THE BILLS REPORTED AND PASSED.

A Resolution Adopted in the Senate Pro whitney for Final Adjournment on May LI-The Brane Passes the Act Appropristing \$100,000. More to the World's Instruction in the loss

BARRIERING, April 7 .- Vesterday was a decidedly hosy day for the howmakers in . both branches of the state legislature and more real internating birainess was trainsacted than in any one day for some time. a tong list of falls were introduced to: the mate during the first two hours of the scention, another which wave the following:

Brower-Reputing the act for the love and southermore mouth entry in mitrations has courts and in the offices of register and rereordin Supder-Lorensing the uslary of the

superintendent of plutdie instruction from \$1.500 to at 501.

Becker-Froziding for the further regu below of foreum insurance companies and relating to agoins and others doing businose with unmitherized insurance companies and dollning penulties therefor.

Klins-Providing for the election of one road supervisor by Yach election district. In townships having more than one such distriet.

Senator Thomas offered a commurrent resolution, which was unmittoonsly agreed to, providing for the final adjournment of the Legislature on May 11th at noon.

Senator Laubach introduced two important bills. One gives electric passenger railway companies the right of eminent domain and the other permits one street mill way company to use the tracks of another. As soon as the bills were introduced they were roulied to the committee on railre which reported them in a few minutes with

a favorable recommondation, It is provided in the bill granting endthe provided in the bulk granting emi-neut domain that sory company incorpor-ation under it shall not have power to take streets or highways authorized to be used by any existing corporation. It also gives power to carry passengers, mail and ex-press participes and to fix charges therefor. Senator Flinn also introduced a bill con-ferring upon streat or passenger railway companies the power to carry mail and express p distores The schate killed the two following meas-

these bills were among the more promiment of those passed finally: Repeating the act requiring the publica-

tion of the mercantile appraisers' lists in P. Dadebilda. Roudering women eligible to the office of

motory public tor Eline called up the bill provid-

ing for the creetion of the county of Hazel out of the counties of Easterns and Schuy kill, and made a speech in support of the measure. Semitor Ross opposed it in a long speech on crustitutional grounds The bill passed by the have constitutions majority The vote by which the Logan co-opera

tive bunk bill and the act to provide for the election of towns up treasurers were re-considered and the bills postponed for the 1112000131 custor Meck objected to the reporting of

the Laubach rapid transit bills, but the rules were suspended and they were reportied.

The senate then adjourned until Monday night at 0 o'clock.

paper statements. As one objection pre-vented further consideration of the resoluion, it fell deud. Work Done by the Legislators After a lengthy discussion the act appro-priating \$160,000 to the Work's Fatr com-

mission for the purpose of further display of the state's exhibit was passed by a vote of 105 yeas to 54 mays. The senate resolution providing for final adjournment on May 17 was referred to the committee on ways and means.

A communication was received from the overnor stating that he hol approved the element and henethold somety bill, which tablishes the status of members and exupra sociaties from supervision of the in

The act to prohibit persons from fur-numbing objectives or edgewette paper to minors and providing for the punchment of the same, was opposed by Mr. litter, who etgematised it as hoolish and relifing. The full was pinsed by a vote of 115 years
