sheltering shield of editorial WE.

Even the name of the censurers I have for-

gotten; but I think gratefully of Mr. William

Balley and Samuel Martin, two of our Sab-

hath school superintendents, who contributed

a series of interesting articles on "Reading

for Boys" and "Reading for Girls," respec-

tively, that were eagerly looked for. Those

men left their impress for good on the enter-

prise and its readers and to such men every-

where it is given, to see the sterling qualities

that underlie the mass of boyish inconsis-

tencies and foster and encourage them to some

While the enterprise lasted we gave to its

purpose that only boys can give and experi-

enced, in the achievement, a gratification

nevelty for boys to branch out in such under-

takings. The market recognizes the domand

use as a help to education; but the lack of

such essentials and our scant capital required

and called out all our resources to accomplish

We must ever recognize the fact that the

craving for achievement is as strong and

genuine in the boy as the man and his

senacity of purpose fully as firm and an-

gielding despite the seeming inconsistencies.

We were merging into a period that demon-

mean part of our common history.

THIRD EDITION

PROJECTS AND PURPOSES. Something of Interest to Young Men by a learn something of other columns, that

Former Schuythill Countian. I noticed in the HERALD a short time since positions. With the first strenks of dawn the an extract from the Tamaqua Courier stating veil lifted and some began to call that the that Mr. J. T. Bond had a few copies of our attachment moving mistily in our front were small paper, the Foung America, published not our men, and then with the vivid flasher in 1858. The announcement brings vividly of lightning and the roar of thunder, before me the intensity of purpose and intensified and prolonged, the leaden hall unflagging zeal, with which we talked it up poured in among us.

ing out of details in a manner none the less real because it happened to be a boys' of the broken masses I involuntarily escaped through the thick undergrowth to the line of venture.

I had just turned fifteen at the time and the railway in our rear and scrambled up the had been with Major Reinhart on the embankment to find O'Donnell pasting at Gazeffe from the age of twelve, when the greater part of the conduct of the office fell back over the disorganized mass and there to the boys, of whom A. S. R. Hichards, with through a break in the dense clouds of smoke the office sobriquet of "Shamp," was the the folds of our flag had caught "the gleam capable and recognized head. The Major of the morning's first beam" and grandly out on the morn' ing sir. The sight was inspiring the office, and the business was largely left to the boys impulses and resources. The im- "Bedad, but the flag hand' budged " O'Donpulses, I am sorry to say, often led to a nell sprang down through the surging mass of serious annoyance of the neighbors, but in friends and foe and wedged his way back to the fits of remorse that followed the re- his company.

sources often made up, not only for our own. All honor to the simple Irish lad whose but the Major's shortcomings. As I recol- bonns fill an unknown grave on the Peninlect now, "Shamp" was more solid and saila. It is of such staff heroes are made, Hteral in his writings, but my own efficience. The boy that carried the flag that day was I am afraid, were tinetured strongly with the James Murray. He lived to carry it through vivid coloring of my then favorite author, many battles and fell with it in his grasp in Sylvanus Cobb, Jr.

"Shamp" led and in expedients, when we exhibit more strength of purpose or yield lacked the proper essentials and the credit of their lives more heroically for a square the office was doubtful, he was a boy of "infinite resource." We made the most of Maeon, Ga., June, 1893. what we had, devised substitutes for what we

Mr. Reese will give the lady teacher receiving the second highest number of votes a bandsome Plush Tollet Set.

ADDITIONAL OFFERS.

The two tea hers having the third and fourth highest number of votes at the close of the itest will be given a five-days' trip to Niagara Falls at the expense of the HEBALD. The two teachers having the fifth and sixth highest number of votes at the lowe of the con st will be given a five-days' trip to Hoston at the expense of the HERALD.

The two teachers who receive the greatest number of total votes up to the closing hour ove stated will be declared the winners.

All coupons must be cut out of the EVENING HERALD and sent, securely sealed in enveles, addressed to "Contest Editor, Evening Herald, Shenandouh, Pa."

Any person residing in any place may vote as often as he or she may desire for one or more eachers engaged in teaching in a public school north of the Broad Mountain at the close of the mirrent school term; provided, that any teacher who may have been incapacitated by sickness r accident for teaching for a period of not more than three months prior to the end of the rm, may also compete. Each vote for each teacher must be represented by a seperate coupon.

A coupon bearing the name of more than one teacher or specifying more than one vote for a acher will be thrown out as void.

A careful record will be kept of the names of all contestants, and all coupons will be fileo and kept safe until the final adjudication. Three prominent and responsible men of Shenan-donh will be selected to act as judges, make the final count, and announce the names of the two winners. Should three or more teachers be tied on the highest number of votes, the judges will an interference of solice. he allowed to decide.

The names of the winners will be announced on or before Saturday, July 15, 1893. Shoulthe winners be absent from Shenandoah at the time they will be informed of their good fortun by telegraph, so that they may start on the trip as soon thereafter as possible. All blanks in the coupon must be filled out, especially the blank requiring the name of the

person voting. The number of votes received at this office up to 4 p. m. each day will be published in the next issue of the HERALD with the names of the teachers voted for.

FINE DRESS GOO **D**RESS GOODS is such a bewildering to that we will not attempt a full descr tion, but give a partial outline, which y can fill in by a personal inspection. There the plain and changable diagonals; plain, pla striped and invisible plaid serges; fancy m tures in all sorts of odd weaves, dots, threa cross-threads, hair-lines, lines here and the many at a glance appearing alike, but upon amination are found entirely different. assortment of silks is complete-china sil china surah, plain surah, bengaline, plain, f ured and changeable silks, in all the new sl effects. Full line of fancy braids to match a color of dress goods.

Grand Display of

We find the most stylishIn Wraps the prevailing mode to be Cape, in some of its variation single, double or triple capes. Some are plain, others highly decorated, with fancy indescent braid, buth colors, or some full arrangement at the neck, so much proved this season by the feminine fancy. To some, c only are the correct garment. To those we would say a are equally fashionable and stylish, many of these has capes also attached-sometimes one, two or three, as taste or inclination of the wearer may desire.

We have this season, for the first tir added a Millinery Department, and have spaneither trouble nor expense to make it a s cess. The result exceeds our most sangy expectations. This department will be up the same management and conducted on same principles that have always characteria our entire business. We shall keep everythi in trimmed and untrimmed hats, novelties every description. Having secured a trimm noted for her artistic and skillful work, we: enabled to suit all tastes. We invite a care inspection of our entire store. All welcome
