AN OFFICIAL DINNER THURSDAY

The Princess is Delighted at the Courtliness of Which She is the Recipient—She Does Not Wish to be Treated in Any Other Way Than that Arranged by the Government.

WASHINGTON, May 22.—The Infanta Eulalie and her suite attended high mass at 11 a. m. at St. Matthews Church.

In the afternoon the royal party took a drive through the city and the suburbs. The programme of the Princess Eulalie's stay in Washington has been arranged by Commander Davis, representing the United States Government and Senor Murugua, the Spanish Minister.

Monday and Wednesday of this week will be devoted to sight-seeing. The Infanta and suite will visit all the Government buildings and other places of interest in Washington under the guidance of Commander Davis.

Tuesday morning the members of the diplomatic corps will accompany the royal party on a steamship chartered for that purpose and in command of Commander Davis. It was originally intended that a reception to the diplomatic corps should be given by the Infanta at the Arlington on Monday night.

Gresham Does Not Think That China Will Take Action.

His Conference With the Chinese Minister Has Set at Rest the Fears of Trouble That Had Been Entertained. WASHINGTON, May 22.—The Chinese law is still a live subject of consideration and discussion in the diplomatic branch of the government.

From this statement by Secretary Gresham it may be inferred that the Minister has set at rest any doubts he may have entertained as to formal retaliation by China or the danger of lawless outbreaks and mob violence directed against the American missionaries and other residents in China.

It begins to look as if the Goary law were to be enforced without much delay. Secretary Caville says that he will certainly enforce it as to deporting Chinese as far as the means at his disposal will permit.

This beautiful child whose picture is shown here, is the grandchild of Mr. J. E. Palmateer of Athens, N. Y., who had been cured of gravel in the kidneys and insomnia, (sleeplessness) after finishing his letter by saying:

But this is not all Dr. Kennedy's Favorite Remedy has done for our family. My little grand daughter has become the worst way; she was a mass of running sores from her ears around the entire neck to her cheeks. My wife gave her Favorite Remedy in small doses, and what was the result? 7-day the sores have all disappeared, the skin is smooth and clear, and she is fat and rosy and as bright as a silver dollar.

Dr. Solomon Davis of North Kortright, N. Y., finds himself at 72 years, suffering from neuralgia, felt thro all the time, weak, languid, poor appetite, and no ambition.
