LANCASTER, May 10.—At the bi-monthly meeting of the Lancaster County Tobacco Growers' Association yesterday afternoon it was reported that two experimental stations had been established in the northern and southern sections of the county, and the hope was expressed that the bill for an appropriation now pending in the legislature would be passed, so that several more

can be established.

The seed beds were reported extremely backward owing to the late cold spring. A resolution was passed asking the legislature to grant the appropriation at as early a day as possible, as it provides for experiments to revive one of the most important agricultural interests in the state. The ex-perimental stations thus far established are in West Lampeter and Donegal townships.

THE CONSTITUENTS LEFT BEHIND.

Senators and Representatives Visit the White House and Talk With Mr. Cleveland-Representative Bynum, of Indiana, Suys the Order Excluding Officeseekers Was Necessary.

Wassington, May 10.—Six senators and ve representatives called on Mr. Cleveland esterday before the cabinet meeting. They beyed the letter of the president's new rules and brought no constituents with them. No attempts were made by persons ther than senators and representatives to see the president. It was a very quiet day, the quietest at the White House since March 4, with the exception of the period during which the president was absent in New York and Chicago One of those who saw the president was

such decided action and he believed it would be followed by similar orders from the various cabinet officers. He hoped it would. The rush for officers he said, is greater than ever before two contracts of the contract of t reaser than ever before, twice as great a preater than ever before, twice as great as it was during the first term of Mr. Cleve-land. It was his opinion that semething had to be done to stop the rush in order to allow the president to attend to the public

They Musi Stay in the Navy.

Washington, May 10.—Secretary Her-bert has determined that he will not grant may have of absence to naval officers to su loyment outside the navy. This rule ap-iles to explorers like Lieutenant Peary as well as to officers who are employed by manufacturing firms. Existing haves of that kind will not be interfered with or curtailed, but they will not be extended under any circumstances. One naval of

Commander Folger is in the employ of the Harvey Nickel Plate Company, at a large salary. Secretary Herbert says that some of these officers are using their talents and the education and avacuate their talents and the education and avacuate their talents and the education and avacuate talents and the education and avacuate talents. ents and the education and experience they acquired at government expense in direct competition with the interests of the gov cut, and that the practice must be officers detailed as instructors at schools, colleges, or on school ships, but will termi nate their connection with private enter-prises as the leaves hitherto granted ex-pire. The secretary of war is considering the propriety of making a similar rule as to army officers.

The Atlanta May go to Slearagua. Wassixoron, May 10.—At the request of the secretary of state the secretary of the navy has ordered the United States erniser Atlanta to Greytawn, Nicaragua.
This step is taken in consequence of the
existing revolution in Nicaragua. Grey-town is the eastern terminus of the Nica-ragua canal, and the Atlanta goes there to protect American citizens and American interests. Secretary Greshum has no in-formation tending to create apprehension of troubles at Greytown, but as the revolution seems to be progressing, he deemed it a necessary step of precaution to have a war vessel sent there.

Will Not Stay in Honolnin. Washington, May 10 — Advices from Commissioner Blount and Minister Stevens with reference to the situation in Hawaii were received at the state department yes-terday. Mr. Stevens declines to accede to the request of the state department to stay at Honolulu and says he will leave for San Francisco on May 24.

Letters received by the same mail by naval officers and others in the government service indicate that the provisional government maintains a firm hold. One let ter states that the native sentiment in favor of annexotion is growing,
