John Handwork buried a four-year-old child. At New Castle there are so many cases that the schools have been closed.

Thomas Hurst had his fingers mashed on the railroad yesterday.

A Board of Trade is among the coming St. Clair institutions.

George Wrench and John Crippelaur are on the sick list.

Ward Wood, our efficient school teacher, intends building a home on South Second street shortly.

Colliers in this vicinity are working steadily of late. Pay day at the Hooker yesterday.

Columbia Hose Company intends erecting a hall on corner of Lawton and Front streets. The Council will appropriate a sum to help the fire laddies.

Camp 75, P. O. S. of A., now numbers 276 members, and is growing weekly.

The electric light building is about finished and it will be but a short time until we are lifted from the darkness that overtook this town in 1872.

The town is now progressing nicely and when our streets are lighted, a new drain on Second, a few more houses built, we will try to entice our former citizens, who have made Shenandoah so populous and prosperous, to come and reside in our borough.

The Methodist church will hold a Thanksgiving supper in the Armory, and Camp 475 an oyster supper in the new Parish building on Thanksgiving night.

We have already heard of ten or twelve applicants for the post office, but for a good efficient postmaster we say retain the present postmaster, who has filled the office with credit to the community and himself, but if there is to be a stepping out, we say give the office to Nathan Bixler, and not to persons whose residence in the town dates back but one year.

ST. CLAIR, Nov. 17.

AMUSEMENT NOTES.

References to Ferguson Theatre Coming Attractions.

In the third act of the drama, "Underground," which will appear at Ferguson's theatre this evening, November 17th, an interior of a mine at the bottom of the shaft is shown with the carriages and coal cars in active operation. Those who have never been in the mines will be interested in this great play, which faithfully portrays life underground. The play is interspersed with clever songs, dances, etc.

"Lost in London."

Newton Beers and his company gave a revised version of "Lost in London" at the Lansing last night. There is no gaining the fact that the house was top heavy and apparatus liberal and merited. The play has been very much changed, and several tableaux introduced, the closing one, "Job's Vision," being very pretty. Beers retains his old time voice and presence, and his acting was well received. Miss Lora Cleft was successful in rendering her part as Nellie Arnold.—The Daily Journal, Lincoln, Neb. "Lost in London" will be produced at Ferguson's theatre to-morrow evening, Nov. 18th.
