"The Merry Cobbler."
Francis Cumpson, in "The Merry Cobbler," occupied the boards at Ferguson's theatre last night. Mr. Cumpson is young in the business, but displays great versatility and is beyond doubt one of the sweetest singers heard here for some time. The character songs and recitations by Harry McDonald, as Zack Johnson, were very good. The twin sisters, Blanche and Athael, were good dancers and found favor with the audience. Little Daniel Webster was very cute and executed a sailor's hornpipe in fine style, for which he was roundly applauded. The plot of the play is very obscure, but on the whole it is clean and wholesome and the most fastidious can attend it without fear of being shocked.

In Olden Times
People overlooked the importance of permanent beneficial effects and were satisfied with transient action, but now that it is generally known that Syrup of Figs will permanently cure habitual constipation, well-informed people will not buy other laxatives, which act for a time, but finally injure the system.

The plague of breaking lamp-chimneys is abroad in the land. There are two sorts of chimneys; brittle and tough. Ninety-nine in a hundred are brittle. The worst are imported from Germany. The best are Macbeth's "Pearl-top" and "Pearl-glass." Two sorts as to workmanship; fine and coarse. The fine are Macbeth's "Pearl-top" and "Pearl-glass." The coarse are rough and out of proportion; misfits and misshapen; they do not make a good draft; they smoke.

Two sorts as to glass; transparent and gray. "Pearl-top" and "Pearl-glass" are clear, fine and tough—not tough against accident—tough against heat. Call for "Pearl-top" or "Pearl-glass" chimneys.

LOSS OF SLEEP!
I have suffered from loss of sleep, tired feeling, had no appetite, a choking sensation; forming of a hard substance, like a ball, in the stomach, wakeful and nervous during the night, causing loss of sleep until about morning; when palpitation of the heart ensued. I have spent many dollars with numerous doctors, to no avail. Since using Mexican Blood Tonic I have been greatly relieved, and can cheerfully recommend this remedy to others.
