The Verdict of the Coconer's Jury in the Neilson Colliery Disaster The Company and Employes Econerated From Blame -A Disastrons Blaze at Lebanon-Other Important State News

SUMMORTS, April 6.-The commer's jury in the case of the victims of the Neilson colliery disaster, which resulted in the death of ten men, yesterday, rendered a verdist econcrating the company and all employes from blame.

The five in the mine was caused by the dangeous custom of pouring ail on the wich of a lighted lump. Twenty witnesses were examined, and from the testimony it was learned that If the sufficients I men had. walk -1100 yards from where they were working, instead of 800 yards to the hottom of the slope, they would have mut an sutlet through which they could have escapet alive Thomas Jenkins, who was burned by an University of the second secon

explosion of gas at the Sterling collery Tuesday night, died yesterlay afternoon. Peter Bucersy, the other victim, cannot recover.

Lebanau's \$75,000 Blace,

LEBANON, April 6.—The Bruge plant of the East Lebanon from Company is a mass of ruins. The fire, which broke out near the mgine room, spread so rapidly that, by the time the first department wrived the entire establishment was in flames, caus-ing them to spread very rapidly. The mills were only recently creeted. A number of Philadelphia and Reading cars, which were conditioned to the spread very specific to the spread spread very specific to the spread very specific Fining phina and Relating cars, which were standing on the soling adjoining the mill were barned, nothing remaining but the trucks. William Shalley was struck by the hook and ladder truck at the Central Hotel and badler truck at the Central Hotel and badler inner. The loss by fire will reach \$75,0.0.

The Right of Way Granted.

READING, April 6. - In the litigation be-ween the Philadelphia and Reading and Pennsylvania Railr ad Companies as to the right of the latter to cross the former's tracks in North Reading at grade, to reach a number of manufacturing establishments another step has been taken in the filing of a supplemental report by the master ap-pointed by the court to hear testimony. The master dismisses the exceptions to his first report, filed by both the plaintiff and

DIED ON THE SCAFFOLD.

Murderer William Moore Executed at Moyamensing.

THE BODY HANGS TWENTY MINUTES.

He Passes a Rectose Night and Spends Considerable Time in Preparing for His-Doom-Rev. Mr. Officy Witnesses the Execution The Condensued Man Prays Buring the March to the Scallold.

Moy Amersawa, April 6;---William Moore, the colored numbers, who has been con-fined in prison here for some time availing the arrival of the day fixed by the court for is execution, was bacaged in the Jail corrior titls forenoon in explation of his terra de estima. The examilian was witnessed aly by those who had been invited by the swift and hold press admitting them to

During the ripse the condemned man was approaced bern for all different times egspotial minut removal for the prime of which he was guilty but never expressed my tear of all impending thank. He al-ways minimum is that doubh had no terrary or firm and the the ground be ready for as end the steps of the scallold without meding when the time for him to do so Encoding when the tens for Hins in do so should arrive. Moore always instead to analytic to the spectrum manifold model is poster Rev. S. N. Offer, of the Wes-layan bolondist Episcopal duritich, and at roung times during his confinement mode for wide, requested that Rev. Offers be allowed to standard with the trap-should be spring, which would forever-end inversioner's ensured in this particular.

The prisoner's request in this particular was granted and the minister who sport some time this manning praying with the condenance man in his cell, accompanied tim to the galicers, with the guards who were detailed to perform the task of placing licors on the transfoor where the hang-man placed the mose around his neck and

man placed the masse around ins neck and swarp him into eternity. Turing the march from the cell to the gallows Moore ottered an inaudible prayer, are cice trembling to such a degree as to observe herray his fright at the trying or-dest through which he was to pass before death should overtake him. The body vas not cut down and placed in the coffin util twenty-five minutes after the drop fell, although the physicians present de-elared life extinct some minutes before.

Moore passed a restless night and aroas at an early hoar this morning without be-ing called by his death watch, and imme-diately began making preparations to meet

The condemned man could be induced The condemned man could be induced to get but attic as he said he cared for mothing but spiritual consulation and pre-ferred to spend his short time on earth praying for the forgiveness of his slins. The unime for which floors paid the death penalty to-day was the deliberate mordar of Charles Matthews, also colored, on Sep-tember 40 http://www.sline.com/ord.on/Sep-tember 40 http://www.sline.com/ord.on/Sep-

tember 16 last, in front of 540 Buckley street, Philadelphia. The murder was thu result of jealousy over a woman, known in Buckley street as Adalins Johnson. The shoaring occurred in the night and the offi-cers arrested Moore while he was still fr-ing bullets into Matchews' ocdy after he (Matchews) had failer to the payments Moore was convicted of murder in the first degree on October 28, 1862, before Judge Reed and sontenced to death. He was but
