Targetta nothing to the Constitution depriving the President of the United States of the privileges of a may of rest.

MISS BESS MITTOTELO, of Chleago, has finished her 10,000 mile hand by rail withing acting her foot on the ground. It is a remarkable achievement. Fully as remarkable, too, is the young fady's promise not to perpatnate in book form her impressions from a car window. The world is growing better in many respects.

THE patening up of the Baker Bal tot fill is engaging the attention of the Legislature. If it needs amendment, and no doubt it does in some partieulars, we take occasion to emition the amenders against too many alterations. What sometimes is very plausilve in theory proves detrimental in

Tit s English are latering under the hallustration that the Home Rule movement has a parallel in the American secession movement: But South Carolina, when she saceded, had legislative autonomy and Ireland ma not. She had everything that Ireland now anxies when she entered into the wur for slavery; and as soon as the rebellion was suppressed herlegislative and menty was protored. We are not aware that I reland in lends to fire upon the British flar or to light | co for the perpetuation of contrastavery.

Public day Incresons our traveling facilities. One of the recent advances in that direction he an avenugement of the Realing Railrod Company 1; which the transportation, without charge, of children's coaches, sowing amelities, invalid chairs, typewriting manchines and such other articles as families going to the country for the summer may desire to take with them will be allowed. This arrangement, we understand, will apply to all the lines of the road, and its advantages will no doubt be fully appreciated by those who are thus favored.

Kax-as from its earliest statehood down to the present writing has been noted for its prculinities, whether in politics, in mortraged lands and houses, la Populist uprising, or more recently in the fact that for the first time in the history of the country practical, and required both parties in the women have been exercising the controvers to ask for arbitrators. Under the present act either one of the parties can voting franchise in all the towns of the state. They exercised the right controversy. The aridirators act as a jury alleged to have been many with telling effect.

The bill passed finally by 158 years to 9 Whether this is to be regarded as the nave advent of a new political era, or merely a apasm which may or may not again railroad telegraph operators, prohibiting the employment of operators under 20 secur, are questions for the future, but for the readiness with which women have taken hold of persuits The Crawford county fence act requiring which until recently were considered railroads in that county to fence in their the prerogatives of men only, it is not the Judge Agnew act, directing that of the Annual two dead two example set by the Kansas women in cities and counties on the property of granting licenses on the granting licenses of granting licenses on t and, moreover, that having secured that right in one or two states, the right will sooner or later be accorded to them in all.

That those who attend the World's all local option laws now in force in counties.

On agreeing to the report of the commit-Fair will be subject to a good many inconveniences and discomforts is not the of the winds, embedying the amendto be doubted. There will be fortunate be exceptions. There will be fortunate and the report fell.

Fording further discussion the house adones who will have comforts in profu-ones who will have comforts in profu-tion but the what may be called hapsion, but the what may be called haphegard visitors, who go to Chicago bill, which occupied the greater portion of the standard in without some preliminary understanding in regard to where they are measure was killed by a cote of 101 to 68, to fin a co una dations and the characto fin a commodations and the character of such accommodations, will be very apt to find themselves in a maze of preplexity after they get there.

Among the cilis passed finally at the afternon session were these:

To protect the health and morals of minors under the age of 16 and to prevent them from gaming or pawning goods or the It is stated that there will be bureaus Constituting Lawrence county as a sepaof information, where strangers can apply and be directed to reputable and comfortable lodging places; but it tes with Mr. Loch, of Schuylkill, as chairman, to investigate the electric light trust will in the first place not be easy of Philadelphia. for the stranger to find out where those places are located, and next Senator Elize's bill on the new country of where the boarding and lodging Hazel. houses are situated. Our advice to all who contemplate visiting Chicago is that they shall loarn before they and to learn it from a reliable authority, otherwise they may, and in all probability will, find themselves in a probability will, find themselves in a gd as excessive and the most uncomfortable fix when they

get there. VOTE for your favorite teacher.

LOCAL OPTION KILLED.

PUBLISHED DAILY, SUNDAY EXCEPTED The Measure Voted Down in the House at Harrisburg.

A LONG DRAWN OUT DISCUSSION.

The Greater Portion of the Day Spent in Debate on the Fratures of the Bill-The Act to Establish Boards of Arbitration for the Sortlement of Labor Troubles. Passed Finally-In the South.

HARRISSONG, April 12 - Considerable in rest was mindifested in the presentings of he state legislature yesterday and when ME HAS CONQUERTO THE CHORUNA be greek full culling the two branches to other there were low vacant weats to be at in gerting down to active business. In is house the most interesting feature of the day's proceedings was the discussion on the local option bill, which occupied the major portion of the session, while the sene downied must of its time to the intro-ection and final processe of little. Amone the tolks introduced in the senate was one to talks introduced in the senate was one by Sanaria Herring for the protection of county bridges from damage by person-raling in driving horses, cattle or other because of burden faster than a walk. Someter Brown, of Westmoreland, amend-on his round bill to give Philadelphia the benefit of its provisions and reduce the in-

selt of its provisions and reduce the ap-priming to \$1,000,000. The EII to provide for the election of

olip treasurers was defeated on final The bill to exempt from the payment of

e mercantile ligaise, all dealers, in mer-pandiso in Philadelphia whose annual the see less than \$1,000 was generally sties at the measure which were damage up. He showed that last year the may measurer of Philadelphia collected \$323. ful in mercantile taxes and that the and collection was five per cont. Several nature could not see good reason for ex-cepting these venders of merchandise in tax. Senator Penrose made a speech as port of the bill, which has been couled to apply to the whole state. The large defeated—year 18, mays 22. An empt will probably be made to re-con-

er this work. These bills passed finally: provide for the payment of the cost the course of Hantingdon county for the markania Industrial reformatory, and plemaintenance in the county prison
