THE KIND THAT CURES

House proceeded to the election of a Speaker, each member rising in his seat and naming his choice.

The voice was for Wm. Sulzer, 71; Geo. H. Malby, 52.

Messrs. Quigley and Malby were appointed a committee to escort Mr. Sulzer to the Chair. He made a neat little address.

The following officers were then elected: Clerk, C. R. DeForest; sergeant-at-arms, M. E. Redmond of Cohoes; doorkeeper, E. A. Moore of Richmond county; first assistant doorkeeper, A. J. Walkowiak of Erie; second assistant doorkeeper, W. C. Flkins of Oneida; stenographer, T. Hasset of Steubens.

IN THE SENATE.

When the members of the Senate took their seats they found the first bill of the session newly printed lying on their desks. It was the Constitutional Convention bill. The Senators devoted an hour to handshaking and the exchange of New Year's greetings.

All the Senators were present when Lieut. Governor Sheehan's gavel fell. Lieut. Governor Sheehan then addressed the Senate briefly.

The usual committees were then appointed to notify the Governor and Assembly that the Senate was ready to proceed to business, and a short recess was taken to give them time to do their errand.

When they returned the Governor's message was read.

The Governor's Message.

He describes his visit of inspection to the various State institutions and praises the efficiency and honesty with which, as a rule, they are administered.

"The financial condition of the State is very satisfactory. There is practically no State debt. The only outstanding obligations are virtually already provided for. They consist of \$150,000 balance of canal debt, which matures next October, and for the liquidation of which there is now sufficient money in the Canal Fund, and of \$300,000 Niagara Reservation bonds, the last of which do not mature until 1895, but all of which can be paid at any time from surplus moneys now in the Treasury, with the proper legislative authority."

Until the joint committee of Senate and Assembly, appointed at the last session of the Legislature to investigate present methods of taxation in the different counties, submit their report, the Governor declines from making any recommendations on the subject.

Referring to the recent Buffalo strike, the Governor of the Legislature is called upon to report on the condition of the equipment of the National Guard, and a recommendation that provision be made for the State's armaments.

The World's Fair he says: "The appropriation is all expended during the last session of the Legislature, and the need will need an additional appropriation of \$300,000 to complete the same."

Referring to the recently deceased Mrs. Wallace, he says: "Mrs. Wallace was instantly killed. Her daughter's right arm was cut off by the wheels, and she may also succumb."

Mr. M. Bourgeois, Minister at St. Louis, is seriously ill.

Free Trip to the World's Fair

A GREAT OPPORTUNITY

PUBLIC SCHOOL TEACHERS

In Schuykill County, NORTH OF THE BROAD MOUNTAIN ONLY.

Realizing that the Public School Teachers will be among those most desirous of enjoying a trip to the World's Columbian Exposition, and with a view to providing an incentive for a material increase in the number of the EVENING HERALD for 1893, the publisher has concluded to place within the reach of all the public school teachers in the territory named an opportunity to visit the Exposition in July next, spend ten days there, have board and lodging at a first-class hotel, and a first-rate railway transportation (including sleeping berths) from Shenandoah to Chicago and return.

All Free of Any Cost.

The contest will open on Monday, January 16th, 1893, and will close at 4 p. m. on Saturday, July 1, 1893.

CONDITIONS:

A voting coupon will be published in each edition of the EVENING HERALD, a fac simile of which is published below. Each coupon will represent one vote.

The two teachers who receive the greatest number of total votes up to the closing hour above stated will be declared the winners.

All coupons must be cut out of the EVENING HERALD and sent, securely sealed in envelopes addressed to "Contest Editor, Evening Herald, Shenandoah, Pa."

One person residing in any place may vote as often as he or she may desire for one or more teachers engaged in teaching in a public school north of the Broad Mountain at the close of the current school term; provided, that any teacher who may have been incapacitated by sickness or accident for teaching for a period of not more than three months prior to the end of the term, may also compete.

Each vote for each teacher must be represented by a separate coupon.

A coupon bearing the name of more than one teacher or specifying more than one vote for a teacher will be thrown out as void.

Each coupon will have the date of its issue at the lower left hand corner, and such coupons must be the hands of the Contest Editor within ten days after the date it bears.

A careful record will be kept of the names of all contestants, and all coupons will be filed and kept safe until the final adjudication. Three prominent and disinterested men of Shenandoah will be selected to act as judges, make the final award, and announce the names of the two winners. Should three or more teachers be tied on the highest number of votes, the judges will be allowed to decide.

The names of the winners will be announced on or before Saturday, July 15, 1893. Should the winners be absent from Shenandoah at the time they will be informed of their good fortune by telegraph, so that they may start on the trip as soon thereafter as possible.

All blanks in the coupon must be filled out especially the blank requiring the name of the person voted. The number of votes received at this office up to 4 p. m. each day will be published in the next issue of the HERALD with the names of the teachers voted for.
