HOLD DIFFERENT VIEWS

Members of Congress Talk on the New Cabinet.

CONGRESS MAKING APPROPRIATIONS

The Next Secretary of the Navy, Herbert, Receives an Ovation When He Enters the House—Regular Daily Fight Over the Anti-Option Bill Takes Place in the House—Rapid Work in the Senate—The Sub-Treasury Has Only \$3,000,000 in Gold Left Now.

WASHINGTON, Feb. 24.—The open discussions in Congress yesterday were not so interesting as the private discussions of the Harty silver letter and the completed Cabinet of the next administration. The two subjects were interwoven in conversation, and many of the views expressed were exceedingly forcible.

Speaking of the Harty letter, Senator Harris, of Tennessee, said: "I, for one, will never consent to the repeal of the Sherman law without the substitution of something in its place that recognizes the use of silver as money."

Senator Frick, of Alabama, referring to Mr. Herbert's appointment, said: "He is a man of ability and well equipped by long service in the House Naval Committee for the efficient discharge of the duties of the Secretary of the Navy. Mr. Herbert is the only Democrat of prominence in Alabama who agrees with the members of Free coinage. There is not a man in Mr. Cleveland's Cabinet from the South or West who represents his state or the Democratic party on the silver question."

"If it is Mr. Cleveland's purpose, in making his Cabinet a unit against 90 per cent. of his party, to disrupt or mislead it into the service of the money kings, he is doomed to the most signal failure."

Speaker Cockran said: "I think it is an excellent Cabinet. Mr. Herbert's appointment closes the task of selection in a very satisfactory manner. Judge Graham's appointment I regarded as a little unusual."

"Like all unusual things, it had a tendency to disturb our bay, after all, Mr. Cleveland has the right to administer the government with his own instruments, and if they are satisfactory to him it is the very best reason why they should be satisfactory to every one."

"Extremely pleased," defined the position of Representative Hallowell, of Pennsylvania.

"The Cabinet is very satisfactory, indeed," said Representative Wilcox, of Connecticut.

It is the belief among the officials of the Navy Department that ex Representative McAuliffe will be appointed Assistant Secretary of the Navy to succeed A. S. Taylor. The latter, as soon as his successor is appointed, will make an extensive tour abroad.

Mr. Peffer, the Populist, referred to the President-elect's selection for Secretary of Agriculture as a man who is not in sympathy with Western ideas on any subject and is thoroughly committed to class legislation.

WASHINGTON, Feb. 24.—The incident of the day in the House was the ovation tendered to the next Secretary of the Navy, Hilary A. Herbert, of Alabama. He entered the hall during the consideration of the conference report on the Army Appropriation bill, and, although he sought to escape observation, he failed to do so.

He was warmly greeted, and, without regard to party, his colleagues vied with each other in doing him honor.

Then the Indian Appropriation bill was taken up, notwithstanding the opposition of Mr. Hatch, of Missouri, who desired to call up the Anti-Option bill.

Good progress was made in the Senate yesterday in disposing of the absolutely necessary work of Congress. Within less than an hour two of the general appropriation bills—the Diplomatic and Consular and the Military Academy—were read, considered and passed.

Then the Legislative, Executive and Judicial Appropriation bill, which appropriates about \$22,000,000, was taken up and considered till the time of adjournment, all the amendments that were reported from the committee having been agreed to, except as to a few reserved for discussion and action to-day.

There was no discussion at all on either of the first two bills.

The only item that might have led to a contest in the Diplomatic and Consular bill was the amendment authorizing the President of the United States to direct that the American Minister to any foreign court represented in the United States by an Ambassador, Envoy Extraordinary, Minister Resident, Special Envoy, or Charge d'Affaires, shall bear the same designation. But no point was made upon it and the amendment was agreed to.

Italy Will Send Three Ships for the Parade
WASHINGTON, Feb. 24.—Informal notification has been sent to the Navy Department from the Italian Legation in the city that the Italian government would send three war vessels to take part in the Naval review at New York.

Only \$3,000,000 in Gold Left Now.
WASHINGTON, Feb. 24.—Secretary Foster was advised yesterday that \$1,000,000 in gold was taken from the Sub-Treasury in New York for export. This leaves the free gold in the Treasury \$3,000,000.

Fourteen Buildings Swept Away.
HAVERHILL, Mass., Feb. 24.—A hotel and 13 buildings were swept away in the storm on Salisbury beach, 18 miles from here. The sea swept over the beach for many miles. The loss is placed at \$80,000. The houses were occupied only during the summer.

Labor Bill Passed in Indiana.
INDIANAPOLIS, Feb. 24.—The Senate has passed the House bill prohibiting corporations from discharging men because of their membership in labor organizations.

Will Pay \$40 Per Cent.
BOSTON, Feb. 24.—The receiver of the defaulted People's Five Year Benefit Order says the assets are sufficient to pay the certificate holders 80 per cent. of the amount paid in to the relief and reserve funds.

The Foot Hamilton Dead.
HALIFAX, N. S., Feb. 24.—Pierce Hamilton, aged 70, poet and journalist, one of the most elegant and forceful of Canadian literateurs, died at the General Hospital yesterday.
