THIRD EDITION

PERSONAL.

Miss Libbie Faust returned to Shenandoah yesterday.

J. K. Wilson, of Potomac, did some insurance business in town yesterday.

J. M. R. Jernan, indictment clerk in the District Attorney's office, Philadelphia, spent to-day in town, the guest of his brother-in-law, Dr. James Stein.

I. E. Tibbitts, of Philadelphia, general manager of the Standard Sewing Machine Company, looked after the interests of his company here yesterday.

Mrs. Whetstone, wife of Claude G. Whetstone, formerly editor of the Potomac *Miner's Journal*, died in Philadelphia yesterday. She was the daughter of E. J. Fry, a prominent hardware merchant of Tamaqua.

Peter Cecchini, the East Centre street fruit and green truck dealer, last evening returned from Italy where he spent the past four months visiting friends and relatives. Mr. Cecchini brought with him his wife and son. The boy is a particularly bright and interesting little fellow.

REUBEN F. HILYARD.

A Former Townsman Has Been Murdered in Alabama.

There is little doubt that the Hilyard man recently murdered in Alabama was Reuben F. Hilyard, a former resident of Shenandoah and who in the "seventies" drove a stage for the late O. P. Hart between this town and Frackville. Reuben Hilyard disappeared from this town some time in the "seventies," leaving a wife and child. He was never heard from after. The wife struggled for an existence here for several months, but eventually moved to Columbia county, and still lives there. The child was sent to Hilyard's parents at Albemarle a few years after the father's disappearance and is supposed to be still at that place.

Hilyard was a fine looking man, and very popular. He was a good "whip" and handled the "ribbons" to perfection. The story of the murder is that Hilyard, who was a boss at the Shelby (Ala.) Iron Works, discharged a negro, who in a fit of drunken revenge waylaid and murdered the boss. The murder was avenged by W. E. Hillborn, an engineer at the works, who riddled the negro with bullets.

Political Points.

The election news from Washington, Kansas and Ohio fill like a wet blanket on the President. Candidates for offices from these states will now get a chill when they approach his excellency.

Delegation after delegation passes in review before Mr. Cleveland, shake hands, say a few words in favor of their candidates, ask a few questions, utter and hear a few platitudes, make way for another gang, go out in the cool air, and the President straightway forgets what manner of men they are and does not recall the name of the fellow in whose interest they journeyed hither and thither and spent their money for hotel bills, transportation, *et cetera*. Munch—stays at home, spend your money there, and save wood.

WHOLESALE GROCERY.

Shenandoah Will Probably Have a Large Establishment Shortly.

One does not need a microscope to satisfy himself that many of our citizens are waking up and bestirring themselves for an advancement of the town's interest all along the line. Shenandoah's business prospects will be good for many years to come and will be a bustling place when many younger towns will have reached the brink of decay.

A prominent retail merchant yesterday informed a **HERALD** reporter that there is a possibility of a large wholesale grocery being established here and that two gentlemen of experience in that line are behind the project. The informant stated that there is a splendid opening here for such an establishment and should the two gentlemen referred to fall to put it on foot he will very likely make the move himself. "I have a large building admirably suited for the purpose in view," said the informant, "and believe I could make the business pay."

Mahoney City has a number of wholesale establishments that are doing well and are supplying most of the stores in this town and valley. If wholesale establishments are paying in Mahoney City, why should they not be successful here?

THE BEROFSEKI CASE.

She is Looked Upon as Dangerous, but is at Liberty.

It was expected that the fire alarm which Mrs. Berofski caused yesterday by building a fire in a stove that had neither legs or pipe would lead to the woman's arrest upon some charge or other, but the expectations were not realized. Upon request of James Grant, the owner of the house, Chief Burgess Burns and Chief of Police O'Hara stood guard at the house all yesterday afternoon, it being understood that upon their return from Ashland Mr. Grant and his lawyer would discuss upon some action. Mr. Grant and Hon. C. S. Brown were seen late yesterday afternoon and the latter said, "I have advised Mr. Grant that it is not his place to act. The responsibility rests with the borough authorities. If the woman is insane and menaces the safety of the public she should be taken in custody and a commission in lunacy should be asked for. If she is not insane, then she should be prevented for her incendiary tendencies. Certainly, something should be done, for from what I have learned the property she lives in and the adjoining properties are not safe while she is there."

Mrs. Berofski and her four children are still in the house and the neighbors say the family is on the verge of starvation.

EXCURSION TICKETS

To the World's Fair via Pennsylvania Railroad—Preliminary Arrangement.

