STARTLING FACT.

SIXTEEN PER CENT. OF LIFE INSURANCE APPLICANTS REJECTED ON ACCOUNT OF DISEASED KIDNEYS.

The Trouble Comes From Lack of Care.

Dr. Lambert the general medical director of the Equitable Life Insurance Company, N. Y., said:

We reject existen per cent of the applica-us made to a for insurance, and I have saved a cutive expense of this medical depart-cu, by this rejection alone of applicants who of diseased kinners, and who died within two are after I rejected them. This appailing statement coming as it

does, from such high medical authority, should have the attention of our citizens. There is no reason to day, why people should allow kidney disease to get such a hold on them.

Nature sends her warning in the slight

Nature sends her warning in the slight pain in the back, poor circulation of the blood, sediment in the urine. When any of these symptoms appear, Dr. David Kennedy's Favorite Remedy should be taken in small doses at once, and thus drive the poison out of the blood and restore the kilneys to healthy action.

To our knowledge this is the only medicine that surely and effectually cures this almost universal complaint.

We note the happy recovery of Mr.

We note the happy recovery of Mr. Oscar Lambert, of Jerico, Mo., whose case has been talked of in the papers the

Oscar Lambert. Quoting from his letter.

Wineshetted the first avantoms until I found myself in box with a complicated disease of the historys. No mottal ever suffered more and ired. My physician failed to belo me. I then used Dr. David Kennedy's Favorite Remedy, made at Box dout, N. V. it relieved my hidneys almost immediately, not in a few weeks I was clear of all pain, and entirely cured. I owe my present lears of life to Favorite Remedy."

It is used and recommended for what accomplishes. Writes Mrs. A. J. F. fanchester, from Providence, R. I. it accomplishes.

"I began using Dr. Kennedy's Pavorite Rem-edy for kidney disease, when Dectors failed to relieve me. It drove a bad humor mix of my blood cured my kidney fromble, and I am truth-ful schen I say it saved my life."

Wm. Huston the popular West Shore t. R. engineer, came out in an open over stating how he had suffered with kithey disease Physicians treatment, and the use of various preparations failed to benefit him Dr. David Kennedy's Payorite Remedy, was procured and it made him well.

Favorite Remedy has had more free advertising in the columns of the daily papers, than anything we know of, from the fact that it does as is promised.

Dr. Kennedy's Favorite Remedy ossesses marvelous strength giving calities, that render it especially, valuable to the aged or infirm. For a general all around toste, and to cure any disease arising from an impure condition of the blood, it has no equal. Druggists are selling more of it than all others combined.
