#### REDUCIED RATES

To Washington in Account of the Tampa ration we be any wards Rational.

For the benefit of those who desire to at tand the constructed which it to the basign ration of Predstation Coveland, the Pennsylvania failtend Company will fell excursion focking to Washington March 22, 24 and 4th, vasia to estate until March 70-1893. The exercisin rate from New York will be \$5, from Discourge \$10, from Barfalo \$45, and from the pair picks and all other principal stations on the Pennsylvanin sys-Long, shew every space with-

The Insugar this problem to be a most toteresting event, and will underheedly arcraok

A TRUE PICTURE. The Soldiers Did Not Have the Picale Many suppose

Squire William H. Shoemaker is doing a rushing pension business these days, and every afternoon his office is crowded with veterans or their widows. Yesterday a HER-ALD reporter counted eighteen people who were walting to have papers prepared. Among them was a grey-halred "vet" who was quite talkation and took occasion to roundly denounce the public men who are reported as claiming that the government is extrav-gent in his recognition of clasma for

Said the old vet: "Let some man who thinks so take a danketsome cold rainy night and go out and sleep in a plg pen. If he wants to be really luxurious be may lay a couple of mill together to keep him out of the mud - He will that find out how the "hops" soul about

100 days out of every year they nerved. "Let it'm get up in the morning and male his breakfast off a silco of the fathest, markes salt purk he can find in the bettom of a barrel of brine; andwich this between two nucleat crackers, about as digentive as white poplar chips, and wash it down with scalding shelt coffice, made in a quart cup over a fire of weistecks in a lonce corner.

"Let him pick up hi onry blacket, had himself down with about 30 pounds of oder and emis and tramp of through the rais and ankie deep mud until moon, when he can stop for a low minutes for another some

of fit pork, hardtack and back coffee. "Then let him resonanches tramp, with in ourring, no picking out of stry places, coulding the must hales in the middle of the and, no hearing around for dry crossings : becreek in his way, until line ornight, when as may sleep for a while to make his suppoat of the same materials which comprove

is other two meals. "Picen, as his every bane and muscle ache rom the inheritan murch, let some may to dimi 'Hero, J mes, you had a good rest lust

night; you must go on picket to night." "And then let him stand the livelong nighmder a dripping tree, peering out avisions

are the dense derivers for southing e ende tient upon putting a built or bayonet inthis weary holy, and he hept awake by the four that he will be shot either by friends encuring if he dares to yield to facigue. Let

the morning bring no rest to him, but as other day of weary tramping through the and and san with the prospect that in the course of B he and his comparisons will en number a horse of bitter caseniles, inten monthely destruction, who will ad one monod to shout, down, about one sound i
