THE continued fault finding of the Demogratic politicians' and press over the large pension list has led an exchange to requark: The Penslon Ap propriation bill now before Congre at appropriates \$165,000,000, the largest sum ever earried in an appropriation measure. This enormous total is due to Democratic efforts to destroy the Union, and the Democratic party is responsible for every dollar of it.

THE dispensary system of control Jing the figuer traffic which is maininined in Clark county, Ga., has proved a success from at least a pecua lary point of view. From this plan the county, operating through an agent, is the sole vender of intoxi eauts within its boarders. The report of the agent for fast year shows that \$55,000 was spent in the purchase of Hquar, which yielded a gross return of \$77,000. The net profit was \$14,000 The social effect of this evalers is not stated. It is not probable, however, that the dispensivy idea will be adopted north of Mason and Dixon's
