HABRISHURG, June 2 .- The legislative session of 1893 has at last drawn to a close, and the chambers in the canitol where so much business has been transacted during the past five months to-day present a decidedly lonesome appearance. The lawmakers have nearly all left the city for their respective homes, and Capitol Hill, so far as legislators are concerned, is again desertod.

The senate met at 11:50 yesterday and was called to order by Lieutenant Goveror Watres.

Mr. Penrose moved that a committee of two he appointed to inform the house that he senate will be ready to adjourn sine die at 12 o'clock noon. Messra, Penrose and Lloyd were appointed.

The report of the committee of conference on the general appropriation bill was submitted, which was adopted and sent to the governor for his approval.

Mr. Porter moved that the senate procond to elect a president pro, tem. of the senate. Mr. Smith nominated C. Wesley Thomas, and Mr. Monaghan, of Schuyl-kill, nominated A. D. Markley. Mr. Thomas received 33 votes and Mr. Markley 15 votes, whereupon C. Wesley Thomas was declared duly elected president pro. tem. and Messers, Markley and McCreary were appointed a committee to electratin to the chair, when he delivered an impressive address, after which the oath of office was administered by Hon. IN THE HOUSE,

IN THE HOUSE, The house convened yesterday morning again after having been in session almost the entire night. Many bills were dispused of however, and the session was devoted to passing the Baker ballot law amend-ments and the general appropriation bill. The conference report on the Nesbit road bill was defeated. With the fall of this bill, the accomputation of \$1,000,000, for Headache, yet Carter's Little Liver Pills are equally valuable in Constipation, curing and pre-venting this annoying complaint, while they also correct all disorders of the stomach, atumiate the bill the appropriation of \$1,000,000 for township road purposes, previously passed. The committee reported that he had no communication to send. DR. BRIGGS' SENTENCE

Suspension From the Pulpit Said to be Too Severe.

A PROTEST AGAINST THE DECISION

The Committee Made the Report and B Was Adopted by the Assembly - Dr. Briggs Refused to Believe the Tension-Will Stick to His Former Utterances.

WASHINGTON, June 2 - Although by the lecision of the General Assembly Dr. Briggs has been deposed from the ministry there is a feeling that the sentence is too severe, and there was a disposition among many of the members at the opening sea sion this morning to sttempt a reconsidera tion of the vote of last night.

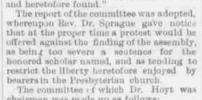

Rev. Dr. Fessecck upon invitation of the Moderator offered the opening prayer when the Assembly came together at the call of the Moderator. Dr. Craig then convened the Assembly as a court, to best the report of the committee appended to preserve the avelantee minute in the prepare the explanatory minute in the Briggs case.

The Stated clerk announced that Rev The Stated clerk announced that flev. Robert Moors, of Ottawa, had stated that he was present last night and voted to sustain the question of the appeal from the New York Presbytery's decision, but owing to a severe cold, was unable to make himself heard. Mr. Moore's vote was recorded, insking the number of votes to smarth an aver 200

To summin an even 500. To summin an even 500. Rev. Dr. Hoyt, chairman of the commit-tee, before making the report called upon Dr. Baker, chairman, of a sub-committee suit to interview Prof. Briggs in a sprif of conditions of the summing of the summing of the summing summing of the summing of the summing of the summing of the sum of the summing of the summing of the summing of the sum of the summing of the summing of the sum of concillation, to report the result of that interview. Dr. Baker said the committee had hoped that Prof. Briggs would say something which might relieve the tension of the present distrision situation. But this hope had not been realized. Prof. Briggs stated his irrevocable determination to abide by the deciaration made in hi address before the Assembly in his defence and continue to reach the doctrines there avowed. Whereupon, Dr. Baker said, the committee took the action which Mr. Hoyt would now report to the General Assem
