ALL OF THE IMPORTANT EVENTS

Governor Pattison Asked for Aid to Stamp Out Typhoid.—The following is the text of the communication received from the Pennsylvania State Board of Health, Harrisburg, Pa., dated April 22:

HARRISBURG, April 22.—The announcement yesterday of the fact that the affairs of the Pennsylvania Steel Company had passed into the hands of receivers was a great surprise to everybody, especially to those high up in financial circles. The company's plant at Hazelton, three miles below this city, has always been credited with being one of the greatest steel-producing plants in the state and has had a reputation of making steel in sizes only to the great Carnegie works at Pittsburgh.

In the mill at Hazelton there are employed regularly an average of about 4,400 men and boys, to whom an enormous amount of money is paid every month and as a result of the business there has developed a great financial center, both directly and indirectly, from the money received by the employees of the steel company, considerable resources are felt as to the probable outcome of the entertainment.

In an interview with one of the officials of the company last evening it was learned that the company's embarrassment was due principally to the present emergency in the market, and that it is only temporary. The works will be kept in operation to their full capacity and none of the present employees will be discharged. It will take fully six months, it is said, to turn out the orders now on hand, and new orders are pouring in at a rapid rate.

The company does a business of more than \$3,000,000 a year, and there is a disposition to believe that the assets will amount to more than the liabilities. The plant and machinery are valued at \$3,000,000 and the accounts receivable at \$2,000,000. The stock on hand is valued at \$2,000,000.

Mr. O'Connell Withdraws.—Yesterday afternoon, April 22, Mr. O'Connell, who had been named as a candidate for the nomination of the State Republican Convention for the office of Governor, announced that he had withdrawn from the contest.

Ex-Marshall Halted Outside for State Treasurer.—Yesterday afternoon, April 22, Mr. H. M. Brown, ex-Marshall of this State, was arrested by the State Police for being drunk and disorderly.

The Governor Asked for Aid.—The following is the text of the communication received from the Pennsylvania State Board of Health, Harrisburg, Pa., dated April 22:

HARRISBURG, April 22.—The following is the text of the communication received from the Pennsylvania State Board of Health, Harrisburg, Pa., dated April 22:

He Remembered His Enemies.—The will of the late Father J. J. Russell, of St. Peter's Catholic church of Columbia, was admitted to probate yesterday, and among other bequests made the following remarkable ones: "I give and bequeath \$500 to my enemies; that is to those who injured me or tried to do so either by word or deed."

Two New Companies Chartered.—The following are the names of the two new companies chartered yesterday:

BRIEF PENNSYLVANIA ITEMS.—Ex-Senator Joseph C. Baldwin, formerly of Ohio, and a wealthy man, has been indicted in Erie, Pa.

Mrs. Mary E. O'Fallon—A woman who was raised from the dead after a long and terrible illness from blood poisoning.

USED BY ALL ROOFERS—J. G. HETZEL'S RUBBER CEMENT.

Dr. David Kennedy's FAVORITE REMEDY

It is well known that Stone in the Bladder, Gravel, Kidney Disease, Diabetes, Gout, Rheumatism, Dyspepsia and Nervous Prostration, have a common origin, viz., EXCESS OF URIC ACID IN THE BLOOD.

GIVEN UP BY THE DOCTORS.

I was afflicted with Inflammatory Rheumatism for 15 years, so severe that I was supposed to be crippled for life. I doted with the best physicians, but continued to grow worse, and had given up all hope of recovery.

About five years ago I was induced to try a bottle of Dr. David Kennedy's Favorite Remedy, made at Rondout, N. Y. It gave me relief at once, and after using several bottles was cured. Have felt no Rheumatism for three years or more and consider myself permanently cured. I can not say too much for this wonderful medicine in transforming me from a suffering cripple to perfect health.

E. P. TAYLOR, East Nassau, N. Y.

I can now for every word Mr. Taylor has written as he lives neighbor to me and I sold him the Favorite Remedy.

M. R. MELLUS, Mendham, N. J.

BRIGHT'S DISEASE CURED. My daughter was stricken with Bright's Disease. Her ankles, feet and eyes were terribly swollen. Four physicians attended her, but her life was despaired of.

A mother's love surmounts all difficulties, and I determined to try Dr. David Kennedy's Favorite Remedy, made at Rondout, N. Y. One by one the well known symptoms of the disease left her. Words cannot express my gratitude and I earnestly recommend this great medicine. My daughter's recovery was due entirely to Favorite Remedy, which was the only medicine taken after her case was abandoned by the physicians.

Mrs. LAURA A. KEMPTON, West Rutland, Vt.

THE BEST SPRING MEDICINE.

A KNOWN SOLVENT for STONE in the BLADDER Nature's Antidote for URIC ACID. It Strikes at the Root, IMPURE BLOOD.

In Bright's Disease, Chronic, Kidney or Liver Complaints, Scrofula, Salt Rheum, and Sick Headache, it is a well known cure. For all the ills and sickness peculiar to women, it's a real blessing.

CURES THE LITTLE ONES AS WELL.

My little grand daughter had eczema the worst she was a mass of running sores from her ears around the entire neck to her cheeks. My wife gave her Dr. Kennedy's Favorite Remedy in small doses, and what was the result? To day the sores have all disappeared, she is smooth and clear, and she is fat and rugged and as bright as a silver dollar.

F. L. PALMER, Athens, N. Y.

WIFE HAD FEMALE COMPLAINTS, HUSBAND STOMACH TROUBLES.

Mr. Shults writes: "I was troubled with my stomach, food breaking up sour after eating—would wake up nights with a burning distressed feeling that made life almost unbearable. Reading of Dr. David Kennedy's Favorite Remedy of Rondout, N. Y., tried it, and before I had finished the third bottle I was cured. But the greatest blessing was the cure it performed for my wife, who was troubled with sickness common to all women. She could hardly drag herself about the house; nothing helped her until she used Favorite Remedy. In a short while she began to pick up in health and strength, and is a well woman to-day. I believe had it not been for Favorite Remedy she would now be in her grave."