The Pennsylvania Railroad Company announces that the Trunk Line Passenger Committee has authorized the railroad companies to sell extension tickets to Chicago en route of the World's Columbian Exposition on a basis of \$40 from New York by fast express trains scheduled to make the run in thirty-five hours or more. Proportionate rates will prevail from all stations in Trunk Line territory. The round-trip rate from Philadelphia will be \$38.50 by fast trains and \$28.50 by the thirty-five hour train, starting from New York. From Washington and Baltimore the rate will be \$34.50 by fast express trains, and \$27.50 by slow trains.

These tickets will not admit of a stop off en route and can be used for a continuous passage only. The tickets will be on sale from April 15th to October 30th inclusive, and will be valid for return trip until November 15th, 1893.

All the lines leading to Chicago will sell tickets for passage going by one route returning by another, so that a person may go out by the Pennsylvania Railroad, and if he will, return by the New York Central, Baltimore and Ohio, Erie, or any other trunk line, or go out by any other line, and return by the Pennsylvania.

Rev. O'Boyle Surprised.

Last evening about forty ladies connected with the Ladies' Aid Society of the Trinity Reformed church made an unexpected call upon the pastor, Rev. Robert O'Boyle and his mother and sister, at their residence on South White street, and within a few minutes they had a large table in the dining room ready for a first class feast. After partaking of all the good things the visitors and the surprised pastor a most enjoyable evening.

O'Donnell Will Speak.

Hugh O'Donnell, the Homestead labor leader, will make an address before the Kiwanis Family concert begins in Ferguson's theatre this evening. Mr. O'Donnell is one of the foremost labor champions of the day and no doubt hundreds who have heard of him will flock to the theatre this evening to hear what he has to say.

DEATH OF J. M. McHILLAN'S REMAINS

A Decomposed Body Taken From the River at Philadelphia.

PHILADELPHIA, April 7.—A decomposed body was taken from the surface at Washington avenue wharf. Some sailors dragged it to shore and the coroner's deputies took charge of it. The body is supposed to be that of James McHillan, of South Bethlehem, a number of papers found in the pockets of the clothes bearing that name. The dead man was of powerful build, standing six feet two inches in height, and weighing 200 pounds. He had over \$20 and a silver watch, which on his arm was tattooed a Goddess of Liberty.

Dunfee Held for the Grand Jury.

SYRACUSE, N. Y., April 7.—Joe Dunfee, whose blow in the light with Dan Donovan at Maple Bay Tuesday night, knocked the latter insensible and caused his death twenty hours later, was arraigned yesterday afternoon charged with manslaughter in the first degree. He waived an examination and gave bail in the sum of \$10,000 for his appearance before the grand jury which meets in May. The coroner will hold an inquest in the case.

And So It Goes!

When Sewing Machines are mentioned the name of the **STANDARD** rises instinctively to the lips. Why? Because it will sew as much in four hours as others do in five. Because it is a labor-saver, and makes less noise than any machine on the market. Pay no attention to the disparaging talk of our competitors, as that only proves that it is their most dangerous rival. Call and see it for yourself.

Grand Display of FINE DRESS GOODS

DRESS GOODS is such a bewildering topic that we will not attempt a full description, but give a partial outline, which you can fill in by a personal inspection. There are the plain and changeable diagonals; plain, plaid, striped and invisible plaid serges; fancy mixtures in all sorts of odd weaves, dots, threads, cross-threads, hair-lines, lines here and there, many at a glance appearing alike, but upon examination are found entirely different. Our assortment of silks is complete—china silks, china surah, plain surah, bengaline, plain, figured and changeable silks, in all the new shot effects. Full line of fancy braids to match any color of dress goods.

....In Wraps

We find the most stylish and the prevailing mode to be the Cape, in some of its variations, single, double or triple cases. Some are plain, others very highly decorated, with finely indented braid, butterfly colors, or some full arrangement at the neck, so much approved this season by the feminine fancy. To some, coats only are the correct garment. To those who would say coats are equally fashionable and stylish, many of these having capes also attached—sometimes one, two or three, as the taste or inclination of the wearer may desire.

We have this season, for the first time, added a Millinery Department, and have spared neither trouble nor expense to make it a success. The result exceeds our most sanguine expectations. This department will be under the same management and conducted on the same principles that have always characterized our entire business. We shall keep everything in trimmed and untrimmed hats, novelties of every description. Having secured a trimmer noted for her artistic and skillful work, we are enabled to suit all tastes. We invite a careful inspection of our entire store. All welcome.
