A Motion to Re-Commit the Local Option Act Belating to Vernon Borough Brings Out a Long and Reated Discussion-First Reading of Bills Occupies the Time in the Senate.

HARRIGGIUNG, March 29 .- Only two bills were presented in the house of, represents tives hast evening, one of them giving cities the right of eminent domain for the selecon of electric light plants. On a motion o re-commit a bill repealing the local opion act relating to Verona borough, in Allegheny county, a long discussion en-sued. During this Chairman Cochrana, of he committee on vice and immorality, expioded a bomb by asserting strongly that during his absence a committee meeting was held, his desk opened, the bill presented and negatively returned.

fic would charge no particular person, but thought that on the strength of the pilfering he thought it would be only just to appear at the committee meeting him-self. A half-dozen members of the house took sides and after an exhaustive ballon the motion to re-commit was agreed to.
Several other motions to re-commit were made and Mr. Losh then presented a resolution for the appointment of a committee to investigate the alleged electric trust in Philadelphia This was laid on the table, Bills on first reading occupied the re-

Sixis-Seven of Those Appointed Are to Fill the Places of Removed Incumbed The Treaty With Rousia Comes U for a Long Discussion in an Executive Seatles of the Senate.

WASHINGTON, March 28. - The senate was in executive session yesterday afternoon for apwards of no hour, and the greater pur of that the was consumed in a discussion relative to the release of the injunction of scereey on the treaty with Busin, that we tion was not, however, released although the majority of the senate is in layor of and the proposition also meets with the approval of the state department. The sticking point is just what amount of the correspondence shall be made public one the vote by which the treaty was ratified It is uniterstood that the state department is averse to giving out certain parts of the correspondence and that until some agrement upon this point can be reached, the text of the treaty will not be given to the publie:

Despits the fact that the treaty has been possible fact that the freety has been ratified, a great many remanstrances have been received, principally from Polish rest dance of this country, all of which have been referred to the committee on foreign relations. Although the ratification has taken place, it is still possible for the treaty to be kept from becoming operative through the intervention of the executive and it; said that we ps looking to this have bee taken by the appearance of the agreemen
