MAY NOT AUJOURN UNTIL JUNE 1.

A Question of Much Interest to Our Law-

makers. Hannsauna, April 17.-A question of interest that is engrying the attention of of legislators just now is "when are we going to adjourn? The senate has already used a resolution providing for the final djournment on May 11. This is now in Henry K. Boyer's committee on ways and means where it will be amended to suit the views of the house. The legislature will certainly not adjourn earlier than May 25,

nd may be in session as late as June 1. Nothing definite can be decided until the house calendar of revenue and appropria-tion tills has been prepared. There are over 200 bills of the latter class in the comnotice now and when they are sumped into the house there will be work enough to keep everybody engaged for three weeks to

WILLIAM R. LEADS, Representative William R. Leeds, of Philadelphia, is one of the best-known politicians in the state. He is an ex-sheriff of Philadelphia county and has beld many political offices, having resigned his seat in the house two years ago to accept the feligial appointment of United States marshal for the Eastern district.

THE ESCAPED WITH A FEW BELISES. Little Lona Dunn's Two-Story Tumble

Was a Very Lucky time. HACKERSACK, N. J., April 17.—Five year-ill Lena Dunn, of Kansas sireet, who fell roin the second-story window of her home riday morning, was in the best of spirits esterony, when a reporter called, Her scher, Jacob Dunn, said that he had all he ould do to make her keep quiet, for she was ancions to leave the house to play with nor little friends. Just before she fell out f the window she sat on the ledge, and when her mother wasn't looking, she raced her foot against the foot of the bed-tend, which stood near. The strain burst pan the soutters and she went turnbling ut. The receiled mother hastened down tairs, expecting to find her child dend but

(Concluded in Supplement.)

In Paint the cheapest. Strictly Pure White Lead is best; properly applied it will not scale, chip, chaik, or rub off; it firmly adheres to the wood and forms a permanent base for repainting. Paints which peel or scale have to be removed by scraping or burning before satisfactory repainting can be done. When buying it is important to obtain

Strictly Pure White Lead

properly made. Time has proven that white lead made by the "Old Dutch" process of slow corrosion pessesses qualities that cannot be obtained by any other method of manufacture. This process consumes four to six mouths time, and produces the brand that has given White Lead its character as the standard paint. standard paint.

John T. Lewis & Bros. is the standard brand of strictly pure Lead made by the "Old Dutch" process. You get the best in buying it. You can produce any desired color by tinting this brand of white lead with National Lead Co.'s Pure White Lead Tipting Colors. Tinting Colors.

For sale by the most reliable designs in Paints For sale by the most remaine designs at Pantae everywherm.

If you are going to point, it will pay you to send to us for a book containing information that may save you many a dollar; it will only cost you a postal card to do so.

JOHN T. LEWIS & BROS. CO.,

Police and Blutters Come Torother, American April 17.—The conflicts be-tween the perice and the Socialist rioters were removed but might, the Socialists parading the streets and challenging the po-tice to combat. The police, armed with swords, attacked the rioters, several of whom were injured. The mob was at length dispersent and order restored.
