DELIGHTFUL TOURS.

A Summer Series to the North Via the Pennsylvania Railroad.

July 11th and 25th, August 8th and 22d are the dates selected for this series of personally conducted tours to the North. Watkins Glen, Niagara Falls, Thousand Islands, Montreal, Au Sable Chasm, Lakes Champlain and George, and Saratoga are among the many attractive places to be visited.

The rate of \$90.00 applies from New York, Philadelphia, Baltimore, Washington, Harrisburg, and intermediate stations, and correspondingly low rates from other points. This rate includes every item of necessary expense during the entire time of fourteen days spent on the trip, and is remarkably low considering the large territory covered and the luxurious entertainment afforded at the different places.

For detailed information address George W. Boyd, Assistant General Passenger Agent, Philadelphia, or apply to nearest passenger or ticket agent, Pennsylvania Railroad Company.

COL. SINN'S DEFEAT.

He Will Appeal from the Decision in Favor of His Actress Wife.

BROOKLYN, June 27.—Chief Justice Clement, in the City Court, Brooklyn, has handed down a decision in the suit brought by Col. William P. Sinn, the well known theatrical manager and lessee of the Park Theatre, who sought to have his marriage with Cora Tenner, the actress, annulled on the ground that she was already the wife of Dr. G. Frederick Martin, of Rochester, at the time she married the Colonel.

Justice Clement decides in favor of the actress, and orders Col. Sinn to pay the costs of the action.

The couple were married at Cleveland, O., Feb. 14, 1883. They have no children. Col. Sinn's suit to have his marriage annulled was based on the ground that she was never legally divorced from Dr. Farlin. Farlin and the actress were married in Lansing, Mich., in September, 1875. They only lived together a short time, when they separated, and she continued on her theatrical tour. In 1883 she sued him for divorce in the Chicago court, and got a decree. The suit was not defended.

In the suit just decided, Col. Sinn alleged that the divorce was null, because the court had no jurisdiction. Farlin never having lived in Illinois. Miss Tenner got that divorce by alleging that Dr. Farlin had married Mattie E. Drew in Jackson, Mich., in 1871, and had never been divorced.

The papers in this suit were served by publication. The point was raised by Col. Sinn's lawyers whether this mode of service was legal. The case will be appealed.

QUEEN CITY BANK FAILURE.

Due to a Heavy Drain of the Institutions' Funds.

DUFFALO, N. Y., June 27.—Much surprise is expressed over the fact that the Queen City bank, which was started here a little over a year ago, has closed its doors.

Mr. P. M. Ingelhart, one of the directors, said that the suspension was due to a heavy drain of money out of the bank, which has been going on for several weeks. The bank paid out all the money it had, even to dinner, nickels and pennies, and when the last cent was gone the officers went out and closed the doors.

Mr. Ingelhart said that the bank had plenty of collateral, but found that it was impossible to raise money on it in the present financial stringency. The New York banks would not let them have any money. He said the depositors will be paid in full.

The State Superintendent of Banking has been notified of the suspension, and will send an examiner here. The officers are hopeful that the bank will resume. It owns its depositors over \$1,400,000.

The general opinion is that the bank cannot realize on its securities on account of the tightness of the money market.

A Daring Heist.

ALBANY, N. Y., June 27.—Early yesterday morning a single woman, known to Harvey's eating house in Coalinga, within four miles of the late attempted robbery on the Atlantic & Pacific railway, and held up Manager Perkins for \$150 of private funds, after which the robber marched Perkins into the eating house, where breakfast was being served, forced him to open the safe, took \$150 and escaped. Two companions of the woman were waiting a short distance away on horseback. All three disappeared into the woods.

British Yachts Racing.

LIVERPOOL, June 27.—The four crack yachts of the season, the Prince of Wales's Britannia, Lord Dunsarva's Valkyrie, Mr. J. Jameson's Iverna and Mr. A. D. Clark's Satalia, started to-day to sail a race over a sixty-mile course. The Valkyrie finished first in 6 hours and 18 minutes. The Britannia was second in 6 hours, 20 minutes and 17 seconds, and the Satalia third in 6 hours, 25 minutes and 5 seconds. The Iverna finished last, a long distance behind the others.

An Excellent Team.

The home management has secured the Richmond Athletic Club's base ball team, of Philadelphia, for two games at the trotting park on the Fourth of July. The public may rely upon it that the games will be well played as the players on the visiting team will be T. Desaley, catcher, formerly of New York; M. Kilroy, pitcher, formerly of Baltimore; Klunk, 1st base; J. Desaley, 2d base, formerly of Harrisburg; Loftus, short stop, formerly of Allentown; Hess, 3d base; O'Brien, left field, formerly of Chattanooga; Kershaw, centre field; Shank, right field.

Newspaper Libel Suit.

Brother Hirsch, editor of the Tamaqua Recorder, has a genuine libel suit upon his hands. Register Beard, feeling aggrieved at certain statements that appeared in the above paper, has brought suit, and the indications are that the suit will develop interesting reading matter. We envy Bro. Hirsch the large amount of free advertising his paper will receive. The suit is the result of a newspaper controversy between the editors of the Recorder and Courier and which caused the respective editors to indulge in some very rich and racy language.

THE TONAWANDA TROUBLE.

Non-Union Lumber Shovelers Refuse to Work and May Make a Fuss.

TONAWANDA, June 27.—Trouble has broken out among the non-union lumber loaders again over the question of wages but the presence of the troops and deputies is preventing them from becoming violent.

Since the Buffalo Poles rioted a week ago on account of the lumber men desiring to pay them by the thousand instead of by the hour, the lumbermen have concluded that the non-union men have been paid by the hour. The lumbermen however have announced that the non-union men would have to work by the thousand. The dealers found that their non-union loaders in the morning loaded upon being paid by the hour. The lumbermen told them they would not and the men refused to work.

They are angry and sullen, but have not about until the night. The work of unloading the lumber barges is proceeding slowly.

Grand Display of FINE DRESS GOODS

DRESS GOODS is such a bewildering topic that we will not attempt a full description, but give a partial outline, which you can fill in by a personal inspection. There are the plain and changeable diagonals; plain, plaid, striped and invisible plaid serges; fancy mixtures in all sorts of odd weaves, dots, threads, cross-threads, hair-lines, lines here and there, many at a glance appearing alike, but upon examination are found entirely different. Our assortment of silks is complete—china silks, china surah, plain surah, bengaline, plain, figured and changeable silks, in all the new shot effects. Full line of fancy braids to match any color of dress goods.

.....In Wraps We find the most stylish and the prevailing mode to be the Cape, in some of its variations, single, double or triple cape. Some are plain, others very highly decorated, with fancy indented bands, butterfly colors, or some full arrangement of the neck, so much approved this season by the feminine fashion. To some, caps only are the correct garment. To those we would say caps are equally fashionable and stylish, many of these having caps also attached—sometimes one, two or three, as the taste or inclination of the wearer may desire.

We have this season, for the first time, added a Millinery Department, and have spared neither trouble nor expense to make it a success. The result exceeds our most sanguine expectations. This department will be under the same management and conducted on the same principles that have always characterized our entire business. We shall keep everything in trimmed and untrimmed hats, novelties of every description. Having secured a trimmer noted for her artistic and skillful work, we are enabled to suit all tastes. We invite a careful inspection of our entire store. All welcome.
