THIRDEDITION

PERSONAL.

Prof. Freeman left for Providence, R. I.

Harris Self has returned from a pleasure trip so Montoursville. B. Labows, of Mahanoy City, was in town

on business vesterday. L. A. Bamberger returned home to-day

from an extended Western business trip. Editor McCarty, of the Hazleton Sentinel, was a visitor to the HERALD sanctum this

William Kimmel, wife and son, William, left town for Chicago to-day to attend the

World's Fair. They will be the guests of Mr. Kimmel's brother for several weeks. Hon. M. A. Leary, formerly of Gilberton and who represented this district in the Legislature some years ago, is in the hat

manufacturing business in Philadelphia and doing quite well. William Durkin, who left town seven years, in disgust, is comfortably located in West Philadelphia is well fixed, financially and winerwise, and would not return to this county if the whole of Shenandeah was given him. He lately secured a most valuable patent which will make him a very rich

R., and stands high among the members. To-morrow Hon, James H. Campbell, who 1858 and 1860, and his accomplished wife will celebrate their golden wedding at their beautiful rural home at Wayne, near Philadelphia. He retired from Congress to accept the mission to Norway and Sweden, but after his return from abroad he located in Phila delphia to practice law. He retired from active practice some years ago and has since lived in the quiet enjoyment of his country home and his circle of old friends. His wife, who has aided him to adorn every public position he filled, is a daughter of the late Chief Justice Ellis Lowis. The many friends in this county wish the honored couple many years more of happy wedded life.

The Odd Craft That Is to Be Seen on the Fashion's Latest Odd and Novel Suggestions In Collarettes.

As the gorgeous street pageant passes the New York Sun fashion writer sees an impression among the bunchy gowns skirts. A slender woman is in a gown of

shot hopsacking ecru, with a thread o green and a hint of rose, having the skirt made in two circular flounces without a particle of fullness at the top. They are 28 minutes, and the hydrocyclists conse cut from the wide goods that come for the purpose on the general plan of the round cookies our grandmothers made with a hole in the center, and have no seam at all in the skirt, or if the cloth is narrower they have one seam in the back, but no darts or gathers at the top. And in the edge of each flounce are two little pipings of rose silk, very narrow and modest. Half an inch above these pipings are three milliner's folds of brown about half an inch wide and the same width apart. The hat is black. same width apart. The hat is black, with a lace butterfly in front and crimson roses crowded under the brim in th

But the odd thing about the dress is the cape or collarette of brown velvet. which is fulled around the shoulders, man, "Billy" is a member of Post 6, G. A. pointing down between the shoulders, ending in two tab ends to the bottom of ending in two tab ends to the bottom of the dress in front. All over this odd litto the dress in front. All over this odd litrepresented this district in Congress in 1854. the tippet was fitted beautiful white lace apparently woven in the form of the garment itself, pointing in a pattern down the back and extending to the edge of

the long tabs in front. One thing is fully decided by this promenade of the accepted fashions, and that is that the hoopskirt has made a bold attempt at invasion, but has not been accepted. Cheap dresses of flimsy stuff may be set out with a hoop, but elegant womankind doubles the number of silk or lace frilled cambric skirts, flounces the new dresses half way to the top with silk of the Boson Athletic association. He and gets the effect without the hoop, and gets the effect without the hoop. Occasionally woman does arise in her majesty, and how quickly a fashion dies when once she is decided and in earnest, which makes it all the more astonishing that she does not assert herself more frequently and insist upon retaining artistic modes rather than rushing into absurdity for the sake of a change,

Fried Smelts.

To clean them make a slight opening in this specialty whose name is at the gills, then draw them between the Henri French and thumb and finger, beginning at the tail. This will press out all the insides. Wash and wipe them. Now sprinkle them with salt. Dip them first in beaten eggs and then in bread crumbs and fry in boiling fat. Garnish with parsley and slices of lemon and serve with sance tartare. All small fish may be fried in the same way. known but he als

Summer Shoes. The woman whose winter size of shoe is 3;B is now luxuriating in a 4;D. She ever successfully attempted. has sensibly chosen a shoe that gives her rides the the same freedom of motion as though she were barefoot. Shoemakers will tell you sometimes that a too loose boot is as bad for the foot as a too pinching one. That may be true of boots that cover the difficult enough, and it may be readily in agined low the atility and to the ardnous That may be true of boots that cover the entire foot, but it is not true of low shoes. Everybody owes it to herself and the family to make herself so bodily comfortable in the spring of the year that shopping does not fatigue and house last in the spring of the year that shopping does not return to the spring of the year that shopping does not return to the spring of the spring of the year that shopping does not return the spring of the year that shopping does not return the spring of the year that shopping does not return the spring of the year that shopping does not return the spring of the year that the spring of the spring the cleaning does not worry. Just let her order a pair of walking shoes "a mile" beg pardon-a size too large for her, and she will begin to have the physical en-joyment of her well cared for feet that nature intended her to have of every part of her physique.

To Draw Linen Threads.

To draw linen threads for hemstitching take a lather brush and soap and lather well the part where the threads are to be drawn. Let the linen dry, and the threads will come out easily even in the finest linen.

An 1830 Bonnet-

A charming bonnet is represented in this engraving, which shows an empire poke in gray chip, with an insertion and edge of fancy straw. Adjusted under the brim and resting lightly upon the hair in front is a full blown pink rose, and at the front of the crown another

Grand Display of

FINE DRESS GOODS

RESS GOODS is such a bewildering topic that we will not attempt a full description, but give a partial outline, which you can fill in by a personal inspection. There are the plain and changable diagonals; plain, plaid, striped and invisible plaid serges; fancy mixtures in all sorts of odd weaves, dots, threads, cross-threads, hair-lines, lines here and there, many at a glance appearing alike, but upon examination are found entirely different. Our assortment of silks is complete-china silks, china surah, plain surah, bengaline, plain, figured and changeable silks, in all the new shot effects. Full line of fancy braids to match any color of dress goods,

....In Wraps the prevailing mode to be the Cape, in some of its variations,

Cape, in some of its variations, single, double or triple capes. Some are plain, others very highly decorated, with fancy indescent braid, butterfly colors, or some full arrangement at the neck, so much approved this season by the feminine fancy. To some, costs only are the correct garment. To those we would say coats are equally fashionable and stylish, many of these having capes also attached-sometimes one, two or three, as the taste or inclination of the wearer may desire.

We find the most stylish and

We have this season, for the first time, added a Millinery Department, and have spared neither trouble nor expense to make it a suc-The result exceeds our most sanguine expectations. This department will be under the same management and conducted on the same principles that have always characterized our entire business. We shall keep everything in trimmed and untrimmed hats, novelties of every description. Having secured a trimmer noted for her artistic and skillful work, we are enabled to suit all tastes. We invite a careful inspection of our entire store. All welcome.
