SIXTEEN PER CENT, OF LIFE INSURANCE APPLICANTS REJECTED ON ACCOUNT OF DISEASED KIDNEYS.

The Trouble Comes From Lack of Care.

Dr. Lambert the general medical director of the Equitable Life Insurance Company, N. Y., said: "We reject sixteen per cent, of the applica-tions made to us for insurance, and I have save the entire expense of this medical depart ment, by the rejection alone of applicants who

This appalling statement coming as it does, from such high medical authority, should have the attention of our citizens There is no reason to day, why people should allow kidney disease to get such

a hold on them.

Nature sends her warning in the slight Nature sends her warning in the slight pain in the back, poor circulation of the blood, sediment in the urine. When any of these symptoms appear, Dr. David Kennedy's Favorite Remedy should be taken in small doses at once, and thus drive the poison out of the blood and restore the kidneys to healthy action.

To our knowledge this is the only medicine that surply and effectually cores this

cine that surely and effectually cures this almost universal complaint. We note the happy recovery of Mr. Oscar Lambert, of Jerico, Mo., whose case has been talked of in the papers the

It relieved my kinneys almost immediately, and in a few weeks I was clear of all pain, and entirely cured, I one my present lesse of life to Favorite Bennedy."

It is used and recommended for what it accomplishes. Writes Mrs. A. J. F. Manchester, from Providence, R. I. "I began using Dr. Kennedy's Favorite. Remedy for kidney disease, when Doctors fadiod to relieve me. It drove a bad humor out of my blood, cured my kidney trouble, and I am truthful when I say it saved my life."

Wm. Huston the popular West Shore R. R. engineer, came out in an open letter stating how he had suffered with kidney disease. Physicians treatment, and the use of various preparations failed to benefit him. Dr. David Ken-nedy's Favorite Remedy, was procured

and it made him well.
Favorite Remedy has had more free advertising in the columns of the daily papers, than anything we know of, from the fact that it does as is promised.

the fact that it does as is promised. "cures disease." Dr. Kennedy's Favorite Remedy possesses marvelous strength giving qualities, that render it especially, valuable to the aged or infirm. For a general all around tonic, and to cure any disease arising from an impure condition of the blood, it has no equal. Druggists are selling more of it than all others combined.
