INTEREST In base ball in this town is on the increase. With such games the grounds, Aeronaut Allyr noticed been slashed and cut, and shot and attendance will always be good.

Ir at any time you see a chance to secure a new industry for Shenandoali wind at the last anchor was made fast the secure a new industry for Shenandoali wind struck the balloon and blew it to by all means let the necessary steps sibbons be taken to bring it here. What the town needs is an increased number of industrial concerns that will afford employment to more men, and increase the business of all kinds of mer-

THE recent letter from the pope in the first place makes clear the purpose of the appointment of Mgr. Batolli as an apostolic delegate to America, espec-ially emphasizing the fact that he tracks to view a coal train passing underhas not come to this country to per- beath on the Reading railroad. The noise form limited duties, but as the spiritual representative of the paper and before the boys were aware of it the od, and yet Dakota Jack remained. He delegated with the fullest authority to act for him. The chief motive of immediate appointment of the spostlic delegate was the urgency, as it seemed to his hollness, of putting an end to the dissensions in the Cathelic church in this country and the petty controversies over the education of Catholie youth. The pope wisely advocates In this letter the urgency of Roman Catholics in America preserving a devoted adherence to this country. stimulating their patriotism by ad vising them thus; "Prove the earnestness of your love for your coun-

THE SHERMAN LAW.

Many Democrats are endeavoring to shoulder the responsibility for the evils arising from the purchase of lyn's alleged candidacy. silver by the Government entirely upon the Republican party and to keep the skirts of the Democratic party free from all reproach therefor. In the first place, it ascribes many evils to the Sherman law which are really due to other causes having their chief foundation in the success of the Democratic party last fall, and it then endeavors to create the impression that if that law had not been passed the stituation would be now much

The Sherman law had two objectsnest the repeat of the Bland law, and second, the prevention of the passages Gray Gables. His rheumatism is gradof a free coinage bill. Had it not been enacted the country to-day would of the week. Colonel Lamont and Dr. have on its statute books either a free colnage law or the Bland act. To ing the president alone with Mrs. Cleveboth of these measures the great and in the aftermoon Joe Jefferson drove over from his cottage and made a short majority of the Democratic Congress | call. men committed themselves. The Bland act was passed in 1878, when the act was passed in 1878, when the Tangers, July 10.—The sultan's expedi-Democrats controlled the House of tion, which left the capital on June 29 to Representatives and Samuel J. Ran-subdue the rebellions tribes, has had heavy dall was Sneaker. The clause in it dall was Speaker. The clause in it providing for the purchase of not less than two million dollars worth of hattle forty government soldiers were stiver buttlen per month, and its coin- killed. It is feered that further fighting age into light weight dollars was passed by a vote of 203 to 72. The bill was vetoed by the Republican President Hayes, but it was passed over his veto in the House by a vote of 196 to 73, and in the Senate by 46 to 19, a majority of the yeas being Demo crats and of the nays Republicans.

was on its passage the Senate amended it so as to provide for the free coinage of sliver. The voice of the Senate was Wilkershamms, July 10.—Secretary of 42 to 25. Among the years were 27 State Gresham, Postmaster General Bis-Democrats and among the nays there were only 3 of that party. The bill, with Summit hotel, a mountain resort near this the Senate free coinage amendment, city, yesterday. Mr. Bissell will spend his came back to the House, which disagreed to the amendment by a vote of were only 3 of that party. The bill, with agreed to the amendment by a vote of 135 to 152, most of the former being Democrats and nearly all of the latter Republicans. The attitude of the two parties on the question of the now in hand the cosing of the session will purchase and free coluage of allver be ordered by the concernment, purchase and free constants. Had the Democratic the Sherman law. Had the Democratic READING, July 10.—The authorities here party's representatives had their arrested Jacob Schmidt and Daniel Lorah way to day, instead of the Sherman on the charge of attempting to wreck a law being in force, we would have either the Bland act or the free coluage law in operation. This being the case, the attempt to make capital for

A STORM AT THE FAIR.

The Big Balloon linews to tilbons Just

Cricago, July 10.—A wind storm of ter-gific force, followed by a heavy downpour of rain, passed over the White City last evening, doing considerable damage to the different buildings and to the exhibits When the storm burst 10,000 people ware

When the storm burst 10,000 people water grouped about the pavillon to the east of Manufactures' building enjoying the music. They hastily rushed for the shelter of the big building and entered the doors in much disorder. The guards, after admitting the crowds, endeavored to close the beautiful the force of the wind shut. the doors, but the force of the wind shut the doors with such violence that the glass in three big entrances was shattered into fragments. There was much confusion, but, as the blow lasted but ten minutes. the people soon became calm,

The same scene occurred in all the buildings on the ground. The Rev. Dr. Jankin Lloyd Jones delivered a splendid sermon during the afternoon at Festival hall and drew a fesson in burning words for his bearers from the glowing beauties of the hearers from the glowing beauties of the

The persons who were aloft in the caprive bulloon hed a close call, and the bal-loon itself, after being brought to earth, was blown into places and carried out of as that put up against Jeanesville the away over the smake of the city a black moving body, and signaled the lookout to draw in rapidly. As the basket touched the ground the passengers were let out,

Thirty years ago yesterday the Argentine Republic became an independent na-tion, and the World's fair commissioner from that country, Mr. Carlos R. Gallardo, opened the Argentine sections in Manufactures, Agricultural, Mining and Forestry buildings.

