Torturing, Life Destroying Dyspepsia Cured. Another Triumph Dr. Kennedy's Favorite Remedy.

Mr. James S. Dean, Commander of Gen. Grant Post, G.A.R., Bondout, N.Y., and Chief U.S. Mall Agont of the Ulster & Delaware Railroad and one of the most popular and well known Gentlemen in the East, whose veracity is beyond question says: I was all run down with DYSPEPSIA.

I was all run down with DYSPEPSIA.
I doctored and doctored but it all resulted the same way. I grew worse. I suffered untold misery night and day. My case was pronounced sacurable. I suffered this way for fully TWO YEARS. I chanced to meet Dr. Kennedy on the street about that time, and I told him of my condition and he said, "Jixar," you need not sufer so, come to my effice and I'll give you a bottle of PAVORITE REMEDY, take it morning, noon and night, and it will cure you. I took the medicine as directed, but had no confidence in a cure, as my case had been tried by so many. After using it a week I began to feel better, and la a short while after that I was ENTIRELY CURED—"Just think of it, entirely cured. That terrible distress, everything I at breaking up sour in my throat had all gone and I have not had a moments discomfart since. To-day there is'nt a healther man in this country and my appetite is grand. I believe I could eat a KEO OF NAILS if I had to and digest them with case. Favoautra Rememby is the foe of Dyspepsia and poor health.
