OBSERVANCES BY CHURCHES AND SUNDAY SCHOOLS

SOME VERY IMPRESSIVE SERVICES

Beautiful Musical Services and an Bloquent Sermon in the German Lutheran Church-Singing by the Choir.

HRISTMAS day was observed in almost all the churches on Sunday and by special services in which stered mosic arranged for the occasion formed the feature. The selections were of an unusually Impressive character

and were beautifully rendered by the choirs Services deserving special notice were held in St. John's German Evangelical church, of which Rev. John Gruhler is pastor, They sened with the soul-inspiring Christma anthem, "There Were Angels at Night." Then followed the usual altar service, after which Rev. Grahler preached one of his powerful sermons, taking his text from St. Luke II; 7. The sermon was delivered in the clergyman's usual logical style and made a deep impression on the large congregation The singing by the choir of a composition by Pro& Wonnenberger, of Reading, entitled, "Jauchzet ihi Himmel" (Shout Ye Heavens followed. This masterpiece was rendered with marked effect and was listened to by the congregation with almost breathless at tention.

The soprano solos during the services were exceedingly fine and were rendered by Mrs. George Willman and Miss Mary Gruhler. The alto soles were also very impressive and were sung by Mrs. Mary Klatt and Mrs. Catharine Dornbach. The whole choir rendered noble service in the work and to the ladies and gentlemen who sing in it is due much credit for the successful manner in which the programme was carried out. Miss Carrie Bierman, who presided at the organ is also deserving of special mention. Her work was very artistic.

Too much credit cannot be given Prof. Zeitz, the able and energetic choir master of the church. He excelled all previous efforts in conducting the rendition of Prof. Women berger's beautiful composition,

The Holy Communion followed the ser vices and was partaken of by a goodly num her of members. Thus one of the red letter days for St. John's church closed and the nembers wonded their ways home satisfied that never before in the history of the church had there been a more impressive and beauti ful observance of Christmas Day.

The Turkey Run Sunday school had plendid Christmas entertainment last even-Christmas exrois, dialogues and declamations were rendered by the children in a very pleasing manner. The singing was under the direction of Prof. D. T. Jenkins. After boxes of candy, books and other Christmas tokens were distributed among the OF CTS. PER YARD children the presentation of a bandsome silver mounted shaving set was made to Prof. Hery here for some time and is now outside Jenkins by parents of the Sunday school foreman for the Lebigh and Wilkes-Barre scholars in appreciation of the services the Coal Company at Wanamie. leader rendered in vocally drilling the as an able and popular leader of choirs in

The annual treat at the Primitive Methodist church was held last evening and a New Orleans club and will leave for that cantuta, "The Home of Santa Claus," was beautifully rendered under the direction of Miss Linzie Jones. The spacious church was well filled with expeciant acholars and happy parents and numbers of gifts, some o which were very beautiful and costly, were fistributed among the children.

The congregation and Funday school of the Presbytenian church had a very enjoyable time last night. There were recitation and singing by the children, after which they were sent on their way rejoicing with boxes of candy and other gifts from Santa

The Evangelical Sunday school also held very beautiful and pleasing Christmas serices last night.

The Trinity Reformed church was the sene of an old-fashioned Christmas entertalument last evening. Sanca Claus was on hand and introduced himself by crawling out of a chimney, to the great delight of the

Interesting Christmas exercises were also held in the English Lutheran church on North Jardin street.

The Methodist Episcopal Sunday school will hold its entertainment to-night.
