Jay Higgins, janitor in a Sub-Postoffice in Philadelphia, Under Arrest on a Charge of Robbing the Mails—Frank Swanger Accidentally Shot at Harrisburg—Other State News.

PHILADELPHIA, June 20.—Jay Higgins, alias Moore, janitor of the sub-postoffice, Eighth and Columbia avenues, was arrested yesterday by Postal Inspector Briggs on the charge of robbing the mails. United States Commissioner Craig gave the man a hearing yesterday afternoon and held him in \$1,500 bail.

It is stated that there have been complaints made for some time by John Wamaker and other merchants of the loss of packages sent through this sub-station. The fact that packages of letters were taken led the inspectors to believe that the thief was not one of the clerks or carriers, and suspicion was finally fastened upon Higgins, who has been alone in the building for part of every Sunday.

WERNEBURYVILLE, June 20.—The recently published account of the falling of an arch at the Insane Asylum, now in process of construction near here, was based on an informant given by the driver of the ambulance which carried an injured workman to the hospital. The arch that fell was a brick and not a stone one, and the accident was caused by a carpenter drawing away the centers of the arch before it had been keyed. He was covered with a load of brick and rubbish and had to stay in bed for several days.

DANGEROUSLY STABBED WITH A KNIFE. LEANOR, June 20.—Peter Dixon, colored, is lying in a critical condition in the Good Samaritan hospital, in this city, with poor hopes of recovery. He was brought to the hospital with wounds in his breast and side, which were inflicted with a knife, it is charged, by Dudley Prophet, also colored. The knife penetrated the liver and lungs, and blood poisoning has set in. The stabbing took place at the Coleman furnaces at Cornwall. Prophet, having waited some time for his victim, Dixon, was stabbed five times. Prophet escaped to this city, and was arrested in the Cornwall and Lebanon passenger depot.

FRANK SWANGER ACCIDENTALLY SHOT. HARRISBURG, June 20.—On his way to work yesterday Frank Swanger, aged 17, stopped at Meiring's stable on Cameron street. While talking with Josh Miller, a colored boy, the latter picked up a gun, which was loaded for rats, and began talking with it. Suddenly the piece was discharged, and the bullet struck Swanger in the face, roughly upward between the eye and lodging in the forehead. The colored boy was arrested, but subsequently released. He says the shooting was accidental. Swanger was unconscious nearly ten hours, and it is believed cannot recover.
