GLEANINGS HERE AND ELSEWHERE

The Gream of What the Reporters Hear and See in all Sections of the Town Nicely Grouped Together.

MPROVEMENTS not under way at the Kohinnor colliery prom ise to greatly facilitat the operation of the workings and increas the shipments. The work of making the changes will be com-

lated in about three weeks. A new underground slope is being sunk or he Buck Mountain velu of the mine. When ompleted it will be about 150 yards in depth 4 feet wide and 8 feet above the rail.

The slope is fast nearing completion and n contemplation of this mechanics have started to put in the holding apparatus and are placing a pair of first motion engine which are us large and equal in all respect to the engines in use at the Seenandonh Cit,

When this new slope is put in operatio the colliery will have an increased espacity a the colliery

Points.

Lilacs soon. Trailing arbutus new. Desirable offices for rent-see "want

Good servant girls are as scarce as hen' teeth in Shenandoah. Bad ones plenty. Another sale of Western horses on Priday Read advertisement in to-day's Flataal.D. It is reported that Dives, Pomerov

Stewart contemplate opening a large branch iouse in Girardville. Pneumonia and death are now camping or the trail of the young man who is trying to reak in his new spring clothes.

It is said the calendar of the Pottsville criminal court, which will be taken up next Monday, will be a very lengthy one.

C. J. Quinn has repaired the sign that spans eralds the virtue of the Singer machines. During the dull after the new dam at Eaven Run and watching the ground, the progress of the work.

The gentle warble that was intrusted with the message, "Little Robin toil Kitty I'm Coming," is not expected to report until after he gets his overcost and snow shoes out of

The fire plug at the corner of Main and Line streets has been repaired and is in good condition again, owing to a thorough oversculing received at the hands of the everhandy W. P. Williams.

A Pole made coreplaint to 'Squire Shoe

It is said that after the Main street property-holder will be allowed to connect with it, as ample opportunity to make connection has been given to all. The HERALD acknowledges receipt of an

excellent musical composition entitled Ridgeview Waltz" by A. R. Shaw, of La robe, a former resident of this town and on-in-law of George G. Jacoby.

John M. Piace, who is serving time in the Pottsville jail for libel, will no doubt be pardoned. George W. Childs, A. J. Drexel and other preminent men have signed a petition to the Governor asking for it. His sister, who is an employe in one of the state departments, is managing his case.

Gus Long, conductor on the Reading Railroad, has a record of traveling 200,000 miles.— Exchange. This must be a mistake 800,000 miles would be nearer the mark, for one of the HERALD staff was with Long during one-eighth of the latter's railway service and has a credit of 100,000 miles.

when I was a boy."

Stole a Watch.

Anthony Donosavage was robbed of a silver watch in Bunsavage's saloen on East Centre once. street last night. Anthony Govanotsky wa arrested but positively denied the charge, but he was put under \$300 bail, as the proseguilty man.

Arm Lajored.

Patrick Connelly, of South Jardin street, had his right arm very badly squeezed Arules and Oti Liniment. between the elbow and shoulder this morning by having it caught between mine cars at the Turkey Run colliery.

"Tom" Ferguson Dead. Yesterday afternoon P. J. Ferguson recived a telegram announcing the death of his brother, Thomas J., of this place, at Chicago. The deceased was 42 years of age and left a wife and three children, the eldest seing \$7 years of age. No arrangements will probably arrive on Thursday.

Breaker Boys Arrested, Said a noted man of 60 years, "my mother state and coal at the Poles and Hungarians the temperature as we neared the Tropies gave me Downs' Effxir for coughs and colds who work at the colliery. The case will be and, in particular, a couple of Allcock's tried by 'Squire Monaghan to night.

Coughing Leads to Consumption, Kemp's Balsam will stop the cough at

Indecent Assault.

Mary Tulure appeared as prosecutor before Squire Shoemaker yesterday afterneon in a curor was quite as positive that he was the case against Max Darewicz, charging indecent or buncombe, but living facts. Lew Hopkins assault. The accused waived a hearing and of Co. K. Sist Pennsylvania Volunteers, has furnished \$300 ball for trial.

"Admirat."

"Don't Mention It" is what a connoissour remarked when questioned as to whether the Grphans' Fond, G. A. R. 4-25-1t hows & Co., Mahaney City, Pa.

A FEW CASES RECORDED

LAST NIGHT. AN ARREST MADE AT PITTSTON

Yorkshaw Robbed His Room Mate and Skipped, But is Brought Back to Stand Trial For It.

temple of justice in the First ward have taken a little boom, Last his docket. One of them was a case in

which George York isw appeared as the accused and Joe-Stremitus was the prosecutor.

About a month ago the two men were commutes in a Hungarian bearding house in this town and Yorkshaw all loyed out with \$30 which he took from the presecutor's trunk. Special Officer Authory Alexis was given the case and on Sonday last he learned that the fugitive was in Luzerne county. At six o'clock yesterday, morning be arrested Yorkshaw at Pittston. The accused was given a hearing before. Squire Monaghan has night and committed in default of \$500 ball. work of making the improvements in mo the finny tribe will find much to interest to the small in the lockup, but will probably go to Mr. Gable, chairman of the street comto the county jail to-morrow.

Our Post Office. The Reading Evening World, Democratic, mays the following compliment to the management of the post office in that city that gazeaut them. In the main building, What is here said can be applied to many lanada, Norway and Japan already have post offices in this county: The "rascals" in heir exhibits well toward completion. Our charge of the Reading post office are new running this important institution in a mos shape. The specimens here are all staffed creditable manner, a condition of affairs that gives great satisfaction to everybody, exalmon, monster Quinnat salmon from the epting, of course, the hangry few crying Restigoucho, speckled trout from the "turn the rescale out—and put us in !" At Nipigon, and lake front from Lake Memph. the Board of Trade banques the other even amagog. As a display of the denizens of ing Assistant Postmaster Kenney gave some 'anada's waters it is highly interesting and statistics regarding the office that were as reditable. Japan has a large display which supprising to many present as they were the quint, dark haired workmen were busy agreeable. It is all too true that the people never think of the post office at all when it light in showing the daintily framed exhibs, is progressing admirably, but think and talk is, and in translating the bieroglyphic char- of it a great deal when the slightest hitch in acters thereon into a queer English that told the machinery takes place. This, however, the payement in front of his agency and they were cod, flounders, amelt, sardines, is one of the peculiarities of our human Anchovy and herring. They have also a nature. We do not think at all of our well pleasant weather. Hence the post office effials must ever regard the allence of the cople as the best evidence of approval on their part of the manner in which the big and rapidly growing mail business of this city is conducted

Go to the Fair. The public is responding quite generously to the append for the relief of the widows and orphans' fund of Watkin Waters' Post, ness before midsummer. Thus far there are No. 146, G. A. R., and the fair now being held stood that Miss Kate James, daughter of Rev. being well patronized. As the drawing response to the appeal will be continued for will be married on May 10th, at Shamokin. few more days. Last night the attendance Wooden, of town, and James Hughes, last night was a can of lard and was won by formerly of this place, but now of Johnstown, Charles Fitzalimmons, a little boy who helps to support his widewed mother by working in the breaker. There will be an extraor linary bill of attraction at the fair to-night but no increase will be made in the charge