POTTSVILLE, July 10.—While a party of boys were crossing the trestling of the Pennsylvania railroad at the lower end of cover. The other boys in the party were on the down track and escaped injury. A sharp curve and an iron bridge, it is claimed, prevented the engineer from secing the boys in time to save them.

Simpson Denies a Ramer. Washington, July 10.—Representative Jerry Simpson was shown a dispatch from Popeka, Kan., stating that a deal had been made by the Populists of that state whereby he would become a candidate for covernor next year, and that Governor Lewellyn would run for the senatorship to succeed Senator Martin. He said there was not a sciutilla of truth in the story so far as he was concerned, and he doubted the statement regarding Governor Lewel-

Israelites Denounce Anarchy. NEW YORK, July 10.—Julius Harburger, grand master of the Independent Order of

Free Sons of Israel, in an address at Odd Fellows' hall yesterday, vigorously de-nounced the anarchists who are celebratning the release of Flelden, Schwab and Neelse, concluding: "To be an American citizen is a password the world over. Our highest aim in life should be to maintain. that citizenship and glory in the institu-tion of a land which has been so generous to all mankind."

A GAME FIGHT.

The Bind of Show the Western "Bad" Men Enjoy.

A man, whose height is scarcely five eet six, and whose weight is not un ounce over one hundred and forty pounds. He has a mild blue eye, a frank face and his voice is pleasant to the ear. You'd pick him out in a growd as a mild-mannered, tender-hearted man, and yet he is "Dakota Jack," and has killed nine or ten men. He has clubbed, but he seems to bear a charmed

It is high noon, and the long, stragling street of the frontier town is almost descried by human life. Not because the sun beats down fiercely, nor that the half-civilized population is asleep, but because the town marshal said to Dakota Jack last night at ten

"If you are in this town at noon tomorrow I will hunt you down and kill you like a dog!"

Well, twelve o'clock has come. The threat came from a man whose bravery is unquestioned and whose skill with similar warnings before. Some of the desperadoes had left for other fields fallen by his bullets. That he meant the shanty in which a gun-smith was doing business and had his revolvers cleaned and reloaded. At a quarter to twelve be took his position in the center of the fled from the street and said to each

tiest shooting ever done in this town! Dakota Jack is bound to see it out!" The town marshal sat in his office a block away. Word had come to him that Dakota Jack refused to leave. At

deven o'clock be also cleaned and re loaded his guns. At a quarter to twelve he was all ready, but he satwith his watch in his hand. He had Year, the ectebration of which lasts said high twelve, and he would not move sooner. He would even give Dakota Jack five minutes' grace. "Time's uo!" The marshal knew where to find his

when afar off-too far to risk a shot. Dakota Juck backed across the square to a broken-down wagon. The marshal crossed the street to have the shelter of the awning-posts and telegraph poles. Five hundred faces appeared at doors and windows, and speciators spoke to each other in whispers.

The murshal advanced to within thirty yards and then halted. The holsters. They glared at each other anthonoun day for a long minute without moving a tors held their breath. The one was Excelled by None leflant, the other determined. Would Dakota Jagk take water? Would the marshal crawlish? If not, there would

"Juck, are you going?" "T'll see you hanged first!"

Men within ten feet of the marshal sould not follow the movement as he pulled his guns. It was the same in the case of Dakota Jack. Both left cover for the open street, and began firing-lopi pop! pop! Both fired right and left-hunded. Both advanced as they

"Linds's high "Tom's hit!"

"That's elegant shootin"!" "That's somethin' to be remem

The firing did not last over three minutes, but the time seemed to be a quarter of an hour to the spectators. fro, and they cheered Dakota Jack. They saw the Bad Man lurch to the right and left, and they cheered the

"Jack's down!"

"Tom's down!" "Hold on-wait!"

The last two shots rang out as one Both men were down, but they had made a dying effort, only twenty feet apart, as they lay on they backs gaspyout their lives. Of the twenty-fo ballets, twenty-two had been fired. The hot lead had bored its way through shoulders, arms, bodies and legs. Blood had mixed with the dust of the street had been splintered, muscles severed gathered and looked down upon them
