An Undisputed Test of Merit.

A medicine that has been a household remedy for over fifty years and used in that time by more than 150,000,000 persons must have great merit. Such a medicine is found in Brandreth's Pills. This fact demonstrates the value of these pills better than any statement of the proprietors. It will be observed that the dose required to cure is small. One or two pills taken every night for ten or twenty days will cure dyspepsia, costiveness, rheumatism, liver complaint, biliousness, or any disease arising from an impure state of the blood. Brandreth's Pills are purely vegetable, absolutely harmless, and safe to take at any time. Sold in every drug and medicine store, either plain or sugar coated.

Now for Oxford Ties.

Main's Circus.

"Best that has been here," was the universal verdict of all who attended Walter L. Main's circus and menagerie on last Saturday. The show is worthy of the highest commendation. Throughout from the grand entrance to the close was a continual whirl of pleasing surprises. A more quiet, orderly, and fine appearing company of attaches never appeared here with a show.—Cochectan, O., Standard. Main's circus will appear in Shenandoah on Monday, June 5th.

No. 4 NORTH MAIN STREET,

Grand Display of

FINE DRESS GOODS

DRESS GOODS is such a bewildering topic that we will not attempt a full description, but give a partial outline, which you can fill in by a personal inspection. There are the plain and changeable diagonals; plain, plaid, striped and invisible plaid serges; fancy mixtures in all sorts of odd weaves, dots, threads, cross-threads, hair-lines, lines here and there, many at a glance appearing alike, but upon examination are found entirely different. Our assortment of silks is complete—china silks, china surah, plain surah, bengaline, plain, figured and changeable silks, in all the new shot effects. Full line of fancy braids to match any color of dress goods.

....In Wraps

We find the most stylish and the prevailing mode to be the Cape, in some of its variations, single, double or triple capes. Some are plain, others very highly decorated, with fancy (indiscent) braid, butterfly colors, or some full arrangement at the neck, so much approved this season by the feminine fancy. To some, caps only are the correct garment. To those we would say caps are equally fashionable and stylish, many of these having caps also attached—sometimes one, two or three, as the taste or inclination of the wearer may desire.

We have this season, for the first time, added a Millinery Department, and have spared neither trouble nor expense to make it a success. The result exceeds our most sanguine expectations. This department will be under the same management and conducted on the same principles that have always characterized our entire business. We shall keep everything in trimmed and untrimmed hats, novelties of every description. Having secured a trimmer noted for her artistic and skillful work, we are enabled to suit all tastes. We invite a careful inspection of our entire store. All welcome.
