the windows were closed and witness made no investigation. Mrs. Chagnon confirmed her stop-daughter's testimony about the noise, cross-examined, first thought it sounded like a data

The defence vigorously contested every point of the government's testimony of the prisoner's attempt to purchase prussic d. Mr. Lawton testifiel that he know

of no other than medicinal purposes for which prussic acid is use L

which prussic and is use!. Henry H. Tillson, of New Bedford, in the hat, cap and fur business, testified: He cared for the furs of others as well as his own; in devote i some of his time also to preserving furs. He was asked if prussic acid w a ever used in the care of furs, but his answer was objected to by the defence and ord red stricken out. He had no knowledge of the effect of the acid on furs.

In the second second

solution. He was asked about the suita-bility of the drug in connection with furs, and the question was objected to. The court considered the question a very broad one, and the matter was ruled out. After consultation the justices excluded the evidence of attempted purchases of prussic acid. After introduction of ex-bibits the Commonwealth rested its case and the evidence of attempted purchases them. and recess for fifteen-minutes was taken. During the recess the prisoner talked earnestly with Mrs. Fessenden, of Boston,

the first lady who has spoken to her in the court room. The prisoner sat with her face buried in her handkerchief during counsel's plea.

After distinguishing circumstantial from direct evidence and illustrating the dan-gerous character of circumstantial evi-

Each of them were similarly sentenced for the Womelsdorf station burglary, the term of imprison-ment to begin upon the expiration of the posed trip of the National Guard to the World's Fair, it has been decided to have regimental encampments this summer. This was the order for last summer, which

the Homestead rlots caused to be revoked. Adjutant General Greenland wired th former sentence. Thomas Kelly was sen issued to pay the costs for carrying con-cealed deadly weapons and the Levi Kurtz case, whose oat was stolen, was held over Simbox and Kelley as a surety of the peace.

Adjutant General Greenland wired th-major generals and brigade and regimental commanders asking their preference with respect to brigade or regimental camps and the responses were almost unanimously in favor of the latter. General Greenland issued the formal order last night. It is probable there will be a separate camp of the cavairy com-panies, but this is not settled. It is pro-posed to allow all commands marching to camp two cents per man per mile. The WASHINGTON, June 16.—During the In-mest in the Ford's theatre disaster yesterquest in the Ford's theatre discater graph day Edward Clark, architect of the capi-rol, and Thomas B. Entwistle, inspector of buildings of the district, testified that the buildings of the district, testified that the posed to allow all commands marching to camp two cents per man per mile. The dates for the various camps have not been fixed, but they will probably be as follows: First brigade regiments. July 15 to 22. Third brigade, July 22 to 29, and Second. August 5 to 13. The places for the en-campiments will be selected by the colonels, subject to the approval of the adjutant general. work of exervating could not be safely done without aboving, they saw no evi-tence of shoring; neither would have undertaken the work without shoring. Gentleman of 72, Acknowledge Obligations. The preparation that can be taken with

sufety and benefit by the tender infant, and that nourishes, strengthens, and cures and that nourishes, strengthens, and cures the aged and infirm, is one that can truly be called scientific. Such a preparation was discovered by Dr. David Kennedy and named Favorite Remedy. It is prescribed and recommended the world over, by the medical profession, as the best medicine produced for the cure of all diseases atising from an impure condition of the atising from an impure condition of the
