them com. Cholera may not visit us ments on each side of the longitudinal this summer. Indeed, it is not likely bulkhead, without communication be by R H. McDonald, and its present mana-

vessel. Surely the captain is having as much variety in life as his Norse ancestors, if it is not of the same kind.

We always feel like taking off our hat and saying "Thank you" to the drivers who, during the intensely hot weather, are humane and considerate enough to stand their horses in the shade wherever practicable, and who make it a point to give the patient animals under their care water two or three times a day.

The immediate cause of the collision, he added, cannot now be exactly stated. The capture is added, cannot now be exactly stated. The squadron appears to have been manouver in the quadron appears to have been manouver in the capture in the squadron appears to have been manouver in the capture in the squadron appears to have been manouver in the squadron appears to have been manouver in the capture in the squadron appears to have been manouver in the squadron appears to have soil to he specific bank out the liable of the collision, it added, cannot now have the squadron appears to have soil to he said the soil to he stand that the colsing down of the Pacific Pacific bank and specific have bee

The immense hall of the Victoria as once began to settle and before those of possible to so with the New York Central will begin to run excursion trains on which the usual fare one way will be charged for the round trip. Other roads will come to time with the precedent thus set, and the railway companies, and the railway companies, and the railway companies, and the railway companies, and the respectable and the railway companies, and crew of the Victoria having officers and crew of the Victoria having officers and crew of the Victoria having over the present emergency. the people and the Fair will share the gone down with their ship. benefits.

that are perpetrated upon the laborers working upon the Monroe county railroad call strongly for public condemnation. The Philadelphia Press has in- ten guns. vestigated these outrages, and is printing daily scandalous stories showing the cruelty to which these men are subject to by souless contractors. Such treatment demands the attention of the authorities, and should not be permitted in Syria, as follows these enlightened days.

THE probable exports of wheat for THE probable exports of wheat for office a minutes in eighteen fathoms the twelve months now expired will water. She lies buttom uppermost. The probable exports of wheat for office a minutes in eighteen fathoms reach about 185,000,000 About 65,000,000 bushels will have to be carried over which will be available in the exportable surplus of next saved. year. If the crop of the current year is 500,000,000 bushels, the actual exportable surplus during the coming twelve months promises to be no less than 200,000,000 bushels, or 15,000,000 than 200,000,000 bushels, or 15,000,000 mirat. Bir George Fryor, Captain, Man more than we have shipped a road the rice A. Bourke; Commander, Charles L.

THE question whether we are to have a full crop of peaches or not is now about definitely settled. The he Victoria comprised 600 men. "June drop" has taken place, and "June drop" has taken place, and sides Vice Admiral Tryon, Chaplain Mornothing short of unprecedented un favorable weather can deprive us of a Binkcord, Fleet Engineer Thomas Fore generous, crop of the delightful fruit.

When we say generous, we mean Gunner Hovell, Bostovain Barnard, Carabout all that we can use, and that penter Beal, Midshiymen Inglis, Grieve, implies moderate prices, which will bring them within reach of every-bring them within reach of everybring them within reach of everybody. We have no trutt more wholesome than the peach, if eaten when the roughly ripe. That it is unwholesome, and well calculated to promote the admiral of the Fleet, visited the Admiral of the Fleet, visited the Admiralty and conferred with the ofou nmer disorders, if eaten in an un- ficials there. ripe condition, is a fact beyond all

especially so upon the approach of ill fated slip, but among all classes of the warm weather. This question should be the first one to occupy the attention of the local Board of Health. Our people, as a rule, fall to appreciate the great danger in the accumu-Ittion of garbage, especially so in such a thickly populated town as Shenaudoult. Comstion of garbage is, in the judgment of the era africamost expert santarians in all com- scene of the calamity was beir Triball, : munities, the only effective process in matter how carefully a dumping place | short of Circas. is managed for the reception of such material and how freely it is treated to disinfectants, the ground is sure to be more or less contain a sted with the germs of disease, which maintain an existence therein for indefinite periods. to show their contagious virulence nsoon as they are exposed to the air by excavations in such land. Old garbage dumping grounds, like old pest Liberty Eell, which was cast Thunday houses and grave yards, are the abiding places of contagion, which only cremation, the eradicating influence of seathing flames, can alone exterminate of their elements of pestlience. Magness Calcite Company's Creditors. Sanitarians in all cities are convinced of the creditors of the Magnese-Calcite that the only safe process for the dis-posal of garbage is eremation, a plan which has tenefit in merchandising in the ashes account from such a pro-lation of the Magness-Canne goupping, of which the missing Moody Marrill was president, the assigner stated that the company issued \$50,000 in bonds and placed them in the hands of Moody Merrill, who represented that the bonds cess, the elements in such makes being had never been put in circulation. of highly fertilizing forem.

The Leading Local Weekly Paper

In Schuylkill County.

All the Local News printed in a readable, attractive manner, with no waste of words.

DEDUCED IN PRICE. IMPROVED IN QUALITY.

S1.00 A YEAR

IN ADVANCE.

Some have told us "You can't do it." We believe we can, and we will. THE HERALD in the future will be better than at any time during its past history, if painstaking efforts will accomplish that end,

Send One Dollar to THE HERALD office and receive the paper for one year. This offer applies to old as well as new subscribers, providing all arrearages are paid. Remember, these terms are invariably in advance; otherwise \$1.50 will be charged.

() In Business?

Do you desire success? All busine s men know that the only way of increasing trade is talking in print -Advertising! Where you make one customer by word-of-mouth argument or by displaying goods, you can make one hundred by bright, convincing advertisements.

Don't talk in a whisper-No one will hear you.

Don't talk in thunder tones-

All noise and no facts. Don't talk without listeners-

Place your "ad" where it will be read. THE HERALD is the best medium for reaching the public, and

profitable results are sure to follow all advertisements placed in its columns. Let us convince you of this fact by a trial.

PRINTING.
