BABY ACTS.

Those gushy-goody Republicans, who voted for Democratic candidate for a change just for the sake of a change, are the most disgusted people in the Union. They feel cheap and are willing to sell themselves for a mere song. Every day adds to their sorrow and if a new election could be held to-morrow they would sneak back to the fold and pay for the privilege, if required.

The scenes enacted in the different Western states, where Fusionists, Populists and other irregular parties have secured control, or made it possible for Democrats to get control, have opened the eyes of these Republicans.

In the Illinois Legislature the Democrats have ordered that all the portraits of Republican leaders should be removed from the various departments in the State House because they are offensive to their eyes, and the janitor has removed the portraits of Lincoln, Grant, Logan and Harrison from the various rooms and stored them in the basement.

What think the friends of these departed great men? Republicans, soldiers! did you dream such thing would ever take place in that staunch Republican state? What is taking place there will be followed in other states as soon as the Democratic party with your help obtains power.

TRAMPS better steer clear of Montgomery county. The officers of that county have decided to imprison all tramps for a period of from thirty days to six months at hard labor. A large pile of pig iron is to be placed at one end of the prison yard, and the task imposed will be to carry the iron to the opposite end of the yard and pile it up. After all the iron has been carried, the work of returning it will be commenced, and thus the carrying kept up during the working hours. Notices have been posted in several parts of the county calling the attention of tramps to the new order, which is strictly in accord with the state law. Schuylkill county officials should take the hint and do likewise.

PROPER respect for the dead is all right, but where a death occurs from diphtheria or other infectious and contagious diseases, public funerals should be forbidden by law. In such cases only the household should attend—no others. Such diseases spread more through funerals than in any other way. In towns and cities local boards of health can forbid public funerals in all such cases, but none have ever yet thought of doing so.

SOME time ago there were 612 Hungarians in Phoenixville, but since the iron company reduced their wages from $1.00 to 90 cents per day they have been leaving in droves and now there are only a few left. If the same kind of doctrine was practiced here we would soon get rid of the most undesirable class of people now in our midst.

Would you rather buy lamp-chimneys, one a week the year round, or one that lasts till some accident breaks it?

Common glass may break or not the minute you light your lamp; if not, the first draft may break it; if not, it may break from a mere whim.

Tough glass chimneys, Macbeth's "Pearl-top" or "Pearl-glass," almost never break from heat, not one in a hundred.

Where can you get it? and what does it cost?

Your dealer knows where and how much. It costs more than common glass; and may be, he thinks tough glass isn't good for his business.

THE DUAL TOPEKA HOUSE

Populists Propose a Plan to Settle the Trouble.

THE GOVERNOR URGES ARBITRATION

Republicans Considering the Propositions Made by Their Opponents—Populist House Recognized by the Senate—Bankers Refuse to Go on the State Treasurer's Bond Until the Matter Is Settled.

TOPEKA, Kas., Jan. 14.—The leading Populists have proposed a plan for settling the House squabble.

The plan proposes that the Populists concede the legality of the Republican organization; prominent committees to be made up of equal numbers of Republicans and Populists and one Democrat; that no legislation be enacted excepting the creation of a commission to consider all contest cases and report to the House its findings, which shall be final and conclusive; the membership of the House, after having been determined, to decide which set of presiding officers shall officiate.

The plan further provides that contesting members shall be allowed to vote on the plan and have a voice in the selection of the arbitration commission.

The Republicans have not yet accepted the plan.

The Populist House of Representatives was recognized yesterday by the Senate. The recognition by the Senate came by Lieut. Governor Daniels, when Chief Clerk Rich of the Populist House addressed him with a message from the House and it was received. Senator Scott (Rep.) appealed from the decision of the Lieut.-Governor, and the latter's action was sustained by a vote of 23 to 16. Taylor (Pop.) and O'Brien (Dem. Pop.) voted with the Republicans.

W. H. Biddel, State Treasurer elect, has not yet been qualified, and all attempts to make good his bond have proved unavailing. The trouble in the Legislature has frightened his bondsmen so that several of them have already withdrawn their names. Bankers have positively refused to go on the bond while the present unsettled condition exists.

The Republican Treasurer, Stover, who holds over, has reopened his accounts, all of which had been closed to be in readiness for the transfer of the office.

Gov. Lewelling seems to regret his recognition of the Populist House for he now refuses to bring about the logical sequence of his action and that of the Senate by removing the Republicans from Representative Hall, and is exerting all his influence towards securing arbitration of the difficulty.

DESPERATE GERMAN MINERS.

They Attack the Overseers and Are Repulsed By Troops.

BERLIN, Jan. 14.—Driven to desperation by the futility of their strike, which promises to result disastrously for many of the men who have taken part in it, several hundred of the miners at Dortmund made an attack upon the overseers of the Schlke pits.

Trouble had been anticipated in the district and the gendarmes were prepared to put down any disorder.

The strikers resisted the officers and a short but sharp fight followed, during which several of the rioters were wounded. A miner named Schoenwald, who led the rioters was arrested, as were also several others of the strikers. The mob, when they saw their leader under arrest, took to flight.

The plaintiff is wealthy, and the fight is for $20,000 alimony.

DR. THEEL

528 North Fourth St.
below Green, Philadelphia.

AFTER the family physician, the hospital and advertising doctors have failed, as well as quacks who promise to cure you after all others fail, and to give you a written guarantee, free advice, free treatment; and after the belt swindlers, the pill manufacturers, with their sealed letters, electricities, tablets, suppositories, and all other secret nostrum humbug concerns, the home cure medicines, etc., etc., have swindled and robbed you, THEEL goes and cures! DR. G. F. THEEL, who has had 6 years European Hospital and 26 years practical experience, is qualified by his diploma to treat every known disease or ear. He does not prescribe, nor does he claim to be God's equal, but he does cure the most desperate cases of Syphilis, Ulcers, Stricture, Seminal Losses, and Discharges. Diseases from Scrofulitis and overindulgence, and all cases abused from ignorance, neglect, or professional incompetency, of both sexes, are sure of a cure. Remember, DR. THEEL does cure what all others only claim to do. DR. THEEL has no cure-all or patent medicine. He combines the Allopathic, Homeopathic and Eclectic systems of medicine, whichever they are, and uses them scientifically. Hours: Daily, 9 to 12 noon; evenings, 6 to 8. Wed. and Sat. evenings from 6 to 10 o'clock. Sundays, 9 to 12. Send 10 cts. in stamps for book "Truth." The only true medical book advertised, a friend to old, sexual, and debilitated men and women. Write or call. As OUR honors working you against medical books; they are afraid you will find their deception exposed. READ Dr. Theel's testimonials in Webbeeker's and Saturday's Philadelphia Times.
