THE THEATRE

References to Ferguson Theatre Coming Attractions.

The Nibbe French Burlesque Company turned people away at the Lyceum last night, and to say the show pleased is putting it mildly, the audience was kept in one continual roar of laughter from the rise to the fall of the curtain. Each and every member of the company is an artist in his or her line of business.—*Chicago Times*. At Ferguson's theatre this evening.

"KAJANKA"

The re-engagement of the Miller Bros' "Kajanka" company by Manager Ferguson is looked upon as a good business stroke. "Kajanka" is one of the most elaborate and marvellous pantomime spectacular productions of recent years and crowded houses have witnessed its performances throughout the United States. In addition to the beautiful transformation effects several new and thrilling acrobatic feats are made features of the play. "Kajanka" will be produced at Ferguson's theatre on Monday and Tuesday evenings, February 13th and 14th.

"HANDS ACROSS THE SEA"

"Hands Across the Sea" is an effective melodrama, fashioned on conventional lines, and embodying most of the well-known expedients and features of a class of plays that have their periods of supremacy and their years of decline, but with which the public is never entirely done. It is having large and enthusiastic patronage at the Haymarket, where it is well acted and handsomely produced.—*New York Telegram*. At Ferguson's theatre on Wednesday evening, February 15th.

OUR INTERESTS IN GILBERT ISLANDS

The English Captain Mistreated Our Consul—The Islands Are England's. WASHINGTON, Feb. 10.—The only interest the United States has in the matter of the seizure of the Gilbert Islands by a British warship last spring, as reported in San Francisco despatches, is the mistreatment of the Consul of the United States at the time by the British commander.

The Consul reported that he had been assaulted by the British forces, whereupon a protest was lodged with the government of Great Britain by our Minister in London, under instructions from the State Department, and assurances have been received that the officer responsible for the assault will be called to account for his action.

A map of the islands of the Pacific issued by the Hydrographic Bureau of the United States Navy Department includes the Gilbert Islands in the territory claimed by Great Britain.

A DOUBLE TRAGEDY.

Jealous Michigan Man Shoots His Wife and Her Partner.

JACKSON, Mich., Feb. 10.—A terrible tragedy has just been enacted here, and two persons are lying in the city hospital in a dying condition in consequence.

Charles Brown, formerly a hack driver, shot his wife twice in the body. Dick Sly, an ex-convict, was the cause of the tragedy, and into his hand Brown fired a bullet, which entered just above the left ear, penetrating the brain. Neither can recover.

Brown was arrested after a desperate attempt to shoot Alderman John Gabelstein, who answered the calls for help of the inmates of the block.

At the police station Brown confessed to the shooting. He said Sly was hanging about Mrs. Brown, and he got sick of it. He had followed the ex-convict to the room occupied by his wife, and there shot both of them.

Had a Romantic Career.

BANNE, Vt., Feb. 10.—William Nye, who was buried at death at Berlin, had a romantic career. Early in life he fell in love with a sister of Hon. James B. Langdon, but the engagement was broken, and Nye then went to Virginia and entered the employ of John Brown, the famous abolitionist. He was present at the hanging of Brown and had charge of his funeral. Afterward he met many prominent people in the Adirondacks, where he was a guide.

Another Large Mill in Fall River.

FALL RIVER, Mass., Feb. 10.—Work on another iron works mill to contain about 40,000 spindles will be commenced as soon as the ground is fit for operations. The mill will be called No. 3, and will be the last of a plant containing 150,000 spindles. It will be run in the interest of the American Printing company which is owned principally by Matthew C. D. Forbes of New York. The plant when completed will be the finest print cloth concern in the country.

Weather Forecast.

WASHINGTON, D. C., Feb. 10.—For New England: Thursday weather with snow or rain, warmer, southwesterly winds.

For Eastern New York, Eastern Pennsylvania, New Jersey, Delaware and Maryland: Snow changing to rain, brisk and high southwesterly winds, clearing during the evening and probably fair to-morrow, slightly warmer.

For Western New York and Western Pennsylvania: Rain to-day, fair to-morrow, winds shifting to westerly, slightly warmer in Western New York.

All coupons must be cut out of the EVENING HERALD and sent, securely sealed in envelopes, addressed to "Contest Editor, Evening Herald, Shenandoah, Pa." Any person residing in any place may vote as often as he or she may desire for one or more teachers engaged in teaching in a public school north of the Broad Mountain at the close of the current school term; provided, that any teacher who may have been incapacitated by sickness or accident for teaching for a period of not more than three months prior to the end of the term, may also compete. Each vote for each teacher must be represented by a separate coupon. A coupon bearing the name of more than one teacher or specifying more than one vote for a teacher will be thrown out as void. A careful record will be kept of the names of all contestants, and all coupons will be filed and kept safe until the final adjudication. Three prominent and responsible men of Shenandoah county will be selected to act as judges, make the final count, and announce the names of the two winners. Should three or more teachers be tied on the highest number of votes, the judges will be allowed to decide. The names of the winners will be announced on or before Saturday, July 15, 1893. Should the winners be absent from Shenandoah at the time they will be informed of their good fortune by telegraph, so that they may start on the trip as soon thereafter as possible. All blanks in the coupon must be filled out, especially the blank requiring the name of the person voting. The number of votes received at this office up to 4 p. m. each day will be published in the next issue of the HERALD with the names of the teachers voted for.

Opening of
Ladies' and Children's
Muslin Underwear.
February 11 February 13

GRAND OPENING of Ladies' and Children's Muslin Underwear Saturday, February 11, and Monday, February 13. One of the largest and most carefully selected we have ever had.

There is no economy in any lady using her time, strength and money in making underwear, when it can be bought for less than the cost of making in many cases. If you are not convinced of this make a thorough examination of any garment here—look at the muslin, quality of work and finish. Then see if you cannot find nine good reasons for buying ready-made to one good reason for making it yourself. Think of no cutting out, no fitting, no machine work, which often means backache, that terrible enemy to all women. Think of all these, then think of the bright side.

Buy them Ready-made.

The old-fashioned idea that muslin underwear must be made at home to be right is now a thing of the past. All progressive people know this to be a mistake. Keep pace with the age. Be one of the first to grasp a good idea. Take our advice—BUY.

To every purchaser of Muslin Underwear will be given a book, entitled "A Life on the Ocean Wave" and "Bible Stepping Stones." Not a book for every piece, but one book for underwear—from one piece up to an indefinite number. These poems will be found fully worth the price of a piece of Underwear; but for that day only will be given away. Come and get one, as they will be a pleasing souvenir of our Opening.
