WHO WILL SUCCIED AUDIES, GREEN?

Already ambitious members of this county Sar, and some lawyers, are casting their neto extels the appointment to the place man meant by the death of Judge Green. The disable bling question is that which subicuits this paragraph: Who will succeed Judge Green?

I ought, perhaps, deep this subject with the query, but there are a few thoughts which ought to be published and now is the time to do it. Governor Pattison will be called on very shortly to fill the people at large. The condition of legal business in this county and the interests of successor to Judge Green sannot be appointed and was paired. longer than the 20th inst.
