THE CORRECT THING.

The announcement made by General Passenger Agent J. R. Wood, of the Pennsylvania Railroad, that his company would not issue special holiday excursion tickets this year, has caused considerable surprise, as the practice has been so long in force, people contemplating holiday excursions had been holding back to avail themselves of the reduced rate. This year, at least, they will have to pay the prevailing excursion rates—averaging about two and one-half cents per mile—and it is not unlikely that the day for cheap excursions—the direct cause which led to rate-cutting—is a thing of the past.

But the abolition of the special holiday excursion rate does not only apply to the Pennsylvania Railroad, but to all the eastern trunk lines, the Presidents of which, at their recent meeting, having decided upon this action. To the Pennsylvania Railroad it means more than appears on the surface. These holiday tickets cost the purchaser about two cents a mile; the regular excursion rates average between two and one-quarter and two and one-half cents per mile; so, that the income to the company during the period usually covered by the holiday tickets, will now be from one-quarter to one-half cent a mile more than previous years, and in the aggregate this means a large sum of money. It has been said that failure to issue holiday tickets will tend to lessen the number of sale, but the officers of the company do not hold this view, claiming there will be little or no decrease in the number of passengers carried.

THERE is no necessity for the Pottsville *Republican* to get on its high horse over what the HERALD has said regarding the selection of a place for the teachers' institute, nor is it proper that it should urge Prof. Weiss to remember it next year. We have no apology to offer. Unlike our contemporary, we are in a position to speak independently on institute affairs, and are not handicapped by "past favors." In reply to a little piece of jubilation over the announcement that Pottsville would be selected as the next place for the teachers' institute we said that that town was welcome to it, as our people did not desire it, and what we said was the truth. Supt. Weiss was not considered in the matter and no insult was offered or intended for him. We do not think the superintendent will be foolish enough to "remember" anything in connection with what we have said and that he will allow the teachers to decide the place of meeting by their ballots in the future as he has done in the past. Meanwhile our contemporary may rest assured that no threats will hamper us in wielding our pen.

AS FAR as office seeking and office getting are concerned, Ohio fairly takes the cake; in point of fact, it has taken it and held it for a number of years. The Buckeye is naturally an office seeker, and he is endowed with a spirit of pertinacity that distances all competitors. He is not only energetic, but persevering to a degree that is absolutely marvellous, and what is more to the point, is generally successful, though at times there are many more pegs than there are holes to receive them. That is the case just now. Senator Brice is so overrun with applications that he has opened a sort of employment agency, where applicants are requested to file their applications, and he has been so pestered by various office seekers from the state he represents that he has ordered the Senate doorkeeper not to send any more cards in to him.

Y.,** I determined to try it; after using it a little while **relief** came and before I had finished the **third bottle** I was **cured.** But the greatest blessing was the **cure** it performed for my **wife,** who previous to taking it was troubled with sickness common to all women. She was **so ill** that she could hardly **drag** herself about the **house;** she too tried all kinds of so-called positive cures, but with no avail until she used **Favorite Remedy.** In a **short** while she began to pick up in **health** and **strength** and is a **well woman to-day.** I honestly believe had it not been for **Dr. Kennedy's Favorite Remedy,** she would have been in her **grave to-day. DR. THEEL

538 North Fourth St. below Green, Philadelphia. After the family physician, the hospital and advertising doctors have failed, as well as quacks, who promise to cure you after all others fail, and to give you a written guarantee, free advice, free treatment, and after the best swindlers, the pill manufacturers, with their so-called moral remedies, tablets, elixirs, nostrums, and other secret nostrum humbug schemers, the home cure meddlers, etc., etc., have swindled and robbed you, THEEL will see and consult DR. G. F. THEEL, who has had 6 years' European Hospital and 36 years' practical experience. Be examined by him. He will candidly tell you whether your case is curable or not. He does not guarantee, nor does he claim to be God's agent, but he does cure the most desperate cases of Syphilis, Ulcers, Stricture, Gonorrheal Poison, and Discharges. Sufferers from Melancholia and downhearted ness, and all those diseased from effects of youthful indiscretion, of both sexes, are sure of a cure. Remember, DR. THEEL does cure when all others only claim to do. DR. THEEL uses no mercury in any treatment. He combines the Allopathic, Homœopathic, and Eclectic systems of medicine wherever they are beneficial. Hours—Daily, 9 to 3 o'clock; evenings, 6 to 8. Wed. and Sat. evenings from 6 to 10 o'clock; Sundays, 9 to 12. Send 10 cts. worth of 2-ct. stamps for book "Truth," the only true medical book advertised, a friend to old, young, and middle-aged of both sexes. Write or call. AVOID doctors working you against medical books; they are afraid you will find their ignorance exposed. READ Dr. Theel's testimonials in Wednesday's and Saturday's Philadelphia Times.
