AMUSEMENT NOTES.

Plays Booked for Production at Ferguson's Theatre.

There is a scene in Katie Emmett's play, "The Waifs of New York," showing two trains crossing the Harlem railroad bridge in opposite directions, while the two Waifs are shown hanging from the trestle work of the bridge underneath. It is one of the most thrilling and realistic scenes ever witnessed upon any stage. "The Waifs of New York" will be produced in Ferguson's theatre this evening.

MODEL MINSTRELS.
The street parade of the Sweeney, Alvido, Gorman & Goetz's Model Minstrels yesterday was by far the finest exhibition of the kind that has been seen on our streets in recent years. The band is an excellent one, and its concerts attracts large crowds. The performance last evening was first class, and the large audience present was delighted from the raising of the curtain to the end. The Models are gentlemen, and deserve well at the hands of the public.—*Greensburg, Ind., Review.* The Model Minstrels will appear at Ferguson's theatre to-morrow evening.

DRUMMER BOY OF SHILOH.
Washington Camp, No. 296, P. O. S. of A., of Shenandoah, will produce the war drama, "Drummer Boy, or Spy of Shiloh," on the 16th and 17th inst. Phil J. Connell has consented to take the part of Frank Rutledge, a dashing young Southerner and uncompromising rebel. Mr. Connell assumed the character for several seasons when the piece was presented by local amateurs and he showed such excellent conception of the role that ever since he is in universal demand whenever it is produced. His name in the cast gives assurance of a successful rendition of the popular drama, and Camp 296 may pride itself in securing his services.—*Miner's Journal.*

A Child Enjoys
The pleasant flavor, gentle action and soothing effect of Syrup of Figs, when in need of a laxative, and if the father or mother be costive or bilious, the most gratifying results follow its use; so that it is the best family remedy known and every family should have a bottle.

A Pleasing Event.
The supper held in Robbins' opera house last night under the auspices of the Young People's Association of the Primitive Methodist church was a very enjoyable affair. Several large tables were elegantly spread and there was an abundance of excellent refreshments for all. The affair was well managed and the committee of arrangements merited praise for its excellent work.

29 prize medals have been awarded to the manufacturers of the only genuine imported Anchor Pain Expeller, the great German remedy for all Rheumatic diseases, Gout, Neuralgia, Sprains, &c. 25 and 50 cents a bottle, at C. H. Hagenbuch, P. P. D. Kirilin, J. M. Hillan, and other druggists. 31

TIMELY TOPICS.

A String of Thoughts and Fancies of the Editor.

Good evening.
Dull is the word.
Carpenters are still busy.
Oysters are now in their prime.
Installations of lodge officers now.
Tom and Jerry are boon companions.
Will we have sleighing by Christmas?
Corporation elections will be next in order.
Annual dividends will soon be announced.
Turkeys are being fattened for the holidays.
A good business man will have all his accounts posted by January 1st.
Pork packers at Cincinnati are laid up with ulcers on their hands, with the cracking of the skin on the fingers and the swelling and soreness of the joints, and attribute this to the chemicals used in curing the meat. This is pleasant to think of as the sweet smelling ham or breakfast bacon comes to the table.

Electric Railway Bulletin.

Hereafter the electric railway cars will leave the corner of Cherry and Main streets at 5:30 a. m. daily and every 20 minutes thereafter until midnight, at which hour the last car will leave for Girardville. On Monday, November 7th, 1892, the fare for any length of ride between Shenandoah and Girardville will be reduced to five (5) cents.

It Suits the People

Is what druggists say. Genuine they are tired of the many bitter concoctions. Peppermint is the most pleasant tasting medicine, quickly cures Coughs, Colds, Throat and Lung troubles. Peppermint is sold at P. P. D. Kirilin's drug store.

ELECTRIC SPARKS.

Progress on the Schuylkill Traction Company's Lines.

Hereafter four cars, instead of three, will be run continually between Shenandoah and Girardville. In order to keep the cars running more regular on this branch and reduce the running time by having more close connections at turns on the company will make several changes along the line. The turnout at the Kohlnoor dirt bank is to be abandoned and one is to be placed near the fan house on Glover's Hill for use in its stead. The turnout at Lost Creek will also be abandoned and a new one will be made at Cleary's crossing. These changes will lower the running time through the valley considerably and shorten the waiting time at each end.

County Detective Amour, who is also special officer for the Traction Company, has been handsomely uniformed. The suit is made of the finest navy blue cloth ornamented with handsomely designed brass buttons bearing the company's monogram. The railway is now carrying an average of 11,000 passengers per week. The Mahanoy City branch of the railway is doing a splendid one-car business. The car that runs from the eastern limits of the borough to the foundry carries from 1,100 to 1,400 passengers daily.

E. W. Amour is doing the wiring of the Mahanoy branch and the work has been completed as far as the Gilberton station. Within a few days the company will begin running cars through Gilberton to Mahanoy City. Transfers will be made until the crossing can be put in at the foundry. This crossing was ordered some time ago and has been on the road for several days, but for some unexplained reason the company has not received it.

Disturbances on the company's cars are very rare now. Vigilance and speedy and determined prosecutions of offenders have demonstrated that the cars are not saucers or play grounds on wheels and to use them as such is too expensive for the average tumbler.

There can be no doubt of the Schuylkill Traction Company's lines ultimately ranking among the most valuable and best paying in the country when it is considered that in this severe winter season, although the cars are not yet heated, the Shenandoah branch is carrying an average of 11,000 passengers per week, which means, at five cents per head, \$550 per week, or \$28,500 per year.
