CONTESTS COST MONEY.

The House Elections Committee Asks for \$31,176

TO PAY EXPENSES INCURRED BY IT

In inquiring into the various contested election cases—Governor Patton returns to the House a bill which is approved—First and Second Reading of Bills in the Senate.

HARRISBURG, April 25.—The House met at 8 o'clock last evening. In the absence of Speaker Thompson, Henry K. Boyer, of Philadelphia, occupied the chair. Mr. Smith, of Jefferson, chairman of the printing committee, offered a joint resolution, which was adopted, providing for a commission consisting of three members of the house, two senators and two persons to be appointed by the governor to inquire into the advisability of the establishment of a state printing office where all state printing shall be done.

A special order for this week was provided for the bills relating to Jefferson and Loudoun counties into separate judicial districts. Chairman Tolson of the elections committee introduced a bill appropriating \$31,176 for the expenses incurred by that committee in inquiring into the various election contests that have been before it.

The governor returned without his approval bills providing for the expenses of school directors in attending the triennial convention to elect the county superintendant. Inquiring his reasons for vetoing the bill, the governor said that this duty has always been performed without compensation, and while he is informed that in some counties the practice of directors permitting candidates to pay their expenses has grown to be an abuse, yet this is not sufficient reason for annulling upon the counties the large aggregate expense liable to result from this bill because of these rare instances in which the profligacy of candidates or the impetuosity of directors have led to abuse.

The bills providing and establishing the fees to be charged by justices of the peace, aldermen and constables, and requiring monthly returns and payment by county and city officers of moneys received by them for the use of the commonwealth, passed second reading.

A number of bills passed first reading and the house at 10 o'clock adjourned.

The plague of breaking lamp chimneys is abroad in the land. There are two sorts of chimneys; brittle and tough. Ninety-nine in a hundred are brittle. The worst are imported from Germany. The best are Macbeth's "Pearl-top" & "Pearl-glass."

Two sorts as to workmanship: fine and coarse. The fine are Macbeth's "Pearl-top" and "Pearl-glass." The coarse are rough and out of proportion; misfits and misshapen; they do not make a good draft; they smoke.

Two sorts as to glass; transparent and gray. "Pearl-top" and "Pearl-glass" are clear, fine and tough—tough against heat. Call for "Pearl-top" or "Pearl-glass" chimneys.

Like a Waterfall After the Grip

Tremendous Boaring in the Head - Pain in the Stomach. "To C. L. Hood & Co., Lowell, Mass. "Two years ago I had a severe attack of the Grip, which left me in a terribly weak and debilitated condition. Last winter I had another attack and was again very badly off, my health being very weak. My appetite was all gone, I had no strength, felt tired all the time, had disagreeable roaring noises in my head, like a waterfall. I had lost several hundred pounds and was nearly dead.

Severe Stinging Pains in my stomach. I took medicines without benefit, until, having heard so much about Hood's Sarsaparilla, I concluded to try it, and the result is very gratifying. All the disagreeable effects of the Grip are gone, I am free from pains and aches, and believe Hood's Sarsaparilla is surely curing my stomach. I recommend it to all." Geo. W. Cook, St. Johnsbury, Vt.
