

Free Trip to the World's Fair

A GRAND OPPORTUNITY

CONTEST OPENS TO

PUBLIC SCHOOL TEACHERS

In Shenandoah County,
NORTH OF THE BROAD MOUNTAIN ONLY.

Realizing that the Public School Teachers will be among those most desirous of enjoying a trip to the World's Columbian Exposition, and with a view to providing an incentive for a material increase in sales of the EVENING HERALD for 1893, the publisher has concluded to place within the reach of all the public school teachers in the territory named an opportunity to visit the Exposition in July next, spend ten days there, have board and lodging at first-class hotel, and secure railway transportation (including sleeping berths) from Shenandoah to Chicago and return.

All Free of Any Cost.

The contest will open on Monday, January 16th, 1893, and will close at 6 p. m. on Saturday, July 1, 1893.

CONDITIONS:

A voting coupon will be published in each edition of the EVENING HERALD, a few copies of which is published below. Each coupon will represent one vote. The two teachers who receive the greatest number of total votes up to the closing hour above stated will be declared the winners. All coupons must be cut out of the EVENING HERALD and sent, securely sealed in envelopes, addressed to "Contest Editor, Evening Herald, Shenandoah, Pa." Any person residing in any place may vote as often as he or she may desire for one or more teachers engaged in teaching in a public school north of the Broad Mountain at the close of the current school term; provided, that any teacher who may have been incapacitated by sickness or accident for teaching for a period of not more than three months prior to the end of the term, may also compete. Each vote for each teacher must be represented by a separate coupon. A coupon bearing the name of more than one teacher or specifying more than one vote for a teacher will be thrown out as void. Each coupon will have the date of its issue at the lower left hand corner, and such coupons must be in the hands of the Contest Editor within ten days after the date it bears. A careful record will be kept of the names of all contestants, and all coupons will be filed and kept safe until the final adjudication. Three prominent and responsible men of Shenandoah will be selected to act as judges, make the final count and announce the names of the two winners. Should three or more teachers be tied on the highest number of votes, the judges will be allowed to decide. The names of the winners will be announced on or before Saturday, July 15, 1893. Should the winners be absent from Shenandoah at the time they will be informed of their good fortune by telegraph, so that they may start on the trip as soon thereafter as possible. All blanks in the coupon must be filled out, especially the blank requiring the name of the person voting. The number of votes received at this office up to 4 p. m. each day will be published in the next issue of the HERALD with the names of the teachers voted for.

Infantile Goods.

The only safe way for purchasers is to insist on having the genuine article, and not allow themselves to be swindled by having plasters said to be "just as good," or "containing superior ingredients," imposed upon them. These are only tricks to sell inferior goods that no more compare with Alcock's Porous Plasters than copper does with gold. One trial of Alcock's Porous Plasters will convince the most skeptical of their merit. The eminent theory of Mott, Jr., Ph. D., P. C., late Government Chemist, and his "MY Investigation of" in any other plaster shows it to be inferior to and more so than Alcock's. Alcock's plaster, and I repeat, is the most efficient than any other plaster substitute. Ask for Alcock's Plaster for 50c. By sending in your cabinet, together with 50 cents, we will finish you one dozen plasters. W. A. KRAVETZ.
